This is one of the wisest books I've read in years... —New York Times Book Review No writer I know of comes close to even trying to articulate the weird magic of poetry as Ruefle does. She acknowledges and celebrates in the odd mystery and mysticism of the act—the fact that poetry must both guard and reveal, hint at and pull back... Also, and maybe most crucially, Ruefle's work is never once stuffy or overdone: she writes this stuff with a level of seriousness-as-play that's vital and welcome, that doesn't make writing poetry sound anything but wild, strange, life-enlargening fun. -The Kenyon Review Profound, unpredictable, charming, and outright funny...These informal talks have far more staying power and verve than most of their kind. Readers may come away dazzled, as well as amused... —Publishers Weekly This is a book not just for poets but for anyone interested in the human heart, the inner-life, the breath exhaling a completion of an idea that will make you feel changed in some way. This is a desert island book. —Matthew Dickman The accomplished poet is humorous and self-deprecating in this collection of illuminating essays on poetry, aesthetics and literature... —San Francisco Examiner Over the course of fifteen years, Mary Ruefle delivered a lecture every six months to a group of poetry graduate students. Collected here for the first time, these lectures include "Poetry and the Moon," "Someone Reading a Book Is a Sign of Order in the World," and "Lectures I Will Never Give." Intellectually virtuosic, instructive, and experiential, *Madness, Rack, and Honey* resists definition, demanding instead an utter—and utterly pleasurable—immersion. Finalist for the 2012 National Book Critics Circle Award. Mary Ruefle has published more than a dozen books of poetry, prose, and erasures. She lives in Vermont. She doesn't want to follow him, but his message could only come from one source: Her mother. Rosaline is a traveler, unreliable...a flake. They share the gift of storm and little else. What Caleb says can't possibly be true. Mom would have told her if she was one of the leaders of a magical secret society...wouldn't she? Caleb prides himself on always doing the right thing...for everyone else. It's never been hard to put duty first in the past. But when Bristol is threatened, his need to protect her has nothing to do with the commander's orders. Simple is beginning to look like an illusion... \*\*\*\*\* Follow Caleb and Bristol through the gates and into a whole new world in this first Aeon Society fantasy romance. "This is not just a luminescent work, it is a transcendent and transformative one. Jill Malone finds and plays the desperate times of the teenaged years like an old Gibson. The reader is instantly, effortlessly, back in those halls of high school, the auditoriums and locker rooms and gyms, the whispered conversations in the library, solving math problems on the phone, sneaking out late at night, wondering, always wondering, if you have gone too far this time, or not far enough. . . . Malone continues to delight with each new book. Her writing reveals a sure, deft skill at the subtleties and ever-changing emotions of characters as they grow and progress. . . . Malone is the real thing, a novelist of great touch and tone, like a fine musician, the kind who play because they love the music and look up at the end of a song, surprised to find an audience." —Lesbian.com, June 4, 2013 Between God and the army, fifteen-year-old Cole Peters has more than enough to rebel against.
