*The Great Christmas Knit-Off* Oct 13 2021 In the tradition of Trisha Ashley and Jenny Colgan, this first book in a new series by Alexandra Brown—author of the popular Cupcakes at Carrington's series—tells the hilarious, heartwarming story of a jilted bride who anticipates a lonely Christmas but instead finds herself in the tiny village of Tindledale, where the residents share her obsession with knitting. When life unravels, it's time to knit... Sybil has always taken comfort in her passion for knitting, creating beautiful knits stitch by stitch. But her world suddenly unravels when her fiancé ditches her for her identical twin sister at her Star Wars-themed wedding, leaving her sporting a Princess Leia do. Then things go from bad to worse when an incident at work jeopardizes her job. Hoping to escape her woes and forget that she'll be alone for Christmas this year, she visits her friend in Tindledale—a winter wonderland of quaint shops and snowy rooftops. When she arrives in the idyllic town, she can't help feeling like she's in a Hallmark greeting card. She's embraced by welcoming—if eccentric—locals wearing handmade knits that remind Sybil of her own creations as well as her unrealized ambitions of selling them. So when the vintage boutique asks her to make an assortment of knits for their display

window, she's thrilled. The hot town doctor has even taken an interest in Sybil, hoping to heal her broken heart. But just when Sybil thinks she's going to have her fairytale Christmas after all, an unexpected turn of events threatens to unspool her happily ever after.

*My Bestie's Dad* Sep 23 2022 I went to a depraved club and came out pregnant by my best friend's dad. Some girls have all the luck. They meet their man, get married, and start cranking out babies. But I'm not like that. I like things a little different, so I go to the place that satisfies those dark desires: The Cube. What we do in the club is off-limits and taboo to normal society, but it scratches an itch I have deep inside. Unfortunately, one night I meet a man at the Cube who takes my breath away. He's just as dark, dangerous and twisted as me, but then his mask falls away ... AND IT'S MY BEST FRIEND'S DAD! Omg, I've had a crush on Brent Marshall for years. And now he's being naughty with me, his daughter's childhood buddy. What do we do? Or more accurately, what happens when I get pregnant from our illicit encounter? Hold onto your horses because Jane Cuesta is a bad girl. She's got an innocent exterior, but the curvy girl likes things a certain way and Brent Marshall is just the man to give her what she needs. Sure, he's known her since she was practically a baby, but that's why it's so forbidden ... and so mind-blowingly yummy! No cheating, no cliffhangers, and always a HEA for my readers. This book features characters that initially appeared in *My Dad's Business Partner*, but both books are standalones and can be read on their own. You'll love them, I promise! Xoxo, Cassandra

**His Obsession** Sep 11 2021 Oh, the heat is HOT, and the physical  
chemistry is captivating so be careful you may just get burned all the  
heat coming off these pages. - Dee, Goodreads Reviewer I've watched  
her, looked after her, and now I need to protect her. Alek operates,  
unapologetically, in a dark and violent underworld, where the ruthless  
determination he exerts there brings him and his long-time friends to the  
top of their game. Loyalty is key, and what binds their friendship  
together. When Alek comes into Liz's world following a chance meeting,  
she isn't even aware of, his obsession is born, and with it the  
determination to protect her at all costs from a violent past that will  
come to threaten them both. More alike than they can know, loyalty and  
determination have driven Liz through a life that should have made her  
weak and vulnerable, but instead only made her stronger. Though  
steamy encounters with Alek cloud her judgement, Liz fights him every  
step of the way, pushing the skills of his team and his patience to the  
limit as they approach an inevitable showdown. Obsession, desire, and  
revenge drive a tale of dark secrets, and a race against time.

**To My Arrogant Boss** Jan 08 2024 To Mr. Tate Howard, You are quite  
possibly the most infuriating, annoying and grumpy man I've ever met in  
my life. I know you think that you're God's gift to women, but I have a  
secret to let you in on: you're not. You're God's gift to yourself. Get over  
your wanna-be cool surfer self and grow up. I thought it was time that  
someone addressed your big head and told you straight to your face that  
you're not all that. Just because you have an Ivy league education doesn't  
mean you're the smartest man in the world. In fact, I'm not even sure if  
you would have gotten in if you didn't have rich parents. Yes, I went  
there. Every woman doesn't want to sleep with you and I'm sure you're  
not even good in bed. And I'm someone that would know. From, Your  
Secret Not Admirer

*Hammered* Jun 01 2023 I didn't mean to kidnap the groom. It was an  
accident. Mostly... At least I didn't take much time to plan it. It was more  
of a spur of the moment kidnapping. Does that count? One minute, the  
town's bad boy is standing at the altar about to marry the world's most  
evil kindergarten teacher. The next, he's passed out in my Vespa sidecar  
with his bride hot on our tail. But I didn't have a choice! I couldn't stand  
by and watch Jace O'Dell be blackmailed into a loveless marriage. And  
besides, what's a little kidnapping between friends? Okay, so maybe  
we're not just friends... And maybe I can't quit thinking about that night  
at his bar when he closed up early and had me on the rocks. And maybe  
this crazy stunt is going to blow up in both of our faces. If it does, I'm  
blaming the moonshine. Even though the only thing I'm hammered on  
when it comes to Jace is love—straight up, no chaser.

extracurriculars, and tumultuously juicy social lives, all while living in

able to maintain his relationship with the "it girl" Sierra Jones? Will  
Trisha find love with outsider Ray Martinez and figure out what's going

Stranger? Welcome to Winchester High, a prestigious college

I am Cassius, the King of the immortals, A Dark One. And today I tasted fear for the first time. How can I win her when my human emotions overtake every ounce of logic I possess? A darkness is brewing. One I cannot stop as a human. One that Stephanie, my love's visions, have shown will be my end. Thirty days ago I was King of the immortals. Today I know fear. Today I know how I will die. By her hand. The woman I love.

**Death Waits in the Dark** May 12 2024 It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As

Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.
