The Diaries Of Queen Liliuokalani Of Hawaii 1885 1900

Daniel F McAuley

The Diaries Of Queen Liliuokalani Of Hawaii 1885 1900

The Diaries of Queen Liliuokalani of Hawaii, 1885-1900 Liliuokalani (Queen of Hawaii),2019 These are among the records seized by order of Republic of Hawaii officials in 1895 with the intent of obtaining evidence that she had prior knowledge of the 1895 counterrevolution

In Haste with Aloha David W. Forbes,2017-04-30 This ambitious volume assembled by scholar David W Forbes features a collection of ninety previously unpublished letters as well as excerpts from two diaries written between 1881 and 1885 by Hawaiian royal consort Queen Emma Kaleleon lani In Haste with Aloha illuminates the last five years of the Queen s life and makes available an important record of royal social life and customs in nineteenth century Hawai i Much of her earlier correspondence has been published in two books by the late Alfons L Korn The Victorian Visitors An Account of the Hawaiian Kingdom 1861 1866 and News from Molokai Letters between Peter Kaeo and Queen Emma 1873 1876 In her letters almost all of which were written in English Queen Emma provides a rare account of ali i royal perspective endowing modern readers and researchers with insight far beyond the limited available documentation of public speeches or printed statements Besides the nuances of correspondence between the Queen and her recipients there is much to be considered and analyzed in her descriptions of ali i many of them relatives to Emma including Bernice Pauahi Bishop and Ruth Ke elik lani With few comparable Hawaiian historical primary resource texts in print In Haste with Aloha is a welcome addition making accessible a preserved and treasured collection of documents drawn primarily from the Hawai i State Archives along with diaries in Bishop Museum Library and Archives Fully transcribed and with annotation by Forbes editor of the monumental four volume Hawaiian National Bibliography and annotator of Hawaii s Story by Hawaii s Queen Liliuokalani this text sheds light on the lives of Hawai i s ruling class in the decade leading up to climactic political transition

By Royal Command Curtis Pi'ehu 'Iaukea,Lorna Kahilipuaokalani Iaukea Watson,1988 A biography autobiography of Curtis Pi ehu Iaukea December 13 1855 March 5 1940 based on his memoirs He held positions in the Provisional Government the Republic of Hawai i and the Territory of Hawai i

Sojourners and Settlers Clarence E. Glick,2017-04-30 Among the many groups of Chinese who migrated from their ancestral homeland in the nineteenth century none found a more favorable situation than those who came to Hawaii Coming from South China largely as laborers for sugar plantations and Chinese rice plantations but also as independent merchants and craftsmen they arrived at a time when the tiny Polynesian kingdom was being drawn into an international economic political and cultural world Sojourners and Settlers traces the waves of Chinese immigration the plantation experience and movement into urban occupations Important for the migrants were their close ties with indigenous Hawaiians hundreds establishing families with Hawaiian wives Other migrants brought Chinese wives to the islands Though many early Chinese families lived in the section of Honolulu called Chinatown this was never an exclusively Chinese place of residence and under Hawaii s relatively open pattern of ethnic relations

