The Ghost Jan 04 2023 "The best book ever written about the strangest CIA chief who ever lived." - Tim Weiner, National Book Award-winning author of *Legacy of Ashes* A revelatory new biography of the sinister, powerful, and paranoid man at the heart of the CIA for more than three tumultuous decades. CIA spymaster James Jesus Angleton was one of the most powerful unelected officials in the United States government in the mid-20th century, a ghost of American power. From World War II to the Cold War, Angleton operated beyond the view of the public, Congress, and even the president. He unwittingly shared intelligence secrets with Soviet spy Kim Philby, a member of the notorious Cambridge spy ring. He launched mass surveillance by opening the mail of hundreds of thousands of Americans. He abetted a scheme to aid Israel's own nuclear efforts, disregarding U.S. security. He committed perjury and obstructed the JFK assassination investigation. He oversaw a massive spying operation on the antiwar and black nationalist movements and he initiated an obsessive search for communist moles that nearly destroyed the Agency. In *The Ghost*, investigative reporter Jefferson Morley tells Angleton's dramatic story, from his friendship with the poet Ezra Pound through the underground gay milieu of mid-century Washington to the Kennedy assassination to the Watergate scandal. From the agency's MKULTRA mind-control experiments to the wars of the Mideast, Angleton wielded far more power than anyone knew. Yet during his seemingly lawless reign in the CIA, he also proved himself to be a formidable adversary to our nation's enemies, acquiring a mythic stature within the CIA that continues to this day.

Approaching Armageddon Mar 06 2023 Riots. Pandemic. Divisions. Confusion. Mayhem. Wars and rumors of wars. The world around us is changing quickly; we find ourselves wondering what will be next. What does it all mean? What does the Bible say about the unique time we're living in? As the world seems to be getting crazier by the moment, we are actually in a season of wonderful expectation for the Kingdom of God! In *Approaching Armageddon*, Steve Wohlberg takes a detailed look at the Word of God, shedding a very hopeful light on this hour in history and revealing what is to come. He explains how chaotic world events are now fulfilling Bible prophecy, that God is fully in charge, and that there is a very real, fantastic future for those who choose to be part of God's Kingdom. Jesus told us there would be signs pointing to His return and Scripture gives us some specific details about how these things will unfold. *Approaching Armageddon* offers readers: A hopeful perspective on current events - not a report of "doom and gloom" Solid confidence that ancient biblical predictions are both trustworthy and accurate. Biblical truths about earth's last battle, where it will occur, who's involved, and who will win. A reminder that the hope of humanity is the return of Jesus Christ, as plainly predicted in Scripture. Encouragement to press into the personal and infinite love of Jesus Christ, which gives you hope for a glorious, eternal future with Him. Turn off the daily news and hear a good report! Let Steve Wohlberg impart biblical prophecy and embrace the hope of the Lord for all who follow Him!

BLACK Dec 03 2022 Rev. James Lamb has provided the Afro centric Spiritual community a tremendous literary historical-theological treatise. The psycho-social issues facing the African American community today have their roots in the legacy of white supremacy which has dominated Black life in all areas of human activity, including economics, education, entertainment, labor, law, politics, religion, sex and war. *BLACK* uncovers the historical legacy of this dehumanization process and provides the solution for the African American community to reclaim its African soul by restoring its memory of the Ancient Egyptian genius to address contemporary struggles of Black life in all areas of people activity, including economics, education, entertainment, labor, law, politics, religion, sex and war. Rev. Richard D. Bullard, ThM Senior Pastor of Grace Evangelical Baptist Church Pine Bluff, Arkansas "This book parallels the practice of religion and the history of African and African American culture. Rev. Lamb takes the reader on his lifelong journey of discovery and realizations of his morality and his responsibility as a man of the cloth. This book offers compelling dialogue that makes the reader reflect and search within for answers we should all seek for ourselves." Garbo Hearne, Independent Bookseller, Pyramid Art, Books & Custom Framing *BLACK: A clear straight forward historical and present day look into the complex world of Black people. From genius Empires displayed historically through slavery, Jim Crow, racial tension and Black on Black crimes; BLACK stands as a monument of practical resource information giving revelation of a great history. BLACK should be required reading in all educational institutions. Frazier Lamb Social Worker Department of Children Family Services State of Connecticut* *Follow Me to Armageddon* Feb 05 2023 The apocalypse is over. Armageddon is about to begin. The last survivors of the apocalypse have woken up after two hundred years in cryosleep. The bunker cohorts scattered across the country have different rules, rivalries, and expectations for the future. Joanna Murphy travels to the Oregon bunker, hoping to forge an alliance between the cohorts. But Oregon is on edge after an attack, and they're in no mood for peace talks. Charlotte Hartland needs to move her cohort to better land, but her people fear the outside world, and they're questioning her leadership. Joanna's arrival could undo all Charlotte's progress. When strangers from a third bunker appear, Joanna and Charlotte must work together to combat a startling new threat. If violence breaks out between the cohorts, it could destroy everything they've built.

