Engaging the Six Cultures of the Academy William H. Bergquist, Kenneth Pawlak, 2007-10-19 In *The Four Cultures of the Academy* William H. Bergquist identified four different yet interrelated cultures found in North American higher education: collegial, managerial, developmental, and advocacy In this new and expanded edition of that classic work Bergquist and coauthor Kenneth Pawlak propose that there are additional external influences in our global culture that are pressing upon the academic institution forcing it to alter the way it goes about its business Two new cultures are now emerging in the academic institution as a result of these global external forces: the virtual culture prompted by the technological and social forces that have emerged over the past twenty years and the tangible culture which values its roots, community, and physical location and has only recently been evident as a separate culture partly in response to the emergence of the virtual culture These two cultures interact with the previous four creating new dynamics

The Leadership Code Dave Ulrich, Norm Smallwood, Kate Sweetman, 2009-01-08 What makes a great leader? It's a question that has been tackled by thousands. In fact, there are literally tens of thousands of leadership studies, theories, frameworks, models, and recommended best practices. But where are the clear, simple answers we need for our daily work lives? Are there any? Dave Ulrich, Norm Smallwood, and Kate Sweetman set out to answer these questions to crack the code of leadership. Drawing on decades of research, experience, the authors conducted extensive interviews with a variety of respected CEOs, academics, experienced executives, and seasoned consultants and heard the same five essentials repeated again and again. These five rules became *The Leadership Code*. In *The Leadership Code*, the authors break down great leadership into day-to-day actions so that you know what to do Monday morning. Crack the leadership code and take your leadership to the next level!

Leading Colleges and Universities Stephen Joel Trachtenberg, Gerald B. Kauvar, E. Gordon Gee, 2018-04-16 How experienced college and university leaders guide successful institutions and why they sometimes lose their way Today's college and university leaders face complex problems that test their political acumen as well as their judgment intellect empathy and ability to plan and improvise How do they thoughtfully and creatively rise to the challenge In *Leading Colleges and Universities* editors Stephen Joel Trachtenberg Gerald B. How to Run a College Brian C. Mitchell, W. Joseph King, 2018-01-15 How can colleges stay relevant in the twenty first century Residential colleges are the foundation on which US higher education is based These institutions possess storied traditions fondly cherished by students alumni and faculty There is no denying however that all colleges today struggle with changing consumer preferences high sticker prices and aging infrastructure Technological and pedagogical alternatives not to mention growing political pressure present complex challenges What can colleges and smaller universities do to stay relevant in today's educational and economic climate In their concise guide *How to Run a College* Brian C. Mitchell and W. Joseph King analyze how colleges operate Widely experienced as trustees administrators and faculty they understand that colleges must update their practices monetize their assets and focus on core educational strategies in order to build strong institutions Mitchell and King offer a frank yet optimistic vision for how colleges can change without losing their fundamental strengths To survive and become sustainable they must be centers of dynamic learning as well as economic engines able to power regional state and national economies Rejecting the notion that American colleges are holdovers from a bygone time *How to Run a College* shows instead that they are centers of experimentation and innovation that heavily influence higher education not only in the United States but also worldwide
