Harvest of Empire Juan González,2011

News for All the People: The Epic Story of Race and the American Media Juan González, Joseph Torres, 2011-10-31 A landmark narrative history of American media that puts race at the center of the story Here is a new sweeping narrative history of American news media that puts race at the center of the story From the earliest colonial newspapers to the Internet age America's racial divisions have played a central role in the creation of the country's media system just as the media has contributed to and every so often combated racial oppression News for All the People reveals how racial segregation distorted the information Americans received from the mainstream media It unearths numerous examples of how publishers and broadcasters actually fomented racial violence and discrimination through their coverage And it chronicles the influence federal media policies exerted in such conflicts It depicts the struggle of Black Latino Asian and Native American journalists who fought to create a vibrant yet little known alternative democratic press and then beginning in the 1970s forced open the doors of the major media companies The writing is fast paced story driven and replete with memorable portraits of individual journalists and media executives both famous and obscure heroes and villains It weaves back and forth between the corporate and government leaders who built our segregated media system such as Herbert Hoover whose Federal Radio Commission eagerly awarded a license to a notorious Ku Klux Klan organization in the nation's capital and those who rebelled against that system like Pittsburgh Courier publisher Robert L Vann who led a remarkable national campaign to get the black face comedy Amos n Andy off the air Based on years of original archival research and up to the minute reporting and written by two veteran journalists and leading advocates for a more inclusive and democratic media system News for All the People should become the standard history of American media

Reclaiming Gotham Juan González, 2017-09-05 How Bill de Blasio's mayoral victory triggered a seismic shift in the nation's urban political landscape and what it portends for our cities in the future In November 2013 a little known progressive stunned the elite of New York City by capturing the mayoralty by a landslide Bill de Blasio's promise to end the Tale of Two Cities had struck a chord among ordinary residents still struggling to recover from the Great Recession De Blasio's election heralded the advent of the most progressive New York City government in generations Not since the legendary Fiorello La Guardia in the 1930s had so many populist candidates captured government office at the same time Gotham in other words had been suddenly reclaimed in the name of its people How did this happen De Blasio's victory journalist legend Juan González argues was not just a routine change of government but a popular rebellion against corporate friendly policies that had dominated New York for decades Reflecting that broader change liberal Democrats Bill Peduto in Pittsburgh Betsy Hodges in Minneapolis and Martin Walsh of Boston also won mayoral elections that same year as did insurgent Ras Baraka in Newark the following year This new generation of municipal leaders offers valuable lessons for those seeking grassroots reform

The Columbia History of Latinos in the United States Since 1960 David G. Gutiérrez, 2004-07-20 Latinos are now the largest so called minority group in the United States the result of a growth trend that began in the mid twentieth century and the influence of Latin cultures on American life is reflected in everything from politics to education to mass cultural forms such as music and television Yet very few volumes have attempted to analyze or provide a context for this dramatic historical development The Columbia History of Latinos in the United States Since 1960 is among the few comprehensive histories of Latinos in America This collaborative interdisciplinary volume provides not only cutting edge interpretations of recent Latino history including essays on the six major immigrant groups Mexicans Cubans Puerto Ricans Dominicans Central Americans and South Americans but also insight into the major areas of contention and debate that characterize Latino scholarship in the early twenty first century This much needed book offers a broad overview of this era of explosive demographic and cultural change by exploring the recent histories of all the major national and regional Latino subpopulations and reflecting on what these historical trends might mean for the future of both the United States and the other increasingly connected nations of the Western Hemisphere While at one point it may have been considered feasible to explore the histories of national populations in isolation from one another all of the contributors to this volume highlight the deep transnational ties and interconnections that bind different peoples across national and regional lines Thus each chapter on Latino national subpopulations explores the ambiguous and shifting boundaries that so loosely define them both in the United States and in their countries of origin A multinational perspective on important political and cultural themes such as Latino gender systems religion politics expressive and artistic cultures and interactions with the law helps shape a realistic interpretation of the Latino experience in the United States

Our America: A Hispanic History of the United States Felipe Fernández-Armesto, 2014-01-20 A rich and moving chronicle for our very present Julio Ortega New York Times Book Review The United States is still typically conceived of as an offshoot of England with our history unfolding east to west beginning with the first English settlers in Jamestown This view overlooks the significance of America s Hispanic past With the profile of the United States increasingly Hispanic the importance of recovering the Hispanic dimension to our national story has never been greater This absorbing narrative begins with the explorers and conquistadores who planted Spain s first colonies in Puerto Rico Florida and the Southwest Missionaries and rancheros carry Spain s expansive impulse into the late eighteenth century settling California mapping the American interior to the Rockies and charting the Pacific coast During the nineteenth century Anglo America expands west under the banner of Manifest Destiny and consolidates control through war with Mexico In the Hispanic resurgence that follows it is the peoples of Latin America who overspread the continent from the Hispanic heartland in the West to major cities such as Chicago Miami New York and Boston The United States clearly has a Hispanic present and future And here is its Hispanic past presented with characteristic insight and wit by one of our greatest historians

