It seems like most people figure out where they

belong by knowing where they came from. When they look in the mirror, they see their family in their eyes, in their sharp jawlines, in the texture of their hair. When they look at family photos, they see faces of people who look like them. They see faces of people who they'll look like in the future. For me, I only have my imagination. But I'm always trying. Twelve-year-old Gabriela is trying to find their place in the world. In their body, which feels less and less right with each passing day. As an adoptee, in their all-white family. With their mom, whom they love fiercely and do anything they can to help with her depression. And at school, where they search for friends. A new year will bring a school project, trans and queer friends, and a YouTube channel that help Gabriela find purpose in their journey. "I highly recommend reading this book!" -Tony Hsieh, CEO, Zappos.com Lots of businesses are respected, but only an elite few have passionate, loyal, vocal fans. The kind of customers who not only come back time and time again, but rave to friends, family, and even strangers. The kind who can drive explosive growth via e-mail, blogs, Facebook, and Twitter. Jeanne Bliss is an expert on what it takes to earn

Bliss has studied and worked with many beloved companies, from longtime successes like Wegmans and Harley-Davidson to relatively new companies like Zappos and The Container Store. They all make the same five fundamental choices. Their reward: an army of fans who say things like, "I'd marry them if I could," and "I love you more than my dog!" I'll bathe you in bubbles and soak you in sun, then wrap you up tightly when bath time is done. Evans, is perfect for families who are separated, whatever the circumstances. Its message of love underscores the bond between parent and child in ways that little ones will understand. Tom Spanbauer's first novel in seven years is a love story triangle akin to *The Marriage Plot and Freedom*, only with a gay main character who charms gays and straights alike. *I Loved You More* is a rich, expansive tale of love, sex, and heartbreak, covering twenty-five years in the life of a striving, emotionally wounded writer. In New York, Ben forms a bond of love with his macho friend and foil, Hank. Years later in Portland, a now ill Ben falls for Ruth, who provides the care and devotion he needs, though they cannot find true happiness together. Then Hank reappears and meets Ruth, and real trouble starts. Set against a world of struggling artists, the underground sex scene of New York in the 1980s, the drab, confining Idaho of Ben's youth, and many places in between, *I Loved You More* is the author's most complex and wise novel to date. One man, three wives, the perfect murder. A scintillating novel of betrayal and conspiracy. Picasso Lane is twelve years old when her father, Oliver, is murdered at their summer beach house. Her mother, Diana, is the primary suspect—until the police discover his second wife, and then his third. The women say they have never met—but Picasso knows otherwise. Picasso remembers the morning beautiful Jewels showed up at their house, carrying the same purse as her mother, and a family portrait featuring her father with two strange boys. Picasso remembers

lifting the phone, listening to late night calls with Bert, a woman heavily pregnant with Oliver's fourth child. As the police circle and a detective named Kyle Kennedy becomes a regular fixture in their home, Picasso tries to make sense of her father's death, the depth of his deceit, and the secrets that bind these three women. Cunningly paced and plotted, *I Love You More* is a riveting novel of misplaced loyalty, jealousy, and revenge. Our cats occupy a unique space in our hearts. When they're gone, the loss can be devastating, the grief profound. P.S. One question, a split-second decision, and Brian Darby lies dead on the kitchen floor. His wife, state police trooper Tessa Leoni, claims to have shot him in self-defense, and bears the bruises to back up her tale. For veteran detective D. D. Warren it should be an open-and-shut case. But where is their six-year-old daughter? AND HOW FAR WOULD YOU GO . . . As the homicide investigation ratchets into a frantic statewide search for a missing child, D. D. Warren must partner with former lover Bobby Dodge to break through the blue wall of police brotherhood, seeking to understand the inner workings of a trooper's mind while also unearthing family secrets. Would a trained police officer truly shoot her own husband? And would a mother harm her own child? . . . TO SAVE HER? For Tessa Leoni, the worst has not yet happened. She is walking a tightrope, with nowhere to turn, no one to trust, as the clock ticks down to a terrifying deadline. She has one goal in sight, and she will use every ounce of her training,

every trick at her disposal, to do what must be done. No sacrifice is too great, no action unthinkable. A mother knows who she loves. And all others will be made to pay. Love you more . . . In this funny bedtime book, celebrate the love between a child and her family as she is tucked in each night with smiles, hugs—and plenty of humorous comparisons to unicorns, chocolate, doughnuts, and dinosaurs! It's time for bed, but this lucky young girl has a very special and different way to do it every night!

