Why Marry? is a 1917 play written by American playwright Jesse Lynch Williams. It won the first Pulitzer Prize for Drama in 1918. The play takes place during a weekend at a country house. The characters are: Jean, the host's youngest sister, brought up to be married; Rex, an unmarried neighbor; Lucy, the hostess; Cousin Theodore, a clergyman who does not believe in divorce; John, the host, who owns the house—and almost everyone in it—also does not believe in divorce; and many other characters. From New York Times bestselling author Alex Tresniowski comes a “compelling” (The Guardian) and “riveting” (The New York Times Book Review) true-crime thriller recounting the 1910 murder of ten-year-old Marie Smith, the dawn of modern criminal detection, and the launch of the NAACP. In the tranquil seaside town of Asbury Park, New Jersey, ten-year-old schoolgirl Marie Smith is brutally murdered. Small town officials, unable to find the culprit, call upon the young manager of a New York detective agency for help. It is the detective's first murder case, and now, the specifics of the investigation and daring sting operation that caught the killer is captured in all its rich detail for the first time. Occurring exactly halfway between the end of the Civil War in 1865 and the formal beginning of the Civil Rights Movement in 1954, the brutal murder and its highly-covered investigation sits at the historic intersection of sweeping national forces—religious extremism, class struggle, the infancy of criminal forensics, and America's Jim Crow racial violence. History and true crime collide in this “compelling and timely” (Vanity Fair) murder mystery featuring characters as complex and colorful as those found in the best psychological thrillers—the unconventional truth-seeking detective Ray Schindler; the sinister pedophile Frank Heidemann; the ambitious Asbury Park Sheriff Clarence Hetrick; the mysterious “sting artist,” Carl Neumeister; the indomitable crusader Ida Wells; and the victim, Marie Smith, who represented all the innocent and vulnerable children living in turn-of-the-century America. “Brisk and cinematic” (The Wall Street Journal), The Rope is an important piece of history that gives a voice to the voiceless and resurrects a long-forgotten true crime story that speaks to the very divisions tearing at the nation's fabric today. In this contemporary YA novel by bestselling author Carol Lynch Williams (The Chosen One), fifteen-year-old fraternal twins Annie and Sarah are sisters, but that is where their interaction ends. Then Annie begins to withdraw from the family, forcing Sarah to investigate why—and the abuse she uncovers changes their relationship forever. “Shards of glass can cut and wound or magnify a vision,” Terry Tempest Williams tells us. “Mosaic celebrates brokenness and the beauty of being brought together.” Ranging from Ravenna, Italy, where she learns the ancient art of mosaic, to the American Southwest, where she observes prairie dogs on the brink of extinction, to a small village in Rwanda where she joins genocide survivors to build a memorial from the rubble of war, Williams searches for meaning and community in an era of physical and spiritual fragmentation. In her compassionate meditation on how nature and humans both collide and connect, Williams affirms a reverence for all life, and constructs a narrative of hopeful acts, taking that which is broken and creating something whole. In trying to reunite with her mother, Winston discovers the many meanings of family and finds friendship in an unexpected place in this “warm, humorous, and poignant story” (Publishers Weekly) from the author of Waiting, which Kirkus Reviews, in a starred review, called “exceptional” and Glimpse, which Booklist called “gripping.” Life is just fine for fourteen-year-old Winston. She loves her dog, Thelma, and although she never knew her dad, and her mom left ten years ago in search of Hollywood fame, Winston has family with Nanny, who isn't old at all! But a “just fine” life gets a lot more exciting when a letter arrives from Skye Harper, aka Judith Fletcher, aka Winston's mother. She needs help, and Nanny says the best way to give it is to take a cross-country road trip—in a “borrowed” motor home—to go find Mama once and for all. Winston's not so sure about this plan, but with a cute stowaway named Steve along for company and an adventure on the horizon, this is sure to be a summer to remember. Sixth grade is over and Elyse Donaldson is ready for a perfect summer. She's going to read her favorite books and write her first novel. She's even determined to get along with her older sister, Jordyn. But her plans quickly unravel. Granny's Alzheimer's is getting worse. So she moves in with Elyse, Jordyn, and their mom, and the girls watch over her while their mother is at work. Sometimes she's fine, but sometimes she slides into the past and doesn't even recognize Elyse. It's frightening to realize that her beloved grandmother is slowly slipping away. Then Elyse gets involved in a neighborhood newspaper, and her mom starts dating for the first time since her father died. Elyse doesn't think she can stand any more changes, any more loss, but she's a lot stronger than she knows. This is the summer she'll learn to stand up for herself and to help the grandmother who has always helped her. “From the Hardcover edition. Thirteen-year-old Kyra has grown up in an isolated community without questioning the fact that her father has three wives and she has twenty brothers and sisters. That is, without questioning them much - if you don't count her secret visits to the Mobile Library on Wheels to read forbidden books, or her meetings with Joshua, the boy she hopes to choose for herself instead of having a man chosen for her. But when the Prophet decrees that she must marry her sixty-year-old uncle - who already has six wives - Kyra must make a desperate choice in the face of violence and her own fears of losing her family forever. The water-front.--The walk up-town.--The cross streets.--Rural New York city. As the tragic death of her older brother devastates the family, teenaged London struggles to find redemption and finds herself torn between her brother's best friend and a handsome new boy in town. A shy, small-town girl learns the true meaning of loyalty, love, and beauty through her friendship with a classmate who is suffering from a rare, life-threatening illness. Fourteen-year-old Carolina has been through a terrible loss. As she struggles to speak openly to her new boyfriend, and to relate to her distant, sad mother, the reader slowly realizes the nature of their shared tragedy. Through letters to her sister and by using her father's camera, Carolina tries to see the past clearly and find a path to an uncharted future. Her clear vision and sense of humor eventually help her find her way to a life with new purpose and hope. “Hobbs unearths four lynchings that are critical to the understanding of the origins of civil rights in Florida. The oral histories from the victims' families and those in the communities make this a valuable contribution to African American, Florida, and civil rights history.”--Derrick E. White, author of The Challenge of Blackness “A compelling reminder of just how troubling and violent the Sunshine State's racial past has been. A must read.”--Irvin D.S. Winsboro, editor of Old South, New South, or Down South? Florida is frequently viewed as an atypical southern state--more progressive and culturally diverse--but, when examined in proportion to the number of African American

