persevered on his quest to redeem himself **Wild Lady** Liz Fielding,1997 Gabriel MacIntyre has no time for Claudia Beaumont She s so beautiful that she takes his breath away but she s used to having any man she wants Claudia Beaumont has no time for Gabriel MacIntyre he s overwhelming and arrogant But then Claudia s life is threatened and Mac is the only person she can turn to for help **Our House** Louise Candlish,2018-08-07 DON T MISS THE ORIGINAL SERIES NOW AVAILABLE ON PBS A disturbing and addictive novel of domestic suspense from an internationally bestselling author where secrets kept hidden from spouses cause shocking surprises that hit home There s nothing unusual about a new family moving in at 91 Trinity Avenue Except it s her house And she didn t sell it Fiona Lawson is sure there s been a mistake when she comes home to find strangers moving into her house She and her estranged husband Bram have a modern coparenting arrangement bird s nest custody where each parent spends a few nights a week with their two sons at the prized family home to maintain stability for their children But the system built to protect their family ends up putting them in terrible jeopardy In a domino effect of crimes and misdemeanors the nest comes tumbling down Now Bram has disappeared and so have Fiona s children As events spiral well beyond her control Fiona will discover just how many lies her husband was weaving and how little they truly know each other Bram s not the only one with things to hide though and some secrets are best kept to oneself safe as houses One of The Washington Post s 10 Best Thrillers and Mysteries of the Year One of Publishers Weekly s Best Books of the Year One of Real Simple s Best Books of the Year [Your Favorite Band Is Killing Me](#) Steven Hyden,2016-05-17 Steven Hyden explores nineteen music rivalries and what they say about life in this highly entertaining book Rolling Stone perfect for every passionate music fan Beatles vs Stones Biggie vs Tupac Kanye vs Taylor Who do you choose And what does that say about you Actually what do these endlessly argued about pop music rivalries say about us Music opinions bring out passionate debate in people and Steven Hyden knows that firsthand Each chapter in Your Favorite Band Is Killing Me focuses on a pop music rivalry from the classic to the very recent and draws connections to the larger forces surrounding the pairing Through Hendrix vs Clapton Hyden explores burning out and fading away while his take on Miley vs Sinéad gives readers a glimpse into the perennial battle between old and young Funny and accessible Hyden s writing combines cultural criticism personal anecdotes and music history and just may prompt you to give your least favorite band another chance **Women Writers and Old Age in Great Britain, 1750-1850** Devoney Looser,2008-08-01 This groundbreaking study explores the later lives and late life writings of more than two dozen British women authors active during the long eighteenth century Drawing on biographical materials literary texts and reception histories Devoney Looser finds that far from fading into moribund old age female literary greats such as Anna Letitia Barbauld Frances Burney Maria Edgeworth Catharine Macaulay Hester Lynch Piozzi and Jane Porter toiled for decades after they achieved acclaim despite seemingly concerted attempts by literary gatekeepers to marginalize their later contributions Though these remarkable women wrote and published well into old age Looser sees in their late careers the necessity of choosing among several

different paths These included receding into the background as authors of classics adapting to grandmotherly standards of behavior attempting to reshape masculinized conceptions of aged wisdom or trying to create entirely new categories for older women writers In assessing how these writers affected and were affected by the culture in which they lived and in examining their varied reactions to the prospect of aging Looser constructs careful portraits of each of her Subjects and explains why many turned toward retrospection in their later works In illuminating the powerful and often poorly recognized legacy of the British women writers who spurred a marketplace revolution in their earlier years only to find unanticipated barriers to acceptance in later life Looser opens up new scholarly territory in the burgeoning field of feminist age studies
