B. Peeler, Patrick Gray, 2020-01-09 This volume offers a compact introduction to one of the most daunting texts in the New Testament The Letter to the Hebrews has inspired many readers with its encomium to faith troubled others with its hard sayings on the impossibility of a second repentance and perplexed still others with its exegetical assumptions and operations drawn from a cultural matrix that is largely alien to modern sensibilities Long thought to be Paul the anonymous author of Hebrews exhibits points of continuity with the apostle and other New Testament writers in the letter s or sermon s vision of life in the light of the crucified Messiah but one also finds distinctive perspectives in such areas as Christology eschatology and atonement Gray and Peeler survey the salient historical social and rhetorical factors to be considered in the interpretation of this document as well as its theological liturgical and cultural legacy They invite readers to enter the world of one of the boldest Christian thinkers of the first century *Women in the New Testament* Mary Ann Getty-Sullivan, 2017-06-15 Much of the history of women in religion as in other fields is lost because it was overlooked or considered unimportant It is therefore surprising that so many

fragments of women's stories survive in the New Testament texts composed by men. Why did they include so many references to women and why are women as a group treated so positively by the male New Testament writers? Women in the New Testament shows how the stories of women are an integral part of the Gospel and its meaning for us. It also relays how we can respond to the challenge these women represent, whether we are men trying to understand or women trying to find our voices within the tradition of faith found in the New Testament. Chapter one discusses three women of expectant faith. Chapters two and three deal with women who are changed by Jesus. Chapter four focuses on New Testament women of influence. Chapters five and six show how women disciples spread and gave shape to the gospel message. Chapters are: Women of Expectant Faith, Women Changed by Jesus, More Women Changed by Jesus, Women of Prominence, Women and Discipleship, and More Women and Discipleship. Mary Ann Getty Sullivan, PhD, teaches at St Vincent College and St Vincent Seminary, Latrobe, Pennsylvania. She is the author of First and Second Corinthians from the Colledgeville Bible Commentary series, author of the God Speaks to Us series of children's books, and editor of the Zacchaeus Studies New Testament series published by The Liturgical Press.

The New Testament You Never Knew Bible Study Guide N. T. Wright, Michael F. Bird, 2019-02-05. Do you know the real story behind the New Testament? We all share a fascination for discovering the rest of the story. We enjoy learning the behind-the-scenes facts about seemingly familiar events. In *The New Testament You Never Knew*, well-known Bible scholars N. T. Wright and Michael F. Bird team up to take you on a tour of the explosive story behind the story of the New Testament. You will discover things you never knew about: The political upheaval of the day that made the nature of Jesus coming so unexpected; The underlying meanings behind Jesus' parables and miracles; The Kingdom of God and why everything about it was so shocking; The resurrection and why, despite repeated predictions, no one saw it coming; The mission of the church and how it is more complex than we realize; The transforming power of Jesus and how it can still turn the world upside down today. Through reading the New Testament, we continually discover that God indeed keeps his promises, but those promises don't always look like what people expected. Especially when it comes to Jesus. So come join the journey to discover why N. T. Wright calls the New Testament one of the most explosive books ever written. The study guide, DVD, video streaming (sold separately), includes teaching notes, discussion questions, Bible exploration, personal study, and reflection materials, as well as interesting facts about the New Testament. Sessions include: The Books of the New Testament; The World of Jesus and the Apostles; The Life and Death of Jesus; The Resurrection of Jesus; The Ministry of the Apostle Paul; The Early Christians and the Church; The Mission of the Church; The Creation of the New Testament.