residents, it suffered more lynchings than any of its Deep South neighbors during the Jim Crow era. Investigating this dark period of the state's history and focusing on a rash of anti-black violence that took place during the 1940s, Tameka Hobbs explores the reasons why lynchings continued in Florida when they were starting to wane elsewhere. She contextualizes the murders within the era of World War II, contrasting the desire of the United States to broadcast the benefits of its democracy abroad while at home it struggled to provide legal protection to its African American citizens. As involvement in the global war deepened and rhetoric against Axis powers heightened, the nation's leaders became increasingly aware of the blemish left by extralegal violence on America's reputation. Ultimately, Hobbs argues, the international implications of these four murders, along with other antiblack violence around the nation, increased pressure not only on public officials in Florida to protect the civil rights of African Americans in the state but also on the federal government to become more active in prosecuting racial violence. Jesse Lynch Williams was born on August 17, 1871 in Sterling, Illinois. At college he began his writing career on Princeton Stories and on graduation continued to write both novels and plays. In 1918 he was awarded the first Pulitzer Prize for his classic work "Why Marry?" Jesse Lynch died on September 14th 1929. DigiCat Publishing presents to you this special edition of "The Adventures of a Freshman" by Jesse Lynch Williams. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature. A Study Guide for Jesse Lynch Williams's "Why Marry?", excerpted from Gale's acclaimed Drama for Students. This concise study guide includes plot summary; character analysis; author biography; study questions; historical context; suggestions for further reading; and much more. For any literature project, trust Drama for Students for all of your research needs. A lyrical and haunting depiction of American racial violence and lynching, evoked through stunning full-color artwork In late May 1918 in Valdosta, Georgia, ten Black men and one Black woman—Mary Turner, eight months pregnant at the time—were lynched and tortured by mobs of white citizens. Through hauntingly detailed full-color artwork and collage, *Elegy for Mary Turner* names those who were killed, identifies the killers, and evokes a landscape in which the NAACP investigated the crimes when the state would not and a time when white citizens baked pies and flocked to see Black corpses while Black people fought to make their lives—and their mourning—matter. Included are contributions from C. Tyrone Forehand, great-grandnephew of Mary and Hayes Turner, whose family has long campaigned for the deaths to be remembered; abolitionist activist and educator Mariame Kaba, reflecting on the violence visited on Black women's bodies; and historian Julie Buckner Armstrong, who opens a window onto the broader scale of lynching's terror in American history. From PEN Award-winning author Carol Lynch Williams comes a "haunting read" (Booklist) in this coming-of-age tale about a girl who can talk to the dead—even if she would rather not. *Evie Messenger* knows that her family is different from other families. But it isn't until her fifteenth birthday that the Messenger gift is revealed to her. Evie has the family's gift—a special power. Soon she realizes she is able to see and talk to the dead—ghosts—often with no idea who the person was. Or as Evie says: "I see Dead People. It's a Messenger gift." That doesn't necessarily mean she wants the Messenger gift. So Evie tries to ignore it but soon she finds she cannot. Can Evie find a way to live her life without letting her power take over? And what if the dead person is someone close to Evie's family? For the teens at The Haven, the outside world, just beyond the towering stone wall that surrounds the premises, is a dangerous unknown. It has always been this way, ever since the hospital was established in the year 2020. But The Haven is more than just a hospital; it is their home. It is all they know. Everything is strictly monitored: education, exercise, food, and rest. The rules must be followed to keep the children healthy, to help control the Disease that has cast them as Terminals, the Disease that claims limbs and lungs—and memories. But Shiloh is different; she remembers everything. Gideon is different, too. He dreams of a cure, of rebellion against the status quo. What if everything they've been told is a lie? What if The Haven is not the safe place it claims to be? And what will happen if Shiloh starts asking dangerous questions? Powerful and emotional, *The Haven* takes us inside a treacherous world in which nothing is as it seems. "Imagine Anna Quindlen or Sue Miller turning her attention to writing a young adult novel, and you have an idea of what Carol Lynch Williams has done for early teen readers." (Audrey Coulumbis, author of the Newbery Honor Book *Getting Near to Baby*) Now that Laura is 12 years old, she realizes that everything about her mother is totally embarrassing. Like the way she yodels at the top of her lungs while she works (okay, she calls it singing). And plays really old music so loud the neighbors can hear (can't she listen to normal music?). And walks around in clay-covered pajamas (yes, she is a sculptor, but still . . .). But things are about to get much, much worse. Laura has noticed that her mother is getting a little bit, well, fat. Then one night over dinner (at a restaurant, since she almost burned down the house trying to cook), her mother announces that she's going to have a baby. Now all the neighbors, including the gorgeous boy Laura has a crush on, will know her parents have been doing it. Maybe even in the house! There must be some way Laura can change her mother before her own life is completely, utterly ruined! Willie Lynch, a British slave owner from the West Indies, stepped onto the shores of colonial Virginia in 1712, bearing secrets that would shape the fate of generations to come. Within this manuscript, allegedly transcribed from Lynch's speech to American slaveholders on the banks of the James River, lies a blueprint for subjugation. Lynch's genius lay not in brute force but in psychological warfare. He understood that to break a people, one must first break their spirit. His methods—pitiless and cunning—sowed seeds of distrust, pitting slave against slave, exploiting vulnerabilities, and perpetuating a cycle of suffering. This document sheds light on the brutal realities of slavery and the ways in which its legacy continues to shape contemporary society In 1926, Walter White, assistant secretary of the National Association for the Advancement of Colored People, broke the story of a horrific lynching in Aiken, South Carolina, in which three African Americans were murdered while more than one thousand spectators watched. Because of his light complexion, blonde hair, and blue eyes, White, an African American, was able to investigate first-hand more than forty lynchings and eight race riots. Following the lynchings in Aiken, White took a leave of absence from the NAACP and, with help from a Guggenheim grant, spent a year in France writing *Rope and Faggot*. Ironically subtitled "A Biography of Judge Lynch," *Rope and Faggot* is a compelling example of partisan scholarship and is based on White's first-hand investigations. It was first published in 1929. *Rope and Faggot* debunked the "big lie" that lynching punished black men for raping white women and it provided White with an opportunity to deliver a penetrating critique of the southern culture that nourished this form of blood sport. White marshaled statistics demonstrating that accusations of rape or attempted rape accounted for less than 30 percent of all lynchings. Despite the emphasis on sexual issues in instances of lynching, White insisted that the fury and sadism with which white mobs attacked their victims stemmed primarily from a desire to keep blacks in their place and control the black labor force. Some of the strongest sections of *Rope and Faggot* deal with White's analysis of the economic and cultural foundations of lynching. Walter White's powerful study of a shameful practice in modern American history is now back in print, with a new introduction by Kenneth Robert Janken. "Evie Messenger, who can see and talk to ghosts, tries to solve the mystery of a teenage ghost who is following her"-- Fifteen-year-old Sage is enthusiastic about submitting her historical romance novel to the school creative writing contest, but her would-be boyfriend George thinks that it is awful and tries to stop her. There is no available information at this time. A compelling dual-narrated tale from Jennifer Latham that questions how far we've come with race relations. Some bodies won't stay buried. Some stories need to be told. When seventeen-year-old Rowan Chase finds a skeleton on her family's property, she has no idea that investigating the brutal century-old murder will lead to a summer of painful discoveries about the present and the past. Nearly one hundred years earlier, a misguided violent encounter propels seventeen-year-old Will Tillman into a racial firestorm. In a country rife with violence against blacks and a hometown segregated by Jim Crow, Will must make hard choices on a painful journey towards self discovery and face his inner demons in order to do what's right the night Tulsa burns. Through intricately interwoven alternating perspectives, Jennifer Latham's lightning-