[Armageddon and Beyond](#) Apr 19 2024 *Armageddon and Beyond* is an epic fictionalized account of the final battle between both opposing forces of energy. It is only when all energy is released from physical bondage that the final battle of energy against energy can occur. Humanity continues to evolve as a species throughout the forthcoming 27,000 years. It endures four great devastations over this time until it eventually experiences the ultimate devastation. Tens of billions of people die. After each event, survivors regenerate and rebuild humanity's numbers. After the final devastation which is delivered by the Maker species, humanity is delivered. The Maker species returns to their ancient species and builds the New World using their technology. Three great cities are constructed. They evolve human consciousness and connect it to alternate realities. New World humanity communicates telepathically, teleports over great distances, and has a more advanced mind than any of its ancestors. Thus, the New World and Grand Council is assembled and the time of the prophecy is at hand! The gifts of knowing and the awakening are given to every living species. These gifts set off the chain of events that lead to the ultimate death and destruction of all! *Armageddon and Beyond* is a thought-provoking, entertaining, emotional roller coaster ride of the battle of good versus evil, light versus dark, and the battle between the legions of the light and those of the dark. Which force of energy will survive this great battle and seize control over all the dimensional realities and future living species? [Angel of Armageddon](#) Aug 11 2023 It all comes down to one final fight for the future of the Federation. Even without the Morgana in her head, Stephanie's attitude has become dark indeed. Now, she has decided the best way to stop a war, is attack. Unfortunately, the Telorans have not arrived, and will likely miss this battle. Stephanie considers the cost in lives of those in cryo-storage and is willing to gamble the whole effort to save those who are still sleeping. Is it the best decision militarily? Probably not. But if she didn't, she wouldn't be the Witch of the Federation. It's the final book, strap yourself in and let's get started.

[Operation Armageddon](#) Nov 02 2022 "Operation Armageddon is the first installment in the "Brotherhood of the Sword" trilogy. It begins the story of "The Brotherhood". The evil swells from before the birth of Christ to present day in this first installment. Throughout the ages there have been men and women possessing hearts of pure evil. Adolf Hitler, Charles Manson, Jim Jones, Joseph Stalin, Belle Gunness, Irma Grese and Elizabeth Bathory are just a few that hold that place in history. Although the characters in this novel are fictitious the evil that they represent is real. When I first started to write what has now grown into "The Brotherhood of the Sword Trilogy" my goal was to write a simple mystery. During that process the characters began to take control of the story and out came this soon to be complete trilogy about true evil. I

hope that you will enjoy the story laid out before you. It is the timeless struggle of good versus evil. I truly believe that in the end good will always triumph over the will of the adversary. If you don't know who the adversary is or you choose to deny his existence you will be hard pressed to defend yourself against his assault. Between the pages of these three books you will learn who he is and what he wants. This story is fiction, but his goal is fact. In Franklin Roosevelt's first inaugural address he said "the only thing we have to fear is fear itself". In the case of The Brotherhood he was wrong, dead wrong. I would put the emphasis on "dead".

Our American Israel Jul 10 2023 How did a Jewish state come to resonate profoundly with Americans in the twentieth century? Since WWII, Israel's identity has been entangled with America's belief in its own exceptionalism. Turning a critical eye on the two nations' turbulent history together, Amy Kaplan unearths the roots of controversies that may well divide them in the future.

