THE CRUSADES

ISLAM AND CHRISTIANITY IN THE
STRUGGLE FOR WORLD SUPREMACY

Geoffrey Hindley

A Brief History Of The Crusades Islam And Christianity In Struggle For World Supremacy Geoffrey Hindley

Richard Allibone

A Brief History Of The Crusades Islam And Christianity In Struggle For World Supremacy Geoffrey Hindley

The Crusades Geoffrey Hindley,2004 Chronicles the long bloody history of the Crusades and demonstrates how this three hundred year long struggle to control the Middle East changed Europe and the world forever

A Brief History of the Crusades Geoffrey Hindley,2013-02-07 Why did the medieval Church bless William of Normandy s invasion of Christian England in 1066 and authorise cultural genocide in Provence How could a Christian army sack Christian Constantinople in 1204 Why did thousands of ordinary men and women led by knights and ladies kings and queens embark on campaigns of fanatical conquest in the world of Islam The word Crusade came later but the concept of a war for the faith is an ancient one Geoffrey Hindley instructively unravels the story of the Christian military expeditions that have perturbed European history troubled Christian consciences and embittered Muslim attitudes towards the West He offers a lively record of the Crusades from the Middle East to the pagan Baltic and fascinating portraits of the major personalities from Godfrey of Bouillon the first Latin ruler of Jerusalem to Etienne the visionary French peasant boy who inspired the tragic Children s Crusade Addressing questions rarely considered Hindley sheds new light on pressing issues surrounding religious division and shows how the Crusades have helped to shape the modern world and relations between Christian and Muslim countries to this day

The Crusades Geoffrey Hindley,2003 The Crusades were pilgrimages for some for others an excuse for pillaging This volume tells of an institution that for over three centuries periodically disrupted European history troubled Christian consciences and embittered Muslim attitudes towards the West It offers portraits of the major personalities who took part from Godfrey of Bouillon the first Latin ruler of Jerusalem to Etienne the visionary French peasant boy who inspired the tragic Children s Crusade and shows how the Crusades helped shape Europe the modern world and relations between Christian and Muslim countries to this day Hindley focuses on several themes including women as pilgrims rulers and warriors the Knights Templar as pioneer bankers and international trade across religious frontiers

Middle East Conflicts from Ancient Egypt to the 21st Century [4 volumes] Spencer C. Tucker,2019-08-27 With more than 1 100 cross referenced entries covering every aspect of conflict in the Middle East this definitive scholarly reference provides readers with a substantial foundation for understanding contemporary history in the most volatile region in the world This authoritative and comprehensive encyclopedia covers all the key wars insurgencies and battles that have occurred in the Middle East roughly between 3100 BCE and the early decades of the twenty first century It also discusses the evolution of military technology and the development and transformation of military tactics and strategy from the ancient world to the present In addition to the hundreds of entries on major conflicts military engagements and diplomatic developments the book also features entries on key military political and religious leaders Essays on the major empires and nations of the region are included as are overview essays on the major periods under consideration The book additionally covers such non military subjects as diplomacy national and international politics religion and sectarian conflict cultural phenomena genocide international peacekeeping missions social movements and the rise to prominence of international terrorism The reference entries are augmented by a carefully curated documents volume that offers primary sources on such diverse topics as the Greco Persian Wars the Crusades and the Arab Israeli Wars

Wars That Changed History Spencer C. Tucker,2015-09-22 A thorough study of significant wars throughout history and their influence on world affairs from the Egyptian Pharaoh Thutmose III's Campaigns during 479-459 BCE through the Iraq War of 2003-2011. For hundreds of years wars have played a determining role in history and have decided the rise and fall of civilizations. Many believe that understanding the causes and consequences of warfare may move humankind towards world peace. This selection of the 50 most consequential wars compiled by award-winning military historian Spencer C. Tucker presents each conflict in chronological order and discusses its causes, its course, and its significance in world history. Through thoughtful essays and supporting visual evidence, this reference work examines the types of weapons systems employed and their effects in the field, the roles played by individual leaders such as Alexander the Great, Julius Caesar, Abraham Lincoln, and Adolf Hitler, and the impact of geography and economics on the battlefield. The work includes fascinating information about warfare, addressing subjects such as how transportation and logistics changed the face of war over time, what invention marked the ascendancy of infantry over cavalry, why World War I remains the most important war in the 20th century, and which war killed nearly half of the population of Germany. Each essay includes the latest interpretations of strategy, agendas, and consequences of the featured event.