Chinese families rapidly became dispersed throughout Honolulu Chinatown was however a nucleus for Chinese business cultural and organizational activities More than two hundred organizations were formed by the migrants to provide mutual aid to respond to discrimination under the monarchy and later under American laws and to establish their status among other Chinese and Hawaii s multiethnic community Professor Glick skillfully describes the organizational network in all its subtlety He also examines the social apparatus of migrant existence families celebrations newspapers schools in short the way of life Using a sociological framework the author provides a fascinating account of the migrant settlers transformation from villagers bound by ancestral clan and tradition into participants in a mobile largely Westernized social order [Facing the Spears of Change](#) Marie Alohani Brown,2016-05-31 Facing the Spears of Change takes a close look at the extraordinary life of John Papa Over the years faced many personal and political changes and challenges in rapid succession which he skillfully parried or seized then used to fend off other attacks He began serving in the household of Kamehameha I as an attendant in 1810 at the age of ten and became highly familiar with the inner workings of the royal household His early service took place in a time when ali i nui the highest ranking Hawaiians were considered divine and surrounded with strict kapu sacred prohibitions breaking a kapu pertaining to an ali i meant death for the transgressor He went on to become an influential statesman privy to the shifting modes of governance adopted by the Hawaiian kingdom s intelligence and his good standing with those he served resulted in a great degree of influence within the Hawaiian government with his fellow Hawaiians and with the missionaries residing in the Hawaiian Islands As a privileged spectator and key participant his published accounts of ali i and his insights into early nineteenth century Hawaiian cultural religious practices are unsurpassed In this groundbreaking work Marie Alohani Brown offers an elegantly written and compelling portrait of an important historical figure in nineteenth century Hawai i Brown s extensive archival research using Hawaiian and English language primary sources from the 1800s allows access to information which would be otherwise unknown but to a very small circle of researchers

Hawaiian Women's Fashion Agnes Terao-Guiala,2020-01-15 Hawaiian Women s Fashions Kapa Cotton and Silk traces the history of the clothing worn by the women of Hawaii The description moves from the traditional kapa pa u and natural adornments worn by the first settlers in the Hawaiian Islands through clothing worn during the early interactions with Westerners following Captain James Cook s discovery of Hawaii to the time when royal women carried out their social duties in fancy expensive European gowns of silk and velvet and to the present day fashions created by Hawaiian designers [Queen Liliuokalani](#) Kale Makana,2015-06-12 Discover Queen Liliuokalani The Hawaiian Kingdom s Last Monarch The 1800 s particularly the latter half of that century was a time full of change orchestrated chaos and new beginnings England was in the throes of the Industrial Revolution The United States of America was blazing a trail for the western half of the country In addition to the exploration of the continent the country broke out in a civil war over the matter of states rights South America was in a sort of Cultural Revolution as they drifted away from the control of Spain and their

governments were ruled by military dictators Yet located in the center of Pacific Ocean a string of islands existed making waves in World History comparable to any other much larger country or nation This string of islands is referred to today as Hawaii From how the archipelago measuring over three thousand kilometers long formed the first settlement to the unification of the islands by King Kamehameha the Great Hawaii's rich culture and history takes a hold of you and takes you on a ride of the highs and lows of the monarchy that is until subterfuge trickery and greed snatch the islands from the hands of the last monarch Queen Lili'uokalani Watch as in a matter of forty eight years the population of native Hawaiians drops from ninety five percent to a tiny fifteen percent The young princess must make a decision that could cost many of those under her control the loss of financial prosperity and choose between the lives of her people or their livelihood Follow along as William McKinley deals a final blow to the Hawaiian Kingdom with his McKinley Tariff Act of 1890 Then came the day that the tiny kingdom would find itself absorbed into another the day that Hawaii became a territory of the United States of America in 1898 after the overthrow imprisonment of the Queen sliced through the heart of a kingdom forever changing its history

Raced to Death in 1920s Hawai'i Jonathan Y Okamura,2019-08-30 On September 18 1928 Myles Yutaka Fukunaga kidnapped and brutally murdered ten year old George Gill Jamieson in Waikiki Fukunaga a nineteen year old nisei or second generation Japanese American confessed to the crime Within three weeks authorities had convicted him and sentenced him to hang despite questions about Fukunaga's sanity and a deeply flawed defense by his court appointed attorneys Jonathan Y Okamura argues that officials raced Fukunaga to death first viewing the accused only as Japanese despite the law supposedly being colorblind and then hurrying to satisfy the Haole white community's demand for revenge Okamura sets the case against an analysis of the racial hierarchy that undergirded Hawaiian society which was dominated by Haoles who saw themselves most threatened by the islands sizable Japanese American community The Fukunaga case and others like it in the 1920s reinforced Haole supremacy and maintained the racial boundary that separated Haoles from non Haoles particularly through racial injustice As Okamura challenges the representation of Hawai'i as a racial paradise he reveals the ways Haoles usurped the criminal justice system and reevaluates the tense history of anti Japanese racism in Hawai'i

