*The Wave* Todd Strasser, 2013-01-08 This novel dramatizes an incident that took place in a California school in 1969. A teacher creates an experimental movement in his class to help students understand how people could have followed Hitler. The results are astounding. The highly disciplined group modeled on the principles of the Hitler Youth has its own salute, chants, and special ways of acting as a unit and sweeps beyond the class and throughout the school, evolving into a society willing to give up freedom for regimentation and blind obedience to their leader. All will learn a lesson that will never be forgotten.

**Escaping the Giant Wave** Peg Kehret, 2015-03-17 When an earthquake hits on their family vacation, can Kyle and his sister survive the following tsunami? The Worst Vacation Ever Thirteen-year-old Kyle thought spending a vacation on the Oregon coast with his family would be great. He'd never flown before and he's never seen the Pacific Ocean. One evening Kyle is left in charge of his younger sister BeeBee while his parents attend an adults-only Salesman of the Year dinner on an elegant yacht. Then the earthquake comes, starting a fire in their hotel. As Kyle and BeeBee fight their way out through smoke and flame, Kyle remembers the sign at the beach that said after an earthquake everyone should go uphill and inland as far from the ocean as possible. Giant tsunami waves three or four stories high can ride in from the sea and engulf anyone who doesn't escape fast enough. Kyle and BeeBee flee uphill as a tsunami crashes over the beach, the hotel, and the town. The giant wave charges straight up the hillside and through the woods where the children are running for their lives. The perfect vacation has become a nightmare. Somehow Kyle and BeeBee have to outwit nature's fury and save themselves from tsunami terror.

The Big Wave Pearl S. Buck, 2012-08-21 The classic tale of a Japanese boy orphaned by a tsunami from the author of *The Good Earth*, the first American woman to win the Nobel Prize in Literature. On a mountainside in Japan, two boys enjoy a humble life governed by age-old customs. Jiya belongs to a family of fishermen; his best friend Kino farms rice. But when a neighboring volcano erupts and a tidal wave swallows their village, including Jiya's family, life as they know it is changed forever. The orphaned Jiya must learn to come to terms with his grief. Now facing a profoundly different life than the one he'd always taken for granted, he must decide on a new way forward. Written with graceful simplicity, *The Big Wave* won the Children's Book Award of the Child Study Association of America when it was first released. This ebook features an illustrated biography of Pearl S. Buck, including rare images from the author's estate.
