The Girl Is Murder 1 Kathryn Miller Haines

The Girl Is Murder Kathryn Miller Haines, 2011-07-19 15 year old Iris Anderson is only too happy to lend a hand at her father's detective agency. The only problem is he doesn't want her help. Iris quickly masters the art of deception in this YA novel for fans of *Veronica Mars*.

The Girl Is Trouble Kathryn Miller Haines, 2012-07-03 Iris Anderson and her father have finally come to an understanding. Iris is allowed to help out at her Pop's detective agency as long as she follows his rules and learns from his technique. But when Iris uncovers details about her mother's supposed suicide suddenly Iris is thrown headfirst into her most intense and personal case yet.

The War Against Miss Winter Kathryn Miller Haines, 2009-10-13 It's 1943 and the war escalating in Europe and the Pacific seems far away. But for aspiring actress Rosie Winter the war feels as if it were right in New York City. What with food rationing and frequent blackouts and a boyfriend she hasn't heard word one from since he enlisted in the navy. Now her rent is coming due and she hasn't been cast in anything for six months. The factories are desperate for women workers but Rosie the Thespian isn't about to become Rosie the Riveter so she grabs a part-time job at a seamy lowbrow detective agency instead. However there's more to the Big City gumshoe game than chasing lowlife cheating spouses. When her boss turns up dead Rosie finds herself caught up in a ticklish high society mystery mingling with mobsters and searching for a notorious missing script. Maybe she has no crime fighting experience but Rosie certainly knows how to act the role. No matter how the war against Miss Winter turns out it's not going to end with her surrender. Evocative, entertaining and wonderfully original Kathryn Miller Haines's *War Against Miss Winter* introduces not only an unforgettable new sleuth but also an exciting new voice in the mystery genre with a fast-paced tale of murder and deception that brings the World War II era vividly to life.

The Winter of Her Discontent Kathryn Miller Haines, 2009-10-06 It's tough shooting for stardom when there's a war on. But Rosie's got enough pluck for two. She's willing to stumble around in a Broadway dance chorus that she has no right to be a part of in a musical that's got flop written all over it. And all the while she's worrying about her missing in action soldier boyfriend who hasn't written in months. Lately she's also been keeping bad company with her mob muscle pal Al who's dabbling in a host of shady money-making enterprises in this time of shortages and rationing. But despite his illicit line of work Al's no killer. When the cops finger him for his girlfriend's murder Rosie and Jayne, her close compatriot fellow castmate, set out to clear big Al's name and plunge into an intricate backstage drama featuring a bevy of suspiciously well-dressed wannabe starlets. But the plot could soon be taking another lethal turn bringing a final curtain down on Rosie, Jayne, and all their good intentions.

[Winter in June](#) Kathryn Miller Haines, 2009-05-13 New York 1943. Aspiring actress Rosie Winter has been marooned in New York throughout the war. Now faced with the news that her ex-boyfriend Jack might not be coming home again she's desperate to leave the home front and head for the war front. So when Rosie and her best pal Jayne get an offer to go to the South Pacific to perform with USO

Camp Shows they jump at the chance But being a greasepaint soldier isn't as easy as they had hoped Not only are the cast members surly the schedules inhumane and the housing conditions primitive but they also have to travel with a major and majorly difficult Hollywood star But none of that is as bad as living in a war zone and when tragedy strikes Rosie and Jayne are left wondering if they are being targeted by the enemy or if something far more sinister is afoot **One Lie Too Many** Eileen Cook,2019-03-05 When a seemingly harmless prank turns deadly seventeen year old Skye Thorn realizes the people she's involved with are willing to kill to get what they want and she must discover their true identities before it's too late

The Girl Is Murder Kathryn Miller Haines,2011-07-19 Iris Anderson is only 15 but she's quickly mastering the art of deception in this YA novel for fans of Veronica Mars It's the Fall of 1942 and Iris's world is rapidly changing Her Pop is back from the war with a missing leg limiting his ability to do the physically grueling part of his detective work Iris is dying to help especially when she discovers that one of Pop's cases involves a boy at her school Now instead of sitting at home watching Deanna Durbin movies Iris is sneaking out of the house double crossing her friends and dancing at the Savoy till all hours of the night There's certainly never a dull moment in the private eye business Violins of Autumn Amy McAuley,2012-06-19

The Huntington Family in America Huntington Family Association,1915 *Khobar Towers: Tragedy and Response* Perry D. Jamieson,2008 This account of the Khobar Towers bombing tells the story of the horrific attack and the magnificent response of airmen doing their duty under nearly impossible circumstances None of them view their actions as heroic yet the reader will marvel at their calm professionalism All of them say it was just their job but the reader will wonder how they could be so well trained to act almost instinctively to do the right thing at the right time None of them would see their actions as selfless yet countless numbers refused medical attention until the more seriously injured got treatment Throughout this book the themes of duty commitment and devotion to comrades resoundingly underscore the notion that America s brightest bravest and best wear her uniforms in service to the nation This book is more than heroic actions though for there is also controversy Were commanders responsible for not adequately protecting their people What should one make of the several conflicting investigations following the attack Dr Jamieson has not shied away from these difficult questions and others but has discussed them and other controversial judgments in a straightforward and dispassionate way that will bring them into focus for everyone It is clear from this book that there is a larger issue than just the response to the bombing It is the issue of the example set by America s airmen Future airmen who read this book will be stronger and will stand on the shoulders of those who suffered and those who made the ultimate sacrifice **Letter From a Dead Man** Sharon Healy-Yang,2018-08-23 Spring 1945 WWII may be crashing to a close but Jessica and Liz Minton s hopes for the future are short lived as they become entrapped in a noir world of intrigue and murder Jessica s beloved is missing in action in Europe leaving her on her own to save herself and those she cares about from the shadows of a dark past entangling them in false identities a cut throat search for stolen jade and murder Join Jessica and Liz as they strive to restore a friend s family honor to save Elizabeth s love from the deadly frame up of a predatory socialite with underworld connections to outsmart two dogged detectives and to deal with an F B I agent from Jessica s past with secrets of his own all without getting themselves killed It s enough to make Dusty the cat s fur stand on end **The Fear** Natasha Preston,2024-09-26 Get ready for another heart racing twist filled thriller from the 1 NEW YORK TIMES bestselling author NATASHA PRESTON ARE YOU AFRAID OF DYING It s just a stupid meme that s going around Izzy s small fishing town in the dead of winter people reposting and sharing their biggest fear But when her classmates start turning up dead dying in the way that they said scared them the most Izzy knows it s no joke With each
