What if everything you knew, everything you believed ... was a lie? For Ruby Moore life doesn't slow down. It's just one roller coaster ride after another and when the higher power comes to visit, Ruby's world is shaken to its foundations. He offers her a job and if she wants to protect those she loves, she has no choice but to accept it. Face to face once again with love, loss and death Ruby is being forced to sacrifice her own freedom in order to protect her world from the clutches of the evil vampires and if she fails, her loved ones will have to pay the price. How do you win back a love you threw away with a careless text message? How do you win back a girl who can't stand the sight of you? Instead of penning the perfect, heartfelt love letter, or sending bouquets of roses, I followed Cassia from Arizona to New York City and moved in next door to her and her new boyfriend, Nick. Cassia claims her relationship with Nick is built on concrete, that I can't touch what they have, but I see the flash of desire in her eyes whenever she looks at me, feel the quickening of her breath on my face whenever I get close. I know better than to take her lies as truth. Their foundation is built on nothing more than crumbling bricks, and I'm wielding the sledgehammer that will smash it down. Jai Stone... I met him in the shadows first. He was tall and broad-shouldered, a man walking a dangerous path of rage and revenge, barreling toward certain death. The more

time we spent together, the more he showed me who he was. Captivating... Charming... Ferocious in his own way... I had no right following Jai into the abandoned industrial site, but I did, and that stupid mistake was all it took to rip me from my world of semi-normalcy and thrust me headfirst into the gritty criminal underground with Stone as my only ally. Aboveground, I'm a student nurse painfully dragging herself through an unfulfilling life, but down here, where men wear tattoos on their faces and kill without remorse, I'm a fraud living on borrowed time... ..and not much of it. Sheltered by my political upbringing, I was destined to live a quiet and uneventful life - until James Creed, Vice President of the Devil's Cartel, barreled into my bedroom one hot summer evening. From that night on, I dreamt of leather, oil, and the biker covered in tattoos who rode a motorcycle so loud it hurt my ears. I craved to see the dark side of Exeter where the enigmatic men ran wild and free of the social and lawful expectations that ruled my life. My father's political campaign revolved around destroying the Devil's Cartel and cleansing the streets of Exeter. So I knew James Creed would always remain out of my reach.....until he wasn't. He was gorgeous, rough, and lethal. And as his hot leather passionately clashed with my delicate cashmere, I knew I had a decision to make, and I was torn. Do I continue to live my mundane life of luxury or give it all up to rule Exeter's underbelly? Jai Stone... I met him in the shadows first. He was tall and broad-shouldered, a man full of heat, passion, and unconditional love meant only for me. He was my perfect counterpart, my best friend, and the only spark of light in an otherwise cold, dark hell. But it was never meant to be. Together, we fought hard in a war that sought only to destroy us, and the casualties are worse than I ever imagined. Because of Skull... I lost the closest thing I had to family. Because of Skull... I'll never get the chance to atone for my mistakes. Because of Skull... I was no longer Jai's kitten. Have you ever wanted to go back in time? To undo a bad decision? To save your future? What I wouldn't give to erase the night I met Cristiano Russo, the notorious mafia prince of Sydney Harbour. He is a toxic smog over my life, a controlling a-hole who keeps me on the tightest leash known to man. Because of him, my life is turned on its head. Because of him, I become hunted by association. Stefan Valentino watches me down the scope of his rifle, and it's terrifying not knowing when he'll pull the trigger... if he'll pull the trigger. I could die tonight. I could die next week. Just when I think his game ends at a distance, he comes in close, thrusting himself into my life. We are at war, he and I... .. and I don't know whose side I'm on. "Beautiful, soul-shattering, and utterly delicious." ~ Ilsa Madden-Mills, Wall Street Journal, New York Times, and USA Today bestselling author Bennett Sharp is on the run. Wanted for piracy, she fears neither God nor death nor man. Except Priest Farrell. The unfaithful, stormy-eyed libertine hunts her with terrifying possessiveness. Nothing will stop him from coming for her. Not his unforgivable betrayal. Not when she's captured by the ice-cold pirate hunter, Lord Ashley Cutler. She must escape Ashley's prison and Priest's deceit. But can she walk away from their twisted desires? Two gorgeous captains stand on opposite sides of the law. When they collide in a battle to protect her, the lines blur between enemies and lovers. Passion heats, secrets unravel, and hearts entangle until they break. Can love prevail in the sea of ruin? Contains: pirates, Caribbean, British literature, dark historical romance, American colonies, American history, Golden Age of Piracy, action and adventure, alpha male, anti-hero, dark romance Younger brother to a rock star joins a survival reality show to step out from behind his brother's shadows. A small town girl falls in love with him on the

spot but he has no idea. "Jackson Quinn. Lover... Hater... Fighter... ..undeniably, the greatest love of my life." It all sounds so simple in Selena Graham's head. Support and love Jackson Quinn, no matter what. But despite how hard she tries to escape with her dignity still intact, she finds herself caught between the rifts of an old and complicated love she can't compete with. Left with no other choice than to play dirty, Selena has to fight for their love with everything she's got...or risk being crushed under the weight of her new reality. Nine. She isn't known by a name, only by the number she was branded with at birth. Nine is now eighteen and as an Unfortunate, she'll be forced to serve under The Fortunate for as long as she lives. All her life, she's been force fed rules and regulations on how to serve those above her, but nothing prepares her for Master Kade...the Fortunate she is assigned to. His dark and protective nature compels her, creating thoughts in her mind that she'd be murdered for having if anyone ever found out. Her option? To fight. Fight hard against her forbidden thoughts and desires. It's the only way for her to survive in a world that doesn't want her. He wants his father dead. He wants power. He wants control... ..And he'll use me to get it. Kade Sario was supposed to be vicious and cruel. He was supposed to be a monster, to hurt and chastise me for the smallest things... but he didn't. I didn't understand it... until I found out what he really wanted from me. He wants to use me. He wants to hold me high above the lion's den and wait for the strongest lion to offer him something he can use... He won't hurt me and he won't take from me, but he keeps me close... So close I can smell him on my skin even when I'm alone. Growing up it was ingrained in me that I do whatever I can to please my Fortunate. It was ingrained in me that I be loyal and faithful, and that I love my Fortunate more than I love myself. I expected that I'd want to please him. I expected that I would be loyal and faithful, just like I was taught... But I didn't expect to fall in love with him. Time is running out. Things are changing, the balance of power is shifting and if I'm going to survive in this world, I need Master Kade on my side... I'm not a good Catholic girl. A good Catholic girl would never use church on Sunday to lust over the Father's son. A good Catholic girl would never pulse between her thighs and lose her breath over the boy who recites the closing prayer - even if his voice is low and sinful enough to make her toes curl in her shoes. A good Catholic girl would never allow herself to be led into temptation by dirty, blond hair and dark eyes... And a good Catholic girl would never use Bible study as an excuse to be used and abused. But, like I said, I'm not a good Catholic girl... And he's FAR from a good Catholic boy. Caleb Andrews is everything I don't need, but he's everything I want... God help me. remain Unwritten? Unknown Identity Series Unknown Unpublished Unexposed Unsure Unwritten I knew Seth Marc was trouble the moment I laid eyes on him. His arresting presence rippled through me and I felt his chaos deep in my bones as our gazes met across the expanse of my father's gym.