paced page-turner brings the Tulsa race riot of 1921 to blazing life and raises important questions about the complex state of US race relations--both yesterday and today. Living with their mother who earns money as a prostitute, two sisters take care of each other and when the older one attempts suicide, the younger one tries to uncover the reason. In *Vicky Swanky Is a Beauty*, Diane Williams lays bare the urgency and weariness that shape our lives in stories honed sharper than ever. With sentences auguring revelation and explosion, Williams's unsettling stories—a cryptic meeting between neighbors, a woman's sexual worries, a graveside discussion, a chimney on fire—are narrated with razor-sharp tongues and naked, uproarious irreverence. These fifty stories hum with tension, each one so taut that it threatens to snap and send the whole thing sprawling—the mess and desire, the absurdity and hilarity, the bruises and bleedings, the blushes and disappointments and secrets. An audacious, unruly tour de force, *Vicky Swanky Is a Beauty* cements Diane Williams' position as one of the best practitioners of the short form in literature today. "When twelve-year-old Libby's grandfather dies of a heart attack, it's up to her—and his spirit—to find a way to help her father overcome his grief and for their family to find peace."-- "Told through an intimate family portrait . . . a moving account of a vivid historic migration; an unyielding and dogged journey of the human spirit." —Walter Mosley, *New York Times*—bestselling author