Armageddon--And After Jul 18 2021 Book Excerpt was Napoleon III. Then, after the Franco-German war, there was Bismarck. Now it is Kaiser Wilhelm II. The emergence of some ambitious personality naturally makes Europe suspicious and watchful, and leads to the formation of leagues and confederations against him. The only thing, however, which seems to have any power of real resistance to the potential tyrant is not the manoeuvring of diplomats, but the steady growth of democracy in Europe, which, in virtue of its character and principles, steadily objects to the despotism of any given individual, and the arbitrary designs of a personal will. We had hoped that the spread of democracies in all European nations would progressively render dynastic wars an impossibility. The peoples would cry out, we hoped, against being butchered to make a holiday for any latter-day Cæsar. But democracy is a slow growth, and exists in very varying degrees of strength in different parts of our continent. Evidently it has not yet discovered its own power. We have sadly to recognize

The New World Chronicles Oct 13 2023 This is a compilation of short stories describing life as it could be after the beginning the promised New World, and after the end of the Old System of Things. It is a fictitious description of what life could be like in Paradise: a life without suffering, without pain and the problems of today. Although the characters on this small stage and their surroundings are pure imagination, the various fights they went through in the past, and probably some of the challenges they face in the future, aren't. The stories all happen between the Great Day and the End of the 1.000 Year Reign. They describe the hope, the freedom and love of the future, and the warning of the wicked past. A New World is being built. An old one is being dismantled. Old and new love is bound. Decisions have to be made. This book is designed to give an enlightening, humorous yet faith-strengthening look into the future. They are a peek at what life in the New World after Armageddon could look like, in day to day life, from the viewpoint of day to day people.

Forty Days to Armageddon II Jun 16 2021 Forty Days to Armageddon II: Watchdog, and the Ghost Army. The excitement continues the story from the first Watchdog tale. Will one half billion people die? Thirty-three days have expired and in the last seven days, the stakes reach a fever pitch. In book one; Iran is devastated by an oil spill of unimaginable proportions. This was brought about in a bold high seas mission by a Somali pirate, Admiral Mahdi, who was given stealth military hardware by the Russians. His actions create a massive ecological disaster that leaves Iran devastated. He and his B-Wasy Somali Marines are given refuge in Venezuela where he intends to live out his life peaceably as the son of a fisherman. A ruthless cyber criminal, Chris LE Blanc is sent to Jerusalem where he is directed to assist the Israelis in bringing the Iranian centrifuges to a grinding halt. Watchdog, the right-hand man to the POTUS, works with the Russians and brings the two nations together hopefully in a new world of mutual friendship. The story continues: Iran is declared unsuitable for habitation and the citizens are dying for lack of food and substance. The Supreme Leader of Iran is now desperate to find new lands for his citizens and decides that Israel and the USA are his only course for settling in new lands. He trades with the DPRK for several atomic warheads with the hope that he can destroy the armies that hold the border and keep his people trapped inside Iran. All of this is followed by espionage, dirty deals, and double crosses that need the attention of Watchdog. If the USA is to survive, he must overcome all that is thrust upon him and try to save the USA from foreign intrusion. He must make new alliances and cast aside everything he has ever learned as the rulebook is thrown out the window. Chris LE Blanc, a cyber criminal now takes center stage. Will he save the entire world from destruction? He refuses to cooperate and makes life difficult for the Israeli while the Iranians threaten to launch WMD's toward Palestine. And we will see the infamous Somali pirate, Admiral Mahdi step up to the plate when the destruction of the USA is at stake. As the tale continues we can see he may very well be the most important man in the history. It is a world turned upside down overnight. Be prepared for a story that will leave you breathless and wishing for more Watchdog tales.

Orion Files Dec 23 2021 Marcus Hunter, longtime veteran CIA C-4 operative, finds himself torn between depressing ambivalence and utter futility concerning his job and life. Everything quickly changes, however, when he is shot in a failed 'sting' operation in Sarajevo and pronounced dead. An hour later he is discovered, alive and well muttering incoherently, "They said... it isn't time yet." Following his return to a Washington DC hospital in hopes of understanding the mystery of his astounding recovery, the sudden and unexpected discovery of the ominous Orion File accelerates life at the CIA in a frantic and frightening direction. Marcus quickly finds himself instrumental in uncovering the fact that the plans outlined in the file, promises to launch America on an irrevocable course to Armageddon. Now finding himself the focus of the dangerous and powerful people behind the nefarious plot, he is forced to escape, soon finding himself in India, where he once again survives certain death, yet awakens to a world of darkness and uncertainty, with no memory of any past reality. Lost and alone, he is at last guided by the strange Dr. Pratab Singh, to an ancient monastery high in the mountains bordering India and Tibet. There, to his amazement, he encounters three like-minded friends who have risked their lives pursuing him from DC. Together, in their frantic search for answers and the growing threat of certain death from CIA and military pursuers, they soon find themselves guided by a strange Alien force to a frightening realization, for which none of them are prepared. They may all be of an origin none of them could have ever thought... possible.

