# A Theology Of Liberation Gustavo Gutierrez

A Theology of Liberation Gustavo Gutiérrez, 1988-01-01 This is the credo and seminal text of the movement which was later characterized as liberation theology. The book burst upon the scene in the early seventies and was swiftly acknowledged as a pioneering and prophetic approach to theology which famously made an option for the poor, placing the exploited, the alienated and the economically wretched at the centre of a programme where the oppressed and maimed and blind and lame were prioritized at the expense of those who either maintained the status quo or who abused the structures of power for their own ends. This powerful, compassionate and radical book attracted criticism for daring to mix politics and religion in so explicit a manner but was also welcomed by those who had the capacity to see that its agenda was nothing more nor less than to give good news to the poor and redeem God's people from bondage. **Gustavo Gutierrez** Robert McAfee Brown, 2013-03-01 Here is a definitive introduction to liberation theology through the life and work of its most significant proponent, Gustavo Gutierrez. Robert McAfee Brown draws extensively on Gutierrez's own writings, some never published in English, and on personal conversations with him. Brown clearly and compellingly presents the basics of liberation theology and the differences between North American and Latin American theologies. The form of Gustavo Gutierrez is that of a drama. Brown's initial program notes introduce and situate the author, the actors, the critics. He sets the stage with a history of church and state in Latin America and introduces its definitive figures, themes and milestones. A collective biography of Gutierrez's spiritual predecessors is followed by a biography of Gutierrez himself which takes critical account of his works. Then we are ready, dramatically and theologically, to move to the first act, that of commitment to the poor. The second act, in two scenes, explores first liberation theology's method of critical reflection on praxis and also its content, nothing less than the Word of God. Brown delves next into the controversies and criticisms Gutierrez faces, especially the challenges from authorities in Rome. Finally, in act three, readers discover that in this particular drama they too are on stage and must take part by reflecting on what this drama really means for them. *A Theology of Liberation* Gustavo Gutiérrez, 2001 This is the credo and seminal text of the movement known as liberation theology. The book burst upon the theological scene in the early seventies and was swiftly acknowledged as a pioneering and prophetic approach which famously made a preferential option for the poor, placing the exploited and the economically downtrodden at the centre of a programme to redeem God's people from bondage. **BOOK JACKET Essential Writings** Gustavo Gutiérrez, James B. Nickoloff, 1996 Drawing from all of his many published books as well as little-known essays and several pieces translated specially for this volume, Gustavo Gutierrez's *Essential Writings* provides an overview and an entry into the mind of a great modern Christian thinker. Twenty-five years after the publication of his classic work *A Theology of Liberation*, this anthology offers a comprehensive view of the work of this Peruvian priest and theologian. Gutierrez has permanently altered the modern theological landscape, challenging all

theologians and the world church to hear the gospel message from the underside of history from the perspective of the poor and oppressed

**An Analysis of Gustavo Gutiérrez's A Theology of Liberation** Marthe Hesselmanns,Jonathan Teubner,2017-07-05 Peruvian priest Gustavo Gutierrez wanted to solve the problem of how the church could conduct itself to improve the lives of the poor while consistently positioning itself as politically neutral Despite being a deeply religious man Gutierrez was extremely troubled by the lukewarm way in which Christians in general and the Catholic Church in particular acknowledged and supported the poor In A Theology of Liberation he asked what he knew was an awkward question and came to an awkward answer the Church cannot separate itself from economic and political realities Jesus showed his love for the poor in practical ways healing the sick feeding the hungry liberating the oppressed His example showed Gutierrez that economic political social and spiritual development are all deeply connected His problem solving prowess then led him to conclude that the church had to become politically active if it was to confront poverty and oppression across the world For Gutierrez the lives of the poor and oppressed directly reflect the divine life of God

Groody, 2007-04-01 Since the publication of Gustavo Gutiérrez's 1973 groundbreaking work *A Theology of Liberation* much has been written on liberation theology and its central premise of the preferential option for the poor Arguably this has been one of the most important yet controversial theological themes of the twentieth century As globalization creates greater gaps between the rich and the poor and as the situation for many of the world's poor worsens there is an ever greater need to understand the gift and challenge of Christian faith from the context of the poor and marginalized of our society This volume draws on the thought of leading international scholars and explores how the Christian tradition can help us understand the theological foundations for the option for the poor The central focus of the book revolves around the question How can one live a

Christian life in a world of destitution The contributors are concerned not only with a social economic or political understanding of poverty but above all with the option for the poor as a theological concept While these essays are rooted in a solid grounding of our present reality they look to the past to understand some of the central truths of Christian faith and to the future as a source of Christian hope Following Gustavo Gutierrez's essay on the multidimensionality of poverty Elsa Tamez Hugh Page Jr Brian Daley and Jon Sobrino identify a central theological premise poverty is contrary to the will of God Drawing on scripture the writings of the early fathers the witness of Christian martyrs and contemporary theological reflection they argue that poverty represents the greatest challenge to Christian faith and discipleship David Tracy and J Matthew Ashley carry their reflection forward by examining the option for the poor in light of apocalyptic thought Virgilio Elizondo Patrick Kalilombe Mar a Pilar Aquino M Shawn Copeland and Mary Catherine Hilkert examine the challenges of poverty with respect to culture Africa race and gender Casiano Floristán and Luis Maldonado explore the relationship between poverty sacramentality and popular religiosity The final two essays by Aloysius Pieris and Michael Signer consider the option for the poor in relationship to other major world religions particularly an Asian theology of religions and the meaning of care for the poor within Judaism *Toward a Jewish Theology of Liberation* Marc H. Ellis, Julia Neuberger, 2003-01-02 Marc Ellis fine book about the future of the Jewish community was first published in 1987 But twenty years on in the light of recent events in the Middle East and post September 11 its powerful message of hope directed towards a people poised between Holocaust and empowerment remains as powerful apposite and pressingly relevant as it was before Ellis begins with two poles the holocaust and the pain and vision that issue from it This leads him into ethics and he highlights the contrast between the depth of Jewish ethical commitment and the paucity of renewal movements within Judaism The author then addresses all suffering peoples and the Christian liberation movements active among them so that the holocaust may be set in a wider context Against this background Ellis sees it as essential that the journeys and visions of dissenting Jews such as Etty Hillesum and Martin Buber should be re appraised An alternative perspective of what it means to be Jewish begins to emerge and in the final chapter a Jewish theology of liberation is essayed which is a theology prepared to enter the danger zones of contemporary Jewish life often at some cost [Origins of Gustavo Gutiérrez' A Theology of Liberation](#) John Ronald Blue, 1989 **Las Casas** Gustavo Gutierrez, 2003-01-22 In this passionate work the pioneering author of *A Theology of Liberation* delves into the life thought and contemporary meaning of Bartolome de Las Casas sixteenth century Dominican priest prophet and Defender of the Indians in the New World Writing against the backdrop of the fifth centenary of the conquest of the Americas Gutierrez seeks in the remarkable figure of Las Casas the roots of a different history and a gospel uncontaminated by force and exploitation