The Cambridge History of Native American Literature Melanie Benson Taylor,2020-09-17 Native American literature has always been uniquely embattled It is marked by divergent opinions about what constitutes authenticity sovereignty and even literature It announces a culture beset by paradox simultaneously primordial and postmodern oral and inscribed outmoded and novel Its texts are a site of political struggle shifting to meet external and internal expectations This Cambridge History endeavors to capture and question the contested character of Indigenous texts and the way they are evaluated It delineates significant periods of literary and cultural development in four sections Traces Assimilation and Modernity 1879 1967 Native American Renaissance post 1960s and Visions Revisions 21st century These rubrics highlight how Native literatures have evolved alongside major transitions in federal policy toward the Indian and via contact with broader cultural phenomena such as the

American Civil Rights movement There is a balance between a history of canonical authors and traditions introducing less studied works and themes and foregrounding critical discussions approaches and controversies

The Costs of War John V. Denson, 1999 The greatest accomplishment of Western civilization is arguably the achievement of individual liberty through limits on the power of the state In the war torn twentieth century we rarely hear that one of the main costs of armed conflict is long term loss of liberty to winners and losers alike Beyond the obvious and direct costs of dead and wounded soldiers there is the lifetime struggle of veterans to live with their nightmares and their injuries the hidden economic costs of inflation debts and taxes and more generally the damages caused to our culture our morality and to civilization at large The new edition is now available in paperback with a number of new essays It represents a large scale collective effort to pierce the veils of myth and propaganda to reveal the true costs of war above all the cost to liberty Central to this volume are the views of Ludwig von Mises on war and foreign policy Mises argued that war along with colonialism and imperialism is the greatest enemy of freedom and prosperity and that peace throughout the world cannot be achieved until the central governments of the major nations become limited in scope and power In the spirit of these theorems by Mises the contributors to this volume consider the costs of war generally and assess specific corrosive effects of major American wars since the Revolution The first section includes chapters on the theoretical and institutional dimensions of the relationship between war and society including conscription infringements on freedom the military as an engine of social change war and literature and the right of citizens to bear arms The second group includes reconsiderations of Lincoln and Churchill an analysis of the anti interventionist idea in American politics a discussion of the meaning of the just war an assessment of how World War I changed the course of Western civilization and finally two eyewitness accounts of the true horrors of actual combat by veterans of World War II The Costs of War is unique in its combination of historical scope and timeliness for current debates about foreign policy and military intervention It will be of interest to historians political scientists economists and sociologists

The War of 1898 Louis A. Pérez, 1998 A century after the Cuban war for independence was fought Louis Pérez examines the meaning of the war of 1898 as represented in one hundred years of American historical writing Offering both a critique of the conventional historiography and an alternate

A Question of Loyalty Mike Malaghan, 2020-04-15 A Question of Loyalty celebrates the no retreat Japanese Americans who fought the war on two fronts from the heroics of the famed 100th Battalion on the battlefields of Italy to the bitter struggle against dishonor and humiliation at home In this blockbuster sequel to his best selling novel Picture Bride Mike Malaghan continues the story of Haru Takayama the proud Japanese immigrant who makes Hawaii her home and raises her children as loyal Americans But Haru's world changes forever when Japan attacks Pearl Harbor her husband is arrested and a son is discharged from his ROTC unit simply for wearing the face of the enemy and two other children find themselves trapped in Japan

Unequal Freedom Evelyn Nakano GLENN, 2009-06-30 The inequalities that persist in America have deep historical roots Evelyn