Now an award-winning film directed by Jeanette Kong This powerful debut tells the story of Paula Williams Madison's Chinese grandfather, Samuel Lowe. He became romantically involved with a Jamaican woman, Paula's grandmother, and they lived together modestly with their daughter in his Kingston dry goods store. In 1920 his Chinese soon-to-be wife arrived to set up a "proper" family. When he requested to take his three-year-old daughter with him, Paula's jealous grandmother made sure that Lowe never saw his child again. That began an almost one-hundred-year break in their family. Years later, the arrival of her only grandchild raising questions about family and legacy, Paula decided to search for Samuel Lowe's descendants in China. With *Finding Samuel Lowe*, Paula has produced an emotional memoir that travels from Toronto to Jamaica to China. Using old documents, digital records, and referrals from the insular and interrelated Chinese-Jamaican community, she found three hundred long-lost relatives in Shenzhen and Guangzhou, China. She even located documented family lineage that traces back three thousand years to 1006 BC. Her wonderfully warm elders, all born in Jamaica and raised in China, shared the history and accomplishments of the Lowes in the East and the West, as well as the hardships and persecution suffered by her capitalist grandfather during the Communist era and the Cultural Revolution. Documented in *Finding Samuel Lowe*, Paula's remarkable journey "will produce more OMG moments than any prime-time drama on cable or Netflix could ever hope to elicit" (Essence). The definitive account of the lynching of twenty-three-year-old Matthew Williams in Maryland, the subsequent investigation, and the legacy of "modern-day" lynchings. On December 4, 1931, a mob of white men in Salisbury, Maryland, lynched and set ablaze a twenty-three-year-old Black man named Matthew Williams. His gruesome murder was part of a wave of silent white terrorism in the wake of the stock market crash of 1929, which exposed Black laborers to white rage in response to economic anxieties. For nearly a century, the lynching of Matthew Williams has lived in the shadows of the more well-known incidents of racial terror in the deep South, haunting both the Eastern Shore and the state of Maryland as a whole. In *The Silent Shore*, author Charles L. Chavis Jr. draws on his discovery of previously unreleased investigative documents to meticulously reconstruct the full story of one of the last lynchings in Maryland. Bringing the painful truth of anti-Black violence to light, Chavis breaks the silence that surrounded Williams's death. Though Maryland lacked the notoriety for racial violence of Alabama or Mississippi, he writes, it nonetheless was the site of at least 40 spectacle lynchings after the abolition of slavery in 1864. Families of lynching victims rarely obtained any form of actual justice, but Williams's death would have a curious afterlife: Maryland's politically ambitious governor Albert C. Ritchie would, in an attempt to position himself as a viable challenger to FDR, become one of the first governors in the United States to investigate the lynching death of a Black person. Ritchie tasked Patsy Johnson, a member of the Pinkerton detective agency and a former prizefighter, with going undercover in Salisbury and infiltrating the mob that murdered Williams. Johnson would eventually befriend a young local who admitted to participating in the lynching and who also named several local law enforcement officers as ringleaders. Despite this, a grand jury, after hearing 124 witness statements, declined to indict the perpetrators. But this denial of justice galvanized Governor Ritchie's Interracial Commission, which would become one of the pioneering forces in the early civil rights movement in Maryland. Complicating historical narratives associated with the history of lynching in the city of Salisbury, *The Silent Shore* explores the immediate and lingering effect of Williams's death on the politics of racism in the United States, the Black community in Salisbury, the broader Eastern Shore, the state of Maryland, and the legacy of "modern-day lynchings." "Imagine Anna Quindlen or Sue Miller turning her attention to writing a young adult novel, and you have an idea what [Williams] has done for early teen readers..." --Audrey Coulombis, author of the Newbery Honor Book *Getting Close to Baby*

