## *Arkham Knight Collector's Edition*

The all-new anthology series continues with new tales of mystery, mayhem and madness from all levels of Gotham City by some of the finest talents in comics. In this auspicious issue:

- Eisner Award-winning collaborators Tom King and Mitch Gerads (Mister Miracle, Strange Adventures) tell a tale of Batman administering a form of last rites to a dying priest. Or is it the other way around?
- Eisner-nominated storytellers Gabriel Hardman and Corinna Bechko (Green Lantern: Earth One) find the Dark Knight facing certain death-with The Joker his last lifeline.
- Multiple award-winner for his innovative work on Hawkeye, David Aja writes and draws his first DC story, in which Batman is set on the trail of a deadly cult preying on Gotham City-and it's one you'll be talking about all year!
- The brilliant Sophie Campbell (Jem and the Holograms, Teenage Mutant Ninja Turtles, Wet Moon) returns to DC after a 10-year absence to follow Batman and Catwoman on one of their greatest chases ever.
- Celebrated artist of S.H.I.E.L.D. and Avengers and the creator of Paklis, Dustin Weaver makes his DC debut as Batman takes to the sky in a stunning aerial battle against one of the most unsettling foes he's ever faced.

Riddler - it's a must have for DC Comics fans. Have You Ever Wondered How "The Simpsons" Predict the Future? "Did The Simpsons really, truly predict anything? I predict you'll have to purchase this book to get the true story." —Bill Oakley, Simpsons writer and producer #1 New Release in Animated Movies, Comedy Movies, and Comedy Television Then, The Simpsons Secret is the book for you. Delve into some of the biggest predictions that came true on the show, and just how the Simpsons predict the future. Simpson predictions from three-eyed fish to presidential elections. "The Simpsons" has been predicting major events with scary accuracy for over three decades. From Donald Trump's presidency to Disney buying 20th Century Fox (...years before it happened!). People just can't seem to get enough and are eager to know what they are going to predict next. This book goes behind the scenes of this adored cartoon series, and the family we've grown to love. Between Homer, Marge, Bart, Lisa, and the rest of the Simpsons family, the show has stolen our hearts, and also left us amazed at how often the Simpsons predict the future! So how do they do it? Is it a crystal ball? A fountain of knowledge? Have the writers gained the ability to travel through time? As shocking as it may seem, the answer is actually a little simpler than that. The cartoon crew is not in a secret society that can see the future, nor have they mastered the art of time travel. In The Simpsons Secret, learn more about: How The Simpsons are able to predict so many

major events How the show writers and producers come up with these ideas And so much more about your favorite old-school cartoon family If you enjoyed books like Springfield Confidential, The Simpsons Family History, Friends Forever, or The Office, you'll love The Simpsons Secret. Helps librarians who are not themselves seasoned gamers to better understand the plethora of gaming products available and how they might appeal to library users. As games grow ever-more ubiquitous in our culture and communities, they have become popular staples in public library collections and are increasing in prominence in academic ones. Many librarians, especially those who are not themselves gamers or are only acquainted with a handful of games, are ill-prepared to successfully advise patrons who use games. This book provides the tools to help adult and youth services librarians to better understand the gaming landscape and better serve gamers in discovery of new games—whether they are new to gaming or seasoned players—through advisory services. This book maps all types of games—board, roleplaying, digital, and virtual

reality—providing all the information needed to understand and appropriately recommend games to library users. Organized by game type, hundreds of descriptions offer not only bibliographic information (title, publication date, series, and format/platform), but genre classifications, target age ranges for players, notes on gameplay and user behavior type, and short descriptions of the game's basic premise and appeals.
