Positioning Yourself to Prosper outlines how to tap into your abundance through living out your God-given purpose. The Bible says God has plans to prosper us, not to harm us. Yet few topics cause as much harm than the topic of prosperity--leaving many in church hurt and confused. In this powerful, biblically balanced book, apostolic leader and pastor Dr. Kynan Bridges asks the hard questions about this misunderstood and divisive topic, diving into what the Bible truly teaches about prosperity, poverty, finances, and abundance. Through piercing insight, candid testimonies, and Spirit-inspired revelations, he helps you · lean into God's purpose for prosperity · discern between real and false prosperity · cooperate with the Spirit of divine increase · renounce and overcome poverty in all areas of life · experience abundance and the power of blessing · prosper in the end times · and more The doorway to your destiny is found on the path to prosperity. It's time to step into His supernatural provision, advance His Kingdom, and transform lives! Do you believe you were made to prosper? What makes you feel prosperous? Is it financial security, physical security, good health, good relationships, being in control, lack of stress, or plenty of vacation time? Many people have a hard time answering these questions because they have never really stopped to consider what prosperity is and what a truly prosperous life looks and feels like. The desire to make sense of the tension between prosperity and suffering is underlying almost every problem in life. Success is not the same as prosperity. Prosperity is bigger than success. Does God have good things for you? How do you handle evil and suffering? American Christian culture is polarized, with one camp leaning more on the prosperity theology side and another on the theology of suffering side. It is time to synergize these together and apply them to questions pertaining to our wealth and health. This book is an attempt to bring about a convergence of both a theology and understanding of prosperity and a theology and understanding of suffering, so that we may learn how to live in prosperity in a suffering world. For many, prosperity simply means wealth. But if you have to drag yourself out of bed every morning to do unfulfilling, uninteresting work, this kind of prosperity comes at too high a price. True prosperity is when there is no conflict between money and happiness—the way you make a living is true to who you are. For the past twelve years Ethan Willis and Randy Garn have helped tens of thousands of people find their own paths to prosperity. In Prosper they share six Prosperity Practices that will enable you to create a life that is rewarding, enriching and renewing. Willis and Garn teach you how to “earn from your core”—to start with what you have, clarify what you really want, and develop an action plan that leverages your passions, experience, and expertise. Because this plan is rooted in your deepest goals and aspirations, you create prosperity that is sustainable over the long term—the very opposite of a get-rich-quick scheme. You will not simply succeed—you will truly prosper. "God's plans for man is for them to return to a place of total provision-a

place of no lack and a place of more than enough!" Created to Prosper provides a Godly view of prosperity, money, and wealth. It enables the reader to develop the right mindset, character, and action plan to grow financially. The reader will discover: - The purpose of prosperity - God's view of prosperity - How to activate the prosperity anointing - Consequences of poverty - Examples of Biblical people who walked in prosperity - Character qualities needed to possess the promise land - Their covenant right to prosperity - How to move into financial overflow

False beliefs about money so often rob us of our best opportunity to serve God, to love people, and to steward the wealth He gives us. Our cultural programming has embedded deep within us wrong ideas about wealth, money, and morality. These wrong ideas, and not greed or avarice, are the biggest source of poverty in the world. In *Permission to Prosper*, Ray Edwards offers three startling premises. First, God has promised you prosperity. Second, God has a purpose behind this prosperity (and it is not necessarily that you give all your money away). And third, the practice of prosperity is a spiritual activity. Not only do you have permission to prosper, but you also have a mandate to multiply. Permission to Prosper gives you the confidence and the keys to do just that. 'Time to Prosper' is written to answer questions we have all asked ourselves at some point in life. Such as, "Will I ever walk in financial abundance that many have taught and shared on?" In addition to answering these critical questions, it also carefully highlights practical biblical steps that are time-tested, proven in the author's own life on how to work in financial blessing and freedom. If you grew up in the country, you may have once or twice seen a turtle perched atop a fence post. The first thought to cross your mind upon seeing this unusual sight would probably be that the turtle did not get on top of that fence post by itself; it had help. This analogy is meant to represent just that - something accomplished that would not normally be possible without the assistance of someone or something more capable. That is the message of this book: how to accomplish more with less; how to go higher financially (and in other areas of life) than your talents and abilities would otherwise take you; how to position yourself to be propelled by God Himself to heights you may have never thought possible; and why God wants to prosper the people who attend their ears to His methods. "How to Hear God to Prosper" recoups the lost instructions of prosperity that were discarded when Americans passed down the prosperity formula from generation to generation. The most prosperous nation in the modern world passed down the lessons of prosperity to each generation, so it thought. Unknowingly, the instructions to prosper were changed when handed down. Essential steps were omitted. Now Americans frantically realize they do not have the formula for prosperity their forefathers applied; rather they have implemented practices that made for recessions and poverty. The original formula to prosper was established by God and continues to work whenever applied. "How to Hear God to Prosper" unveils amazing, yet obvious, reasons God's principles work and can be applied immediately. The timely release, from Found Treasure Publishing, has a wealth of information to turn the financial outlook of the United States around and the nation's success starts with the prosperity of each individual. Do not settle for endless financial struggles; find your way out by learning the original prosperity formula and hear the specific prosperity plan God has for you! VC Edwards has researched God's Word for over 20 years. Prosperity is guaranteed by God Himself revealed through His Word. Most Christians believe that God wants them to prosper, and rightly so. This is because in the Bible God tells us He not only wants us to prosper but also that He plans for us to prosper. Yet prosperity has eluded so many, not because of lack of desire but because of lack of understanding. In search of this dilemma, they look for Scriptures to guide them. They find that the answer is not found in one topic or one scripture but scattered throughout the Bible in over 1,500 Scriptures dealing directly with the subject. There are approximately 1,000 more dealing indirectly with prosperity in some form. My research has taken me through all of those Scriptures and put together an understanding that is easy to follow from one chapter to another, revealing in Scripture in such a way that answers any question you may be facing in your own life that may be preventing you from achieving true prosperity. There are many misconceptions and teachings on the prosperity doctrine that miss the mark and turn off many believers and nonbelievers alike. This book reveals the false teachings of prosperity and how to detect the difference at a glance. No matter where you are in your Christian walk there is something here for you. Remember, it is what you learn after you know it all that makes the biggest difference in your life. If you do not consider yourself a Christian, don't let that deter you from reading this book. After reading this book, you may just want to become one. Don't waste another minute. We know that God never lies, God never fails, and God truly wants you to prosper. In 5 Reasons God Wants YOU to Prosper, author Sebastian Richard urges you to reconsider God's will for your prosperity through irrefutable scriptural truths. He also confronts head-on the spirit of poverty and the lies of the Enemy that keep you financially stuck and defeated. Through personal experience, insight, and revelation, Richard shows...