A Canon's Tale Marilyn A. Schneider,2021-08-10 It was a time of faith. Men believed. To the chosen few, the Christian God spoke directly and laid out His wishes and orders. But He sometimes changed His mind. Or perhaps His messages were not understood. The year is 1135 in the town of Arles in what will much later become southern France. Looming territorial wars between powerful families threaten to breach town walls. False prophets travel from town to town preaching their heresies to eager crowds. Calls for a Second Crusade to secure the Holy Land will begin to ring out. Amid the noise, the ears of Pons de Baucio, a devout young canon at the Cathedral of Saint Trophime, are still attuned to the small voice of his God, which has faithfully guided him all his life. But when God entrusts Pons with the message that he and his chapter must embrace the *vita apostolica* by adopting the Rule of St. Augustine, a lifestyle that will involve renouncing wives, mistresses, and families, forsaking personal property, and living communally, the proposal is far from favorably received by Pons's fellow canons. Thoroughly researched and rich in detail on actual historical persons, places, and events, *A Canon's Tale* is the story of how Pons, though met with challenges and resistance at every turn, labors fervently and relentlessly for the next three decades to carry out his twofold mission: to convince the canons that this is God's will and to oversee the construction and artistry of the cloister to make communal living possible. All the while, Pons must wage his own internal war against the forces of temptation.

The American Challenge R. Catley,2017-11-28 The rise of the US as a hegemonic power during the twentieth century, first pursuing a liberal project of globalization under Clinton and then moving towards greater unilateralism after the election of George W. Bush, is comprehensively described in this much-needed study. Following the invasion of Iraq, the Bush administration became increasingly unpopular at home and abroad. America's power to impose its will declined, and rivals were able to take advantage of its weakened state and pursue their own agendas with considerable success. This indispensable book looks at whether policy failure in Iraq and declining US soft and hard power mark the beginning of the end of US hegemony, or whether the resilience of America's military and economic foundations will once again prove observers wrong.

The Mosquito Timothy C. Winegard,2019-08-20 The surprising true story of how the course of human history was redirected, time and again, by the pesky mosquito.

The Concise History of the Crusades Thomas F. Madden, 2013-09-19 What is the relationship between the medieval crusades and the problems of the modern Middle East? Were the crusades the Christian equivalent of Muslim jihad? In this sweeping yet crisp history, Thomas F. Madden offers a brilliant and compelling narrative of the crusades and their contemporary relevance. Placing all of the major crusades within their medieval social, economic, religious, and intellectual environments, Madden explores the uniquely medieval world that led untold thousands to leave their homes, families, and friends to march in Christ's name to distant lands. From Palestine and Europe's farthest reaches, each crusade is recounted in a clear, concise narrative. The author gives special attention, as well, to the crusades' effects on the Islamic world and the Christian Byzantine East.

The Crusades, Christianity, and Islam Jonathan Riley-Smith, 2008-09-30 The Crusades were penitential war pilgrimages fought in the Levant and the eastern Mediterranean, as well as in North Africa, Spain, Portugal, Poland, the Baltic region, Hungary, the Balkans, and Western Europe. Beginning in the eleventh century and ending as late as the eighteenth, these holy wars were waged against Muslims and other enemies of the Church, enlisting generations of laymen and laywomen to fight for the sake of Christendom. Crusading features prominently in today's religio-political hostilities, yet the perceptions of these wars held by Arab nationalists, pan-Islamists, and many in the West have been deeply distorted by the language and imagery of nineteenth-century European imperialism. With this book, Jonathan Riley-Smith returns to the actual story of the Crusades, explaining why and where they were fought and how deeply their narratives and symbolism became embedded in popular Catholic thought and devotional life. From this history, Riley-Smith traces the legacy of the Crusades into modern times, specifically within the attitudes of European imperialists and colonialists and within the beliefs of twentieth-century Muslims. Europeans fashioned an interpretation of the Crusades from the writings of Walter Scott and a French contemporary, Joseph Fran ois Michaud. Scott portrayed Islamic societies as forward-thinking, while casting Christian crusaders as culturally backward and often morally corrupt. Michaud, in contrast, glorified crusading, and his followers used its imagery to illuminate imperial adventures. These depictions have had a profound influence on contemporary Western opinion, as well as on Muslim attitudes toward their past and present. Whether regarded as a valid expression of Christianity's divine enterprise or condemned as a weapon of empire, crusading has been a powerful rhetorical tool for centuries. In order to understand the preoccupations of Islamist jihadis and the character of Western discourse on the Middle East, Riley-Smith argues, we must understand how images of crusading were formed in the nineteenth and twentieth centuries.