Thirteen-year-old Lacey wakes to a beautiful summer morning excited to begin her new job at the library, just as her mother is supposed to start work at the grocery store. Lacey hopes that her mother's ghosts have finally been laid to rest; after all, she seems so much better these days, and they really do need the money. But as the hours tick by and memories come flooding back, a day full of hope spins terrifyingly out of control.... "No one can get inside the head and heart of a 13-year-old girl better than Carol Lynch Williams, and I mean no one," said James S. Jacobs, Professor of Children's Literature at Brigham Young University, of her breakout novel, *The Chosen One*. Now this award-winning YA author brings us an equally gripping story of a girl who loves her mother, but must face the truth of what life with that mother means for both of them. On February 25, 1946, African Americans in Columbia, Tennessee, averted the lynching of James Stephenson, a nineteen-year-old, black Navy veteran accused of attacking a white radio repairman at a local department store. That night, after Stephenson was safely out of town, four of Columbia's police officers were shot and wounded when they tried to enter the town's black business district. The next morning, the Tennessee Highway Patrol invaded the district, wrecking establishments and beating men as they arrested them. By day's end, more than one hundred African Americans had been jailed. Two days later, highway patrolmen killed two of the arrestees while they were awaiting release from jail. Drawing on oral interviews and a rich array of written sources, Gail Williams O'Brien tells the dramatic story of the Columbia "race riot," the national attention it drew, and its surprising legal aftermath. In the process, she illuminates the effects of World War II on race relations and the criminal justice system in the United States. O'Brien argues that the Columbia events are emblematic of a nationwide shift during the 1940s from mob violence against African Americans to increased confrontations between blacks and the police and courts. As such, they reveal the history behind such contemporary conflicts as the Rodney King and O. J. Simpson cases. For as long as she can remember, Sarah's family life has revolved around her twin sister, Annie—the pretty one, the social one, the girl who can do anything. The person everyone seems to wish Sarah—with her crippling shyness—could simply become. When Annie suddenly chops off her hair, quits beauty pageants, and gains weight, the focus changes—Annie is still the star of the family, but for all the wrong reasons. Sarah knows something has happened, but she too is caught in her own spiral after her boyfriend breaks up with her and starts hanging out with one of Annie's old friends. Annie is intent on keeping her painful secret safe. But when she and Sarah start spending time together again for the first time in years, walls start to break on both sides . . . and words that had been left unsaid could change everything. Can Chicken Frank prove he's related to a T.rex? Chicken Frank wants to prove he's related to a T.rex—because of evolution!—but none of the other farm animals believe him, until he gets his DNA test results. This comic-book style picture book combines information with humor to explore the concept of evolution and the connection between birds and dinosaurs.