A Century of Chicano History Raul E. Fernandez, Gilbert G. Gonzalez, 2012-11-12 This study argues for a radically new interpretation of the origins and evolution of the ethnic Mexican community across the US This book offers a definitive account of the interdependent histories of the US and Mexico as well as the making of the Chicano population in America The authors link history to contemporary issues emphasizing the overlooked significance of late 19th and 20th century US economic expansionism to Europe in the formation of the Mexican community

The Line Between Us Bill Bigelow, 2006-01-01 Features lessons and readings on the history of the Mexican border and discusses both sides of the current debate on Mexican immigration

Everything You Need to Know About Latino History Himilce Novas,2007-11-27 The popular primer to Latino life and culture Latinos represent the fastest growing ethnic population in the United States In an accessible and entertaining question and answer format this completely revised 2008 edition provides the most current perspective on Latino history in the making including New Mexico governor Bill Richardson s announced candidacy for the 2008 presidential election Ugly Betty the hit ABC TV show based on the Latino telenovela phenomenon The number of Latino players in Major League baseball surpassing the 25 percent mark Immigration legislation and the battle over the Mexican border The state of Castro s health and what it means for Cuba More than ever this concise yet comprehensive reference guide is the ideal introduction to the vast and varied history and culture of this multifaceted ethnic group

A People's History of American Empire Howard Zinn, Mike Konopacki, Paul Buhle, 2008-04 Adapted from the critically acclaimed chronicle of U S history a study of American expansionism around the world is told from a grassroots perspective and provides an analysis of important events from Wounded Knee to Iraq

Latinos and U.S. Foreign Policy Rodolfo O. De la Garza, Harry Pachon, 2000 Public policy elites and the general U S public doubt the depth of Latino patriotism suspecting Latinos of representing their homelands interests over and above those of the U S Through a series of studies surveying Latinos throughout the U S this book demonstrates that Latino Americans are more like other Americans with respect to foreign policy than is popularly assumed

The Battle for Paradise Naomi Klein, 2018-06-05 Fearless necessary reporting Klein exposes the battle of utopias that is currently unfolding in storm ravaged Puerto Rico Junot Diaz author of *The Brief Wondrous Life of Oscar Wao* We are in a fight for our lives Hurricanes Irma and Maria unmasked the colonialism we face in Puerto Rico and the inequality it fosters creating a fierce humanitarian crisis Now we must find a path forward to equality and sustainability a path driven by communities not investors And this book explains with careful and unbiased reporting only the efforts of our community activists can answer the paramount question What type of society do we want to become and who is Puerto Rico for Carmen Yulín Cruz Mayor of San Juan Puerto Rico In the rubble of Hurricane Maria Puerto Ricans and ultrarich Puertopians are locked in a pitched struggle over how to remake the island In this vital and startling investigation bestselling author and activist Naomi Klein uncovers how the forces of shock politics and disaster capitalism seek to undermine the nation s radical resilient vision for a just recovery All royalties from the sale of this book in English and Spanish go directly to JunteGente a gathering of Puerto Rican organizations resisting disaster capitalism and advancing a fair and healthy recovery for their island Klein chronicles the extraordinary grassroots resistance by the Puerto Rican people against neoliberal privatization and Wall Street greed in the aftermath of the island s financial meltdown of hurricane devastation and of Washington s imposition of an outside control board over the most important U S colony Juan González cohost of Democracy Now and author of *Harvest of Empire A History of Latinos in America*

Latino Americans Ray Suarez, 2013-09-03 THE COMPANION BOOK TO THE PBS DOCUMENTARY SERIES Latino Americans chronicles the rich and varied history of Latinos who have helped shaped our nation and have become with more than fifty million people the largest minority in the United States This companion to the landmark PBS miniseries vividly and candidly tells how the story of Latino Americans is the story of our country Author and acclaimed journalist Ray Suarez explores the lives of Latino American men and women over a five hundred year span encompassing an epic range of experiences from the early European settlements to Manifest Destiny the Wild West to the Cold War the Great Depression to globalization and the Spanish American War to the civil rights movement Latino Americans shares the personal struggles and successes of immigrants poets soldiers and many others individuals who have made an impact on history as well as those whose extraordinary lives shed light on the times in which they lived and the legacy of this incredible American people

Inventing Latinos Laura E. Gómez, 2022-09-06 Named one of the Best Books of the Year by NPR An NPR Best Book of the Year exploring the impact of Latinos new collective racial identity on the way Americans understand race with a new afterword by the author Who are Latinos and where do they fit in America s racial order In this timely and important examination of Latinx identity Ms Laura E G mez a leading critical race scholar argues that it is only recently that Mexican Americans Puerto Ricans Cubans Dominicans Central Americans and others are seeing themselves and being seen by others under the banner of a cohesive racial identity And the catalyst for this emergent identity she argues has been the ferocity of anti Latino racism In what Booklist calls an incisive study of history complex interrogation of racial construction and sophisticated legal argument G mez packs a knockout punch Publishers Weekly illuminating for readers the fascinating race making unmaking and re making processes that Latinos have undergone over time indelibly changing the way race functions in this country Building on the insightful and well researched Kirkus Reviews material of the original the paperback features a new afterword in which the author analyzes results of the 2020 Census providing brilliant timely insight about how Latinos have come to self identify