Outremer Richard Allibone, 2012-01-08 Outremer is a vivid and compelling narrative history depicting the momentous events later known as the Third Crusade, 1187-92 A.D. In this five-year period, the Muslim world inflicted a major defeat on the Christian army of Jerusalem that resonated around the known world and which directly resulted in the confrontation between two of the most celebrated figures in medieval history: Richard the Lionheart, renowned as the great warrior king and personification of the knightly chivalry, and Saladin, Sultan of Egypt, Syria, Arabia, and Mesopotamia, and consummate diplomat and strategist. The story unfolds through the reminiscences of Geoffrey de Moissac, who relates his incredible first-hand experiences fifty years after the main protagonists have perished. Geoffrey has been witness to all the dramatic events of that time, from the Christian disaster at Hattin through a perilous journey to the west to solicit aid, and finally, as part of the mighty Crusader army intent on the reconquest of the Holy Land.

The Horse Timothy C. Winegard, 2024-07-30 A Next Big Idea Club Must Read Book From New York Times bestselling author of The Mosquito the incredible story of how the horse shaped human history Timothy C Winegard s The Horse is an epic history unlike any other Its story begins more than 5 500 years ago on the windswept grasslands of the Eurasian Steppe when one human tamed one horse an unbreakable bond was forged and the future of humanity was instantly rewritten placing the reins of destiny firmly in human hands Since that pivotal day the horse has carried the history of civilizations on its powerful back For millennia it was the primary mode of transportation an essential farming machine a steadfast companion and a formidable weapon of war Possessing a unique combination of size speed strength and stamina the horse dominated every facet of human life and shaped the very scope of human ambition And we still live among its galloping shadows Horses revolutionized the way we hunted traded traveled farmed fought worshipped and interacted They fundamentally reshaped the human genome and the world s linguistic map They determined international borders molded cultures fueled economies and built global superpowers They decided the destinies of conquerors and empires And they were vectors of lethal disease and contributed to lifesaving medical innovations Horses even inspired architecture invention furniture and fashion From the thundering cavalry charges of Alexander the Great to the streets of New York during the Great Manure Crisis of 1894 and beyond horses have shaped both the grand arc of history and our everyday lives Driven by fascinating revelations and fast paced storytelling The Horse is a riveting narrative of this noble animal s unrivaled and enduring reign across human history To know the horse is to understand the world

What Were the Crusades? Jonathan Riley-Smith, 2017-09-16 Riley Smith s acclaimed book is now regarded as a classic short study The updated fourth edition of this essential introduction features a new Preface which surveys and reviews developments in crusading scholarship a new map material on a child crusader and a short discussion of the current effects of aggressive Pan Islamism

The Beast and Babylon J.B. Whitelaw-Stevens, 2017-07-06 The Beast and Babylon answers some age old questions about the two symbolic entities featured in the book of Revelation These symbols have historically been typified as a revived Roman Empire and its God opposing religious counterparts that rise up in Europe prior to the Second Coming of Jesus Christ In contrast this informative and timely study reveals that the latter day beast power rises out of not one but out of three defunct previous empires in the Middle East known via Daniels metaphors as the lion bear and leopard kingdoms It appears from Daniel 7 11-12 that long after the last manifestation of the Roman Empire is destroyed these three dormant empires are revived for a season and a time During their rejuvenation they reappear in Revelation 13 and 17 in the form of a tripartite seven headed political religious beast power that emerges from the topographies of the ancient Grecian leopard Persian bear and Babylonian lion kingdoms Furthermore these combined territories encompass ten sovereign Islamic horn nations that were revealed after the Ottoman Empire was abolished ninety five years ago Today many of these Islamic nations contain embedded terrorist groups whose fanatical Jihadist leaders are determined to resurrect a radical pan Islamic Caliphate by which to establish Sharia law throughout the World To achieve these objectives the latter day nascent imperial beast power in conjunction with ten like minded insurgent leaders must initiate a global Jihad to incite war on the people of God and conspire to destroy a religious city called Mystery Babylon the Great