Mommy tucks her in and says she loves her more than unicorns, chocolate fountains, doughnuts, and Ferris wheels shaped like pizzas. And Daddy loves her more than rainbow capes and castles made of flowers. A sweet, funny book to share with a little one at bedtime! M. Scott Peck, author of *The Road Less Traveled* A remarkable book the most incisive and persuasive I have ever read on the knotty problems of marriage relationships. Ann Roberts, former president, Rockefeller Family Fund Which child would you save? A decision no parent can even fathom. Eliot Gordon would do anything for her family. A 38-year-old working mother, she lives an ordinary but fulfilling life in suburban Atlanta with her partner, Grant Delaney, and their three daughters. The two older girls are actually Eliot's stepdaughters, a distinction she is reluctant to make as she valiantly attempts to maintain a safe, happy household . . . Then Finn Montgomery, Eliot's long-lost first

love, appears, triggering a shocking chain of events that culminates in a split-second decision that will haunt her beloved family forever. How Eliot survives-and what she loses in the process-is a story that will resonate with anyone who has ever loved a child. With hilarious honesty, wrenching depth, and a knockout twist, *I COULDN'T LOVE YOU MORE* illuminates the unbreakable bonds of family and reveals the lengths we'll go to save each other, even as we can't save ourselves. How much do I love you? I love you more than ice cream loves cones. This gorgeous, playful book opens up infinite possibilities for saying I love you that carry on long after closing the book. Follow along as young Des's day winds him through his busy, diverse neighbourhood, highlighting different relationships across age, gender and race, and moments bound together by love. Through Emil Sher's delightful word play and acclaimed illustrator Barbara Reid's vibrant modelling clay art, *I Love You More* creates a rich experience for young readers and brings a wonderful affirming feeling to storytime. This story was inspired by a favourite game the author played with his now-grown daughters -- one readers can carry on in their own way, with their own loved ones and in their own hearts. After her husband suffered a traumatic brain injury, the couple worked together as he recovered—and they learned to love again. When Abby Maslin's husband, TC, didn't make it home on August 18, 2012, she knew something was terribly wrong. Her fears were confirmed when she learned that her husband had been beaten by three men and left for dead mere blocks from home, all for his cell phone and debit card. The days and months that followed were a grueling test of faith. As TC recovered from a severe traumatic brain injury that left him unable to speak and walk, Abby faced the challenge of caring for—and loving—a husband who now resembled a stranger. *Love You Hard* is the raw, unflinchingly honest story of a young love left broken, and the resilience required to mend a life and remake a marriage. Told from the caregiver's perspective, this book is a daring exploration of true love: what it means to love beyond language, beyond abilities, and into the place that reveals who we really are. At the heart of Abby and TC's unique and captivating story are the universal truths that bind us all. This is a tale of living and loving wholeheartedly, learning to heal after profound grief, and choosing joy in the wake of tragedy. A sweeping story of three generations of women, crossing from London to Ireland and back again, and the enduring effort to retrieve the secrets of the past. *It's London, 1960*, and Aoife Kelly—once the sparkling object of young men's affections—runs pubs with her brusque, barking husband, Cash. Their courtship began in wartime London, before

they returned to Ireland with their daughters in tow. One of these daughters—fiery, independent-minded Rosaleen—moves back to London, where she meets and begins an affair with the famous sculptor Felix Lehmann, a German-Jewish refugee artist over twice her tender eighteen years. When Rosaleen finds herself pregnant with Felix's child, she is evicted from her flat, dismissed from her job, and desperate to hide the secret from her family. Where, and to whom, can she turn? Meanwhile, Kate, another generation down, lives in present-day London with her young daughter and husband, an unsuccessful musician and destructive alcoholic. Adopted and floundering to find a sense of herself in the midst of her unhappy marriage, Kate sets out to track down her birth mother, a search that leads her to a Magdalene Laundry in Ireland and the harrowing history that it holds. Stirring and nostalgic at moments, visceral and propulsive at others, *I Couldn't Love You More* is a tender, candid portrait of love, sex, motherhood, and the enduring ties of family. It is impossible not to fall under the spell of this tale of mothers and daughters, wives and muses, secrets and outright lies.
