Forever Young Bob Dylan,2012-05-22 WINNER OF THE NOBEL PRIZE IN LITERATURE The classic anthem to youth from Bob Dylan one of our best loved songwriters reimaged as a picture book by award winning illustrator Paul Rogers Since it first appeared on the 1974 album Planet Waves Forever Young has been one of Bob Dylan s most beloved songs Now award winning artist Paul Rogers gives us a new interpretation of the lyrics With images inspired by classic Dylan songs and pieces of his life this is a bold and touching tribute to an anthem whose message will always stay forever young

Amazing Grace-My Chains Are Gone Dennis Allen,Nan Allen,2007-09-01 Lovers of acoustic flavored guitar driven worship will want to consider this collection of songs from the likes of Chris Tomlin Matt Redman and other contemporary worship leaders The Allens weave several of the songs into blended worship medleys based on particular themes e g How Can I Keep from Singing is joined with the hymn I Will Sing the Wondrous Story and the chorus I Could Sing of Your Love Forever Other nice features include simple but effective narration rendered by the worship leader with two optional storytellers Keeping the narration short and utilizing familiar songs allows for the collection to be presented more as a worship concert than a performance therefore fostering more audience participation than is often the case in a choral musical The production notes also give instructions for an optional communion service that can be incorporated into the mix