God And The Western World George Hayes,2019-01-30 This book was inspired by God It brings God s activities on behalf of Earth s citizens from the shadows of history into illumination God s mastery over the universe is brought to life from the Big Bang to modern times A plausible theory is put forth regarding how God has employed His tools only recently discovered but little understood by scientists dark matter and dark energy to create and sustain the universe as we know it God s book this book is a compliment to His Bible from which it differs in that for today s intelligent humans it explains how God advanced creation and evolution After summarizing key portions of the Bible this book focuses sequentially upon God s activities in Roman times the Dark Ages Medieval times Renaissance times Colonial times and the rise of the United States through the big wars up to modern times God led us through every period or we would not have reached these times as we are today God used the West to advance the entire planet as all Earth was afforded the opportunity to know Jesus Christ God s unseen struggles are summarized in the final chapter but there are much more in depth presentations of God s tools dark matter and dark energy containing preliminary information on how to develop necessary communications to initiate their use by mankind to save Earth God sees we are in imminent danger of flooding coastal areas worldwide because of the greenhouse gasses resulting from long over use of fossil fuels and subsequent melting of glaciers and icecaps The author posits that by leading us through the millennia to our current level of understanding and through this very book God has prepared us to partner with Him to save our civilization from devastation

The Crusades: Islamic Perspectives Carole Hillenbrand,2018-10-24 Coinciding with the 900th anniversary of the Crusades this book is the first general introduction to some of the wider aspects of the history of the Crusades Prepared by Carole Hillenbrand a leading authority with a world wide reputation The The Crusade is unique in covering the Crusades from the Muslim perspective it is also a timely reflection on how the phenomenon of the Crusades influenced the Muslim world then and now militarily culturally and psychologically The Crusades discusses a group of themes designed to highlight how Muslims reacted to the alien presence of the Crusaders in the heart of traditional Muslim territory Ideological concerns are examined and the importance of the concept of jihad is assessed in the context of the gradual recovery of the Holy Land and the expulsion of the Crusaders There are also chapters devoted to an analysis of the warfare arms battles sieges fortifications on the basis of written sources and extant works of art Also extensively discussed is the complex issue of the interaction between Muslims and Crusaders in a social economic and cultural setting The epilogue traces the profound impact of the Crusades on Muslim consciousness up to the present day The Crusades is also lavishly illustrated with 500 black and white pictures and two full color plate sections

Holy Warriors Jonathan Phillips, 2010-03-09 From an internationally renowned expert here is an accessible and utterly fascinating one volume history of the Crusades thrillingly told through the experiences of its many players knights and sultans kings and poets Christians and Muslims Jonathan Phillips traces the origins expansion decline and conclusion of the Crusades and comments on their contemporary echoes from the mysteries of the Templars to the grim reality of al Qaeda *Holy Warriors* puts the past in a new perspective and brilliantly sheds light on the origins of today's wars Starting with Pope Urban II's emotive groundbreaking speech in November 1095 in which he called for the recovery of Jerusalem from Islam by the First Crusade Phillips traces the centuries long conflict between two of the world's great faiths Using songs sermons narratives and letters of the period he reveals how the success of the First Crusade inspired generations of kings to campaign for their own vainglory and set down a marker for the knights of Europe men who increasingly blurred the boundaries between chivalry and crusading In the Muslim world early attempts to call a jihad fell upon deaf ears until the charisma of the Sultan Saladin brought the struggle to a climax Yet the story that emerges has other dimensions as never before Phillips incorporates the holy wars within the story of medieval Christendom and Islam and shines new light on many truces alliances and diplomatic efforts that have been forgotten over the centuries *Holy Warriors* also discusses how the term crusade survived into the modern era and how its redefinition through romantic literature and the drive for colonial empires during the nineteenth century gave it an energy and a resonance that persisted down to the alliance between Franco and the Church during the Spanish Civil War and right up to George W Bush's pious war on terror Elegantly written compulsively readable and full of stunning new portraits of unforgettable real life figures from Richard the Lionhearted to Melisende the formidable crusader queen of Jerusalem *Holy Warriors* is a must read for anyone interested in medieval Europe as well as for those seeking to understand the history of religious conflict

Muslims and Crusaders Niall Christie, 2020-04-02 *Muslims and Crusaders* combines chronological narrative discussion of important areas of scholarly enquiry and evidence from Islamic primary sources to give a well rounded survey of Christianity's wars in the Middle East 1095-1382 Revised expanded and updated to take account of the most recent scholarship this second edition enables readers to achieve a broader and more complete perspective on the crusading period by presenting the crusades from the viewpoints of those against whom they were waged the Muslim peoples of the Levant The book introduces the reader to the most significant issues that affected Muslim responses to the European crusaders and their descendants who would go on to live in the Latin Christian states that were created in the region It considers not only the military encounters between Muslims and crusaders but also the personal political diplomatic and trade interactions that took place between the Muslims and Franks away from the battlefield Engaging with a wide range of translated primary source documents including chronicles dynastic histories religious and legal texts and poetry *Muslims and Crusaders* is ideal for students and historians of the crusades

