Dedicated to the world's most elegant, intelligent, and affectionate toy dog, the Cavalier King Charles Spaniel, this Smart Owner's Guide, created by the editors at Dog Fancy magazine, offers the most up-to-date and accurate information every dog owner needs to become a well-informed caregiver for his dog. Illustrated with color photographs of adorable puppies and handsome adults, this easy-to-read primer is designed in a modern, lively manner that readers will find user-friendly and entertaining.Each Smart Owner's Guide offers a description of the breed's character and physical conformation, historical overview, and its attributes as a companion dog. The reader will find informative chapters on everything he or she needs to know about acquiring, raising, and training this remarkable purebred dog, including: finding a breeder and selecting a healthy, sound puppy; preparing for the puppy's homecoming, shopping for supplies, and puppy-proofing the home; house-training; veterinary and home health maintenance; feeding and nutrition; and grooming. Obedience training for basic cues (sit, stay, heel, come, etc.) and solving potential problem behaviors (barking, chewing, aggression, jumping up, etc.) are addressed in separate chapters, as are activities to enjoy with the dog, including showing, agility, therapy work, and more.Entertaining tidbits and smart advice fill up colorful sidebars in every chapter, which the editors call "It's a Fact," "Smart Tip," "Notable & Quotable," and "Did You Know?" Real-life heroes and rescue stories are retold in full-page features called "Pop Pups" and "True Tails." Recipes, training, and care tips are highlighted in the "Try This" feature pages.The Smart Owner's Guide series is the only series that offers readers an online component in which dog owners can join a breed-specific online club hosted by dogchannel.com. At Club Cav, owners of the breed can find forums, blogs, and profiles to connect with other breed owners, as well as charts and checklists that can be downloaded. More than just 20,000 pages of solid information, there's a host of fun to be had at the club in the form of downloadable breed-specific e-cards, screensavers, games, and quizzes.The Resources section of the book includes contact information for breed-related organizations and rescues, as well as practical guidance on traveling with dogs, identification, and locating qualified professionals to assist the dog owner, such as pet sitters, trainers, and boarding facilities. This information-packed Smart Owner's Guide is fully indexed. The Cavalier King Charles Spaniel looks about as royal as it sounds with its long, silky coat and feathered ears and feet. This beautiful breed will win you over with its playful spirit and loyal companionship. The Cavalier is devoted to its owner and is generally very friendly, affectionate and eager to please. Good with children and other dogs, Cavaliers make wonderful family pets and excellent companions for the elderly. While their easy-going personalities make them expert lap dogs, they aren't quite as adept at being guard dogs and will probably greet any intruder with a friendly tail wag. This guide will walk you through the in's and out's of owning this phenomenal breed. Whether you're someone playing with the idea of getting a Cavalier, or have already embarked on your journey with your pup, this guide will offer an insight into how to create a happy and fulfilling life for you and your CKCS. This book will answer all your questions such as: Is a Cavalier King Charles Spaniel the right dog for me? I brought my Cav home. What now? How can I successfully train my Cavalier? What are some common mistakes should I avoid? Whether you are a long-time owner or considering bringing a Cavalier into your home for the first time, this book will guide you through any questions you may have. Learn the fascinating history of this breed and why it has been a favorite of royal families throughout history. Discover how they interact with each other and their owners and why proper nutrition is so essential to the well-being of your dog. Learn the basics of care and the proper way to puppy- proof your home, both indoor and outdoor, to keep your Cavalier safe from harm. By the end of 1999, CNW forecasts the used car market will soar to 63.5 million units as the rising cost of new cars forces millions into second-hand cars. Millions of people need car-buying information every year in a market destined to increase. THE USED CAR BUYER'S MANUAL offers this much needed car-buying information. Divided into three parts, part one shows how to buy a car from a private party. Part two details how to buy a car through a dealer. In the third part, UCBM offers advice on how to sell your car along with tips designed to keep your car running problem free. The UCBM also offers a vehicle inspection checklist designed to be photocopied for the reader's convenience. But the most impressive information UCBM offers is its Directory of Reliable Used Cars Appendix. UCBM shows you which cars are reliable by listing over a hundred models & then taking the best in each class & offering them as the creme de la creme. Contact Marketing Director Dave Austin, P.O.
