Gizmo Warm-up

A **chemical reaction** causes the chemical compositions of substances to change. **Reactants** are substances that enter into a reaction. **Products** are substances produced in the reaction. **Theory** Gizmo does not experiment with factors that influence the rate at which reactants are transformed into products in a chemical reaction.

You will need blue, green, and orange markers or colored pencils for the first part of this activity.

- Look at the key at the bottom of the SIMULATION pane. In the space below, draw the two reactants and two products of this chemical reaction.

- Click Play (▶) and watch what you see?

Reactant A is a blue and orange molecule. When Reactant A succeeds in breaking bonds of reactant B, the orange substance on Reactant B breaks off and bonds with Reactant A forming Product B, leaving the two green substance molecules which are Product A.

Homeland Cory Doctorow, 2013-02-05 In Cory Doctorow's wildly successful Little Brother young Marcus Yallow was arbitrarily detained and brutalized by the government in the wake of a terrorist attack on San Francisco an experience that led him to become a leader of the whole movement of technologically clued in teenagers fighting back against the tyrannical security state A few years later California's economy collapses but Marcus's hacktivist past lands him a job as webmaster for a crusading politician who promises reform Soon his former nemesis Masha emerges from the political underground to gift him with a thumbdrive containing a Wikileaks style cable dump of hard evidence of corporate and governmental perfidy It's incendiary stuff and if Masha goes missing Marcus is supposed to release it to the world Then Marcus sees Masha being kidnapped by the same government agents who detained and tortured Marcus years earlier Marcus can leak the archive Masha gave him but he can't admit to being the leaker because that will cost his employer the election He's surrounded by friends who remember what he did a few years ago and regard him as a hacker hero He can't even attend a demonstration without being dragged onstage and handed a mike He's not at all sure that just dumping the archive onto the Internet before he's gone through its millions of words is the right thing to do Meanwhile people are beginning to shadow him people who look like they're used to inflicting pain until they get the answers they want Fast moving passionate and as current as next week Homeland is every bit the equal of Little Brother a paean to activism to courage to the drive to make the world a better place At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