Thank you for reading **Waiting Carol Lynch Williams** . As you may know, people have look numerous times for their chosen readings like this Waiting Carol Lynch Williams , but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful virus inside their laptop.

Waiting Carol Lynch Williams is available in our book collection an online access to it is set as public so you can download it instantly. Our books collection hosts in multiple countries, allowing you to get the most less latency time to download any of our books like this one. Kindly say, the Waiting Carol Lynch Williams is universally compatible with any devices to read

When people should go to the book stores, search instigation by shop, shelf by shelf, it is in fact problematic. This is why we offer the book compilations in this website. It will entirely ease you to see guide **Waiting Carol Lynch Williams** as you such as.

By searching the title, publisher, or authors of guide you really want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be every best place within net connections. If you aspire to download and install the Waiting Carol Lynch Williams , it is totally simple then, back currently we extend the colleague to buy and make bargains to download and install Waiting Carol Lynch Williams correspondingly simple!

If you ally craving such a referred **Waiting Carol Lynch Williams** ebook that will have the funds for you worth, acquire the enormously best seller from us currently from several preferred authors. If you desire to entertaining books, lots of novels, tale, jokes, and more fictions collections are moreover launched, from best seller to one of the most current released.

You may not be perplexed to enjoy all book collections Waiting Carol Lynch Williams that we will completely offer. It is not going on for the costs. Its very nearly what you infatuation currently. This Waiting Carol Lynch Williams , as one of the most in force sellers here will utterly be in the middle of the best options to review.

Recognizing the artifice ways to acquire this books **Waiting Carol Lynch Williams** is additionally useful. You have remained in right site to start getting this info. get the Waiting Carol Lynch Williams partner that we find the money for here and check out the link.

You could buy lead Waiting Carol Lynch Williams or acquire it as soon as feasible. You could quickly download this Waiting Carol Lynch Williams after getting deal. So, similar to you require the book swiftly, you can straight acquire it. Its as a result enormously easy and thus fats, isnt it? You have to favor to in this broadcast