Latino Politics Lisa García Bedolla, 2015-05-19 Fully revised and updated the second edition of this popular text provides students with a comprehensive introduction to Latino participation in US politics Focusing on six Latino groups Mexicans Puerto Ricans Cubans Dominicans Salvadorans and Guatemalans the book explores the migration history of each group and shows how that experience has been affected by US foreign policy and economic interests in each country of origin The political status of Latinos on arrival in the United States including their civil rights employment opportunities and political incorporation is then examined Finally the analysis follows each group s history of collective mobilization and political activity drawing out the varied ways they have engaged in the US political system Using the tension between individual agency and structural constraints as its central organizing theme the discussion situates Latino migrants and their children within larger macro economic and geo political structures that influence their decisions to migrate and their ability to adapt socially economically and politically to their new country It also demonstrates how Latinos continually have shown that through political action they can significantly improve their channels of opportunity Thus the book encourages students to think critically about what it means to be a racialized minority group within a majoritarian US political system and how that position structures Latinos ability to achieve their social economic and political goals

Aftershocks of Disaster Yarimar Bonilla, Marisol LeBrón, 2019-09-03 Two years after Hurricane Maria hit Puerto Ricans are still reeling from its effects and aftereffects Aftershocks collects poems essays and photos from survivors of Hurricane Maria detailing their determination to persevere The concept of aftershocks is used in the context of earthquakes to describe the jolts felt after the initial quake but no disaster is a singular event Aftershocks of Disaster examines the lasting effects of hurricane Maria not just the effects of the wind or the rain but delving into what followed state failure social abandonment capitalization on human misery and the collective trauma produced by the botched response

Pancho Rabbit and the Coyote Duncan Tonatiuh, 2013-05-07 Pancho Rabbit and the Coyote is an allegorical picture book about the hardships and struggles of immigration from award winning children's book author and illustrator Duncan Tonatiuh A Pura Belpré Author and Illustrator Honor Book An ALA ALSC Notable Children's Book Papa Rabbit left two years ago to travel far away north to find work in the great carrot and lettuce fields to earn money for his family When Papa does not return home on the designated day Pancho sets out to find him He packs Papa's favorite meal mole rice and beans a heap of still warm tortillas and a jug full of fresh aguamiel and heads north Along the way Pancho crosses a river climbs a fence and passes through a tunnel guarded by uniformed bribe-taking snakes He soon meets a coyote who offers to help Pancho in exchange for some of Papa's favorite foods They travel together until the food is gone and the coyote decides he is still hungry for Pancho Tonatiuh enlivens Pancho's story with the spirit of regional folklore and he adds cultural atmosphere in arresting flat folk art filled with cultural references Of course coyote has two meanings here With tenderness and honesty he brings to light the trials and tribulations facing families who seek to make better lives for themselves and their children by illegally crossing borders Incandescent humane and terribly necessary Kirkus Reviews Starred Review Pancho Rabbit's trip has the feel of a classic fable or fairy tale Publishers Weekly Starred Review

Telling Migrant Stories Esteban E. Loustaunau, Lauren E. Shaw, 2021-11-02 In the media migrants are often portrayed as criminals they are frequently dehumanized marginalized and unable to share their experiences Telling Migrant Stories explores how contemporary documentary film gives voice to Latin American immigrants whose stories would not otherwise be heard The essays in the first part of the volume consider the documentary as a medium for Latin American immigrants to share their thoughts and experiences on migration border crossings displacement and identity Contributors analyze films including Harvest of Empire Sin pa's The Vigil De nadie Operation Peter Pan Flying Back to Cuba Abuelos La Churona and Which Way Home as well as internet documentaries distributed via platforms such as Vimeo and YouTube They examine the ways these films highlight the individual agency of immigrants as well as the global systemic conditions that lead to mass migrations from Latin American countries to the United States and Europe The second part of the volume features transcribed interviews with documentary filmmakers including Luis Argueta Jenny Alexander Tin Dirdamal Heidi Hassan and Mar a Cristina Carrillo Espinosa They discuss the issues surrounding migration challenges they faced in the filmmaking process the impact their films have had and their opinions on documentary film as a force of social change They emphasize that because the genre is grounded in fact rather than fiction it has the ability to profoundly impact audiences in a way narrative films cannot Documentaries prompt viewers to recognize the many worlds migrants depart from to become immersed in the struggles portrayed and to consider the stories of immigrants with compassion and solidarity Contributors Ram n Guerra Lizardo Herrera Jared List Esteban Loustaunau Manuel F Medina Ada Ort zar Young Thomas Pi eros Shields Juan G Ramos Lauren Shaw Zaira Zarza A volume in the series Reframing Media Technology and Culture in Latin o America edited by H ctor Fern ndez L Hoeste and Juan Carlos Rodr guez