A Hidden World Jun 09 2023 A Hidden World, the first book of the apocalyptic saga, tells the story of Cristina who is harassed by a family of money, the Hinzperrets, who by using the psychotronic machine in her discover her legacy and want to appropriate it with different maneuvers supported by an indigenous family with his spells and kabalah, activating his memory against the war of Armageddon. With their torture and violation of ancient pacts, the Hinzperrets unleash an apocalyptic war within the same forces of Samael, also known as Luzbel, which is a preparation for the war of Armageddon against the Creator, the final battle. During the harassment Cristina remembers dreams of her childhood, which she discovers in the course of the book that they are her astral life and experiences of a parallel life with the world government and the rulers behind the rulers of the planet, who prepared her to be part of apocalyptic warfare in your forces from its cradle and command Armageddon. If you like science fiction and adventure, I invite you to read the saga of A Hidden World, an apocalyptic novel, where the characters of Cristina's dreams come to life

Why Did Yahweh and His Son Yahshuah Say What They Said? Mar 14 2021 YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been "Spiritualized" for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving it to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today.

However, most of today's Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, "Is the Bible only about Israel?" And, if so, how does it affect our Eschatology today? This book answers these hard questions...

Alien Armageddon Sep 12 2023

Biblical Eschatology: Aug 19 2021 In recent history, men from a variety of backgrounds have come to the same conclusion: that the Bible is about Israel only. For example: In 1861, John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come, O Come Emmanuel. Ever since 1861, Christians have sung that hymn at Christmas time, especially at Advent. Do you know what the words really mean that you are singing? In 1878, Edward Hine wrote an article titled, Seven-Eighths of the Bible Misunderstood, wherein he explains that seven-eighths of the Bible is about national salvation, i.e. the national salvation of True Israel; whereas, only one-eighth of the Bible is about personal salvation. Did you know that? In the 1960's, Pastor Sheldon Emry wrote an article title, An Open Letter to Any Minister Who Teaches the Jews Are Israel, wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998, Arnold E. Kennedy wrote a book titled, The Exclusiveness of Israel, wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel. So, here we are in the Twenty-First Century, and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshuah and His disciples, i.e. the Gospel of the Kingdom. So, where did the so-called churches and pastors go wrong? By the way, is there really a hierarchy in the Bible? In order to find out what the truth really is, we have to look at the original languages in which the Bible was written and then translated. For example, the Old Testament was written in Hebrew and Aramaic, then translated into Greek. The New Testament was written in Hebrew and Greek. Both Testaments were put together and translated into Latin, then German, and finally into English, from which the entire world received their own translation of the Bible. So, what was the original meaning of the words used in the original languages, i.e. the etymology of the words. Once that is determined, then we can go onto the next phase and discuss types in the Bible. From there, what is the Law of First Mention? How should Bible prophecy be interpreted? Who are the keys to Bible prophecy? Where are we in the Bible prophecy timeline? During these discussions, we will find out who Yahweh chose of all the families of the earth to make His own. The churches teach universalism. The question then becomes, Who was Yahweh's Law given to? What are the Laws of Yahweh? And then the even bigger question becomes, Who was Yahshuah sent to? All of these questions and more will be answered as you read this book...