The Race for Paradise Paul M. Cobb, 2014-06-01 In 1099 when the first Frankish invaders arrived before the walls of Jerusalem they had carved out a Christian European presence in the Islamic world that endured for centuries bolstered by subsequent waves of new crusaders and pilgrims The story of how this group of warriors driven by faith greed and wanderlust created new Christian ruled states in parts of the Middle East is one of the best known in history Yet it offers not even half of the story for it is based almost exclusively on Western sources and overlooks entirely the perspective of the crusaded How did medieval Muslims perceive what happened In *The Race for Paradise* Paul M Cobb offers a new history of the confrontations between Muslims and Franks we now call the Crusades one that emphasizes the diversity of Muslim experiences of the European holy war There is more to the story than Jerusalem the Templars Saladin and the Assassins Cobb considers the Arab perspective on all shores of the Muslim Mediterranean from Spain to Syria In the process he shows that this is not a straightforward story of warriors and kings clashing in the Holy Land but a more complicated tale of border crossers and turncoats of embassies and merchants of scholars and spies all of them seeking to manage a new threat from the barbarian fringes of their ordered world When seen from the perspective of medieval Muslims the Crusades emerge as something altogether different from the high flying rhetoric of the European chronicles as a cultural encounter to ponder a diplomatic chess game to be mastered a commercial opportunity to be seized and as so often happened a political challenge to be exploited by ambitious rulers making canny use of the language of jihad An engrossing synthesis of history and scholarship *The Race for Paradise* fills a significant historical gap considering in a new light the events that distinctively shaped Muslim experiences of Europeans until the close of the Middle Ages

Crusades Thomas F. Madden, 2008 *WORLD HISTORY C 500 TO C 1500* The Crusades were a centuries long series of military campaigns in a violent struggle between the Christian and Islamic worlds Such wars were fought not only against Islamic empires in Asia Minor the Holy Land and throughout the Mediterranean region but also within Europe against heretics pagans and opponents of the Church *Crusades* traces these major expeditions and focuses on key episodes such as the titanic struggles over Jerusalem and Constantinople War however is not the whole story the encounter between East and West opened the eyes of Europeans to the world outside stimulating trade and the exchange of ideas Anyone who wishes to probe the historical roots of 21st century tensions between Islam and the West or simply to learn about one of the most fascinating phenomena of the Middle Ages will find this book endlessly informative and enriching

A Brief History Of The Crusades Islam And Christianity In Struggle For World Supremacy Geoffrey Hindley

Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research

A Brief History Of The Crusades Islam And Christianity In Struggle For World Supremacy Geoffrey Hindley

papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading A Brief History Of The Crusades Islam And Christianity In Struggle For World Supremacy Geoffrey Hindley free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading A Brief History Of The Crusades Islam And Christianity In Struggle For World Supremacy Geoffrey Hindley free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading A Brief History Of The Crusades Islam And Christianity In Struggle For World Supremacy Geoffrey Hindley free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading A Brief History Of The Crusades Islam And Christianity In Struggle For World Supremacy Geoffrey Hindley. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu,

A Brief History Of The Crusades Islam And Christianity In Struggle For World Supremacy Geoffrey Hindley

provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading A Brief History Of The Crusades Islam And Christianity In Struggle For World Supremacy Geoffrey Hindley any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About A Brief History Of The Crusades Islam And Christianity In Struggle For World Supremacy Geoffrey Hindley Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. A Brief History Of The Crusades Islam And Christianity In Struggle For World Supremacy Geoffrey Hindley is one of the best book in our library for free trial. We provide copy of A Brief History Of The Crusades Islam And Christianity In Struggle For World Supremacy Geoffrey Hindley in digital format, so the resources that you find are reliable. There are also many Ebooks of related with A Brief History Of The Crusades Islam And Christianity In Struggle For World Supremacy Geoffrey Hindley. Where to download A Brief History Of The Crusades Islam And Christianity In Struggle For World Supremacy Geoffrey Hindley online for free? Are you looking for A Brief History Of The Crusades Islam And Christianity In Struggle For World Supremacy Geoffrey Hindley PDF? This is definitely going to save you time and cash in something you should think about.