Nakano Glenn untangles this complex history in a unique comparative regional study from the end of Reconstruction to the eve of World War II. During this era the country experienced enormous social and economic changes with the abolition of slavery, rapid territorial expansion and massive immigration and struggled over the meaning of free labor and the essence of citizenship as people who previously had been excluded sought the promise of economic freedom and full political rights. After a lucid overview of the concepts of the free worker and the independent citizen at the national level, Glenn vividly details how race and gender issues framed the struggle over labor and citizenship rights at the local level between blacks and whites in the South, Mexicans and Anglos in the Southwest and Asians and haoles the white planter class in Hawaii. She illuminates the complex interplay of local and national forces in American society and provides a dynamic view of how labor and citizenship were defined, enforced and contested in a formative era for white-nonwhite relations in America. *The Diary of Queen Lili'uokalani* Liliuokalani (Queen of Hawaii), Bernice Pauahi Bishop Museum. Archives, 1992. *Hawaiian Sovereignty* Thurston Twigg-Smith, 1998. **Agents of Transculturation** Sebastian Jobs, Gesa Mackenthun, 2013. Ever since antiquity but increasingly since the global transformation of the world order in the early modern period, communication between members of different cultural groups depended on translators, diplomats, traders and other specialists with a knowledge of both cultures. Successful communication and traffic relied on the mediating agency of persons who had been exposed often in their childhood or through captivities to the customs and languages of both cultures involved in the contact. Other border crossers and go-betweens acted as missionaries, traders, political refugees, beachcombers, pirates, anthropologists, actors, in zoos, runaway slaves and itinerant doctors. Because of their frequently precarious lives, the written traces left by these figures are often thin. While some of their lives have to be carefully reconstructed through critical readings of the documents left by others, frequently by their enemies, others have left autobiographical texts which allow for a richer assessment of their function as cultural border crossers and mediators. With examples covering from various historical periods between the early modern period and the present as well as geographical areas such as the Mediterranean, Africa, the Americas, Hawaii, New Zealand and northern Europe, scholars from various disciplines and methodological backgrounds, reaching from history to religious studies and from literary studies to ethnology, fathom the intricacies of in-betweenness and reflect on the impact which agents of transculturation have in situations of cultural, social and political encounters.

Hawaii's Story Liliuokalani (Queen of Hawaii), 1898. **Subject Headings for School and Public Libraries** Joanna F. Fountain, 2001. Provides headings for topics, literary and organizational forms and names of individuals, corporate bodies, places, works and so on that might be needed to catalog a general collection used at least in part by children and readers or viewers interested in popular topics. *Hawaiian National Bibliography, 1780-1900* David W. Forbes, 2000-08-01. The second volume of the Hawaiian National Bibliography records the transformation of Hawaii from a feudal system of government to a constitutional monarchy whose autonomy was recognized by the United States and the great powers of Europe. Here are

referenced the formation of laws a constitution a bill of rights and government reports Political entanglements with Great Britain and France the Provisional Cession of Hawaii to Great Britain and the restoration of sovereignty in 1843 are documented Publications resulting from the United States Exploring Expedition under Captain Charles Wilkes are included Also listed and described are theater bills broadsides and other ephemera which illuminate the everyday life of the period

The Historical Foundations of World Order Douglas M. Johnston, 2008 In *The Historical Foundations of World Order* the Tower and the Arena Douglas M Johnston has drawn on a 45 year career as one of the world s most prolific academics in the development of international law and public policy and 5 years of exhaustive research to produce a comprehensive and highly nuanced examination of the historical precursors intellectual developments and philosophical frameworks that have guided the progress of world order through recorded history and across the globe from pre classical antiquity to the present day By illuminating the personalities and identifying the controversies behind the great advancements in international legal thought and weaving this into the context of more conventionally known history Johnston presents a unique understanding of how peoples and nations have sought regularity justice and order across the ages This book will appeal to a wide spectrum of readers from lawyers interested in the historical background of familiar concepts to curriculum developers for law schools and history faculties to general interest readers wanting a wider perspective on the history of civilization Winner 2009 ASIL Certificate of Merit for a Preeminent Contribution to Creative Scholarship