Nuclear Winter Armageddon Apr 07 2023 For decades, Nuclear Armageddon hanged over us like a mighty sword. Some said it would be the war to end all wars. They were wrong. The real battle against extinction was just beginning. International bestselling author, Bobby Akart, one of America's favorite storytellers, delivers up-all-night thrillers to readers in 245 countries and territories worldwide. "Masterful and suspenseful!" This is how the world ends. Not with a bang, but with many nuclear bombs detonated around the planet. It was no longer a topic of conversation around the dinner table as in years past. Nobody was prepared, including the world's governments. Yet the threat was always real and the devastation was predictable. "Bobby's uncanny ability to take a topic of what could happen and write an epic story about it is short of preternatural!" The damage was incalculable. Millions died at the points of impact. Nuclear Winter spread across the globe. A rapidly cooling climate shocked humanity and all living things ... to their death. Akart's new Nuclear Winter series depicts a world on the edge of nuclear Armageddon. Nuclear Armageddon became reality and ordinary Americans are paying the price. "I never would have believed that Mr. Akart could outdo himself! Well, he has! This series is quite possibly the best he has ever written." This is more than the story of nuclear conflict. It's about the devastating effects wrought by Nuclear Winter. Our possible future is seen through the eyes of the Albright family whose roots stretch back to the early settlement of the Florida Keys. While they fight for survival, they trek across a rapidly deteriorating landscape wrought with danger from both the elements and their fellow man. It was not our fight, but it became our problem. "I am speechless. By far the most edge of your seat, acrylic nail biting book ever. E V E R." Bobby Akart has delivered intense, up-all-night thrillers that have you whispering just one more chapter until the end.

Deterring Armageddon: A Biography of NATO Mar 18 2024 The history of the world's most successful military alliance, from the wrecked Europe of 1945 to Vladimir Putin's invasion of Ukraine. As they signed NATO into being after World War II, its founders fervently believed that only if the West's democracies banded permanently together could they avoid a catastrophic global atomic conflict. Over the 75 years since, the alliance has indeed avoided war with Russia, also becoming a major political, strategic and diplomatic player well beyond its borders. It has survived disagreements between leaders from Eisenhower, Churchill and de Gaulle to Trump, Stoltenberg and Merkel, faced down Kremlin foes from Stalin to Putin and endured unending questions and debate over what new nations might be allowed to join. Deterring Armageddon takes the reader from backroom deals that led to NATO's creation, through the Cold War, the Balkans and Afghanistan to the current confrontation with the Kremlin following the invasion of Ukraine. It examines the tightrope walked by alliance leaders between a powerful United States sometimes flirting with isolationism and European nations with their ever-evolving wishes for autonomy and influence. Having spent much of its life preparing for conflicts that might never come, NATO has sometimes found itself in wars that few had predicted - and with its members now again planning for a potential major European conflict. It is a tale of tension, danger, rivalry, conflict, big personalities and high-stakes military and diplomatic posturing - as well as espionage, politics and protest. From the Korean War to the pandemic, the Berlin and Cuba crises to the chaotic evacuation from Kabul, Deterring Armageddon tells how the alliance has shaped and been shaped by history - and looks ahead to what might be the most dangerous era it has ever faced. 'Utterly eye-opening - compelling, haunting and continually illuminating. As Peter Apps so brilliantly demonstrates in this gripping book, the story of the NATO alliance is in many ways a parallel global history of the last 75 years. As well as all the outbreaks of seething tension between the US and its European allies - and the counter-moves of rival powers - this is also an account of just how often in those postwar years that we all stood on the edge of the most terrible abyss. With mesmerising fluency, and dazzling research, Apps follows the criss-crossing threads of the Cold War and beyond. Those threads converge in our shadowed present, and the conflict in Ukraine. In order to fathom today's dark world, Apps has explored a labyrinth of once-classified history, and he brings dazzling clarity.' - Sinclair McKay

The Heart of War Apr 14 2021 "...I want so much to blame you for this. You got me involved and started me on a path. You educated me and taught me how to think. You showed me how to look at everything and everyone differently, taught me skills and had others teach me. You readied me to make war with hell, Dad...and then...you never came home. This person I've become...you created her; everything suppressed and lying dormant was awakened by what you did..." -Lauren Russell (from INDIVISIBLE, Book 6 of the What's Left of My World Series) A world subjugated by tyranny. A society unraveled. A nation in shambles. A population decimated. A future boundlessly uncertain. A community of families on the verge of extinction. The Russell family is finally reunited and the citizens of Trout Run Valley are blessed with a period of repose, but the interlude does not last. Measures of aggression resume against them yet again, only this time, escalate to an unprecedented degree of ruthlessness, forcing the surviving victims to their breaking points. Lauren Russell has fearlessly fought for her community, for her family and friends, for herself, and for the rights of those foreign to her. Now, she finds herself battling insurmountable odds once again for everything she has left-for what's left of her world. How far will

Lauren go to put an end to the oppression that has so relentlessly plagued her existence? Will she right all the wrongs on her own? Will she go to war?

The Last Vampire Sep 19 2021 The Last Vampire: the Blood Armageddon Series It's been 15 years since the world fell apart under the onslaught of a vampire horde. Nothing is the same. The suckers own the night and survivors of the apocalypse move about only by day. Earth has been reduced to ashes as evil has taken it over piece-by-piece. Few have been able to stand against the onslaught. Except for a rare breed of warriors seeking to eradicate the scourge that plagues Earth. They call themselves Mortal Makers. And Declan is the best. A former member of SEAL Team Six, Declan uses his skills to track down and eliminate as many vampires as he can. On a quest to find the Source, the "vampire zero" that started the Event in the first place, Declan uses an unorthodox method to attract suckers right to him before he kills them. But as he travels further west on his mission, he finds that not all of the evil left in the world exists only at night. Sometimes the living are worse than the undead. This is Book 1 in the Blood Armageddon series About the Author: Jon F. Merz is the author of over 30 novels (including the bestselling Lawson Vampire supernatural espionage series and Ninja Apprentice series) ranging from urban fantasy to espionage and sword & sorcery fantasy. Prior to becoming a full-time writer Jon served in the United States Air Force, protected a variety of Fortune 500 executives, and taught defensive tactics to government agencies like the State Department, Bureau of Prisons, and others. He is an active CrossFitter, a 5th degree black belt in Togakure-ryu Ninjutsu, enjoys doing GORUCK challenges, and in 2014 started modeling and acting, most recently starring as Alfred P. Sloan in THE CARS THAT MADE AMERICA on the History Channel. He lives each and every day by the motto, "Who Dares Lives."

All Things New Nov 21 2021 All Things New is a compendium of fictional eye-witness accounts of the events culminating in and following Armageddon. Interviewees from around the world explain their unique struggles and relate how they passed through the Great Tribulation. Join the writer, Mitch Hanson, as he travels the New World, reporting on the rebuilding efforts of the Organization and the massive tasks involved with the preparation for the Resurrection.

The Annunaki Enigma Feb 17 2024 Much has been written lately about a prophetic period in the future of our planet that is being referred to as "End Times". It is predicted to run collaterally with the formation of a one world government or what some may call a "One World Order", and climax with a great war in Israel over a mound known as 'har Megiddo' where the forces of good and evil clash in a battle that will end in the forces of evil being stopped and the leader, Satan, being thrown into an abyss for a thousand years. Current geopolitical events are seemingly moving in such a pattern. Are these Biblical prophecies actually about to take place? Have leaders in our past believed the Bible's predictions and actually prepared for such a global disaster. The Annunaki Enigma: Armageddon 2012 looks at current events and the attitudes of today's leaders and sees a parallel with the prognostications of the early writers of the Bible. If this comes true, how will our Creator respond? Will He join forces with those on Earth to defeat such an enemy? Has He already set up a scenario for the defense of His creations at some point earlier in our history?

Fires of the Ates Feb 10 2021 A Hair-raising thriller! The rod of Aaron, thought to be lost to the ages, has been hidden away for centuries, guarded by a secret brotherhood dedicated to its preservation. But now it's been stolen and multiple factions, each with their own agenda, are in pursuit of this rare relic that may be the key to initiating Armageddon. Rescue and recovery specialists Marc and Dana Huntington are hired to find this sacred scepter and are immediately plunged into a frenzied struggle against a fiery menace birthed in the ancient past. Death surrounds them as they race across Egypt in pursuit of the rod, battling ruthless opposition from every corner even as the clock ticks toward global devastation.

War and Wonder Jun 28 2022 Callie Evans and her team of Last Days Saints must navigate Armageddon with its Judgments and its trials, slaying demons and saving as many souls as they can before the world stops spinning. But, can Callie find a way to get into hell and rescue Romuel from the wicked Deyanna?

Times of Judgment Feb 22 2022 The sixth of seven novels in the Christian fiction series, The End Times Saga. Times of Judgment goes through the last three and a half years of the seven year Tribulation Period. The world leader gets "assassinated" and Lucifer teams up with him shortly before he's "resurrected" to become the Anti-Christ. They begin persecuting Israel and the one hundred and forty four thousand witnesses for Christ as the Bowls of Wrath are poured out and more of God's judgments are unleashed on the unredeemed of Earth. Everything leads up to the final battle between Lucifer's forces and God at Armageddon.
