Prepared Jun 20 2022 A blueprint for how parents can stop worrying about their children's future and start helping them prepare for it, from the cofounder and CEO of one of America's most innovative public-school networks "A treasure trove of deeply practical wisdom that accords with everything I know about how children thrive."—Angela Duckworth, New York Times bestselling author of Grit In 2003, Diane Tavenner cofounded the first school in what would soon become one of America's most innovative public-school networks. Summit Public Schools has since won national recognition for its exceptional outcomes: Ninety-nine percent of students are accepted to a four-year college, and they graduate from college at twice the national average. But in a radical departure from the environments created by the college admissions arms race, Summit students aren't focused on competing with their classmates for rankings or test scores. Instead, students spend their days solving real-world problems and developing the skills of self-direction, collaboration, and reflection, all of which prepare them to succeed in college, thrive in today's workplace, and lead a secure and fulfilled life. Through personal stories and hard-earned lessons from Summit's exceptional team of educators and diverse students, Tavenner shares the learning philosophies underlying the Summit model and offers a blueprint for any parent who wants to stop worrying about their children's future—and start helping them prepare for it. At a time when many students are struggling to regain educational and developmental ground lost to the disruptions of the pandemic, Prepared is more urgent and necessary than ever.

Essential Questions Jul 02 2023 What are "essential questions," and how do they differ from other kinds of questions? What's so great about them? Why should you design and use essential questions in

your classroom? Essential questions (EQs) help target standards as you organize curriculum content into coherent units that yield focused and thoughtful learning. In the classroom, EQs are used to stimulate students' discussions and promote a deeper understanding of the content. Whether you are an Understanding by Design (UbD) devotee or are searching for ways to address standards—local or Common Core State Standards—in an engaging way, Jay McTighe and Grant Wiggins provide practical guidance on how to design, initiate, and embed inquiry-based teaching and learning in your classroom. Offering dozens of examples, the authors explore the usefulness of EQs in all K-12 content areas, including skill-based areas such as math, PE, language instruction, and arts education. As an important element of their backward design approach to designing curriculum, instruction, and assessment, the authors

- *Give a comprehensive explanation of why EQs are so important;*
- *Explore seven defining characteristics of EQs;*
- *Distinguish between topical and overarching questions and their uses;*
- *Outline the rationale for using EQs as the focal point in creating units of study; and*
- *Show how to create effective EQs, working from sources including standards, desired understandings, and student misconceptions.*

Using essential questions can be challenging—for both teachers and students—and this book provides guidance through practical and proven processes, as well as suggested "response strategies" to encourage student engagement. Finally, you will learn how to create a culture of inquiry so that all members of the educational community—students, teachers, and administrators—benefit from the increased rigor and deepened understanding that emerge when essential questions become a guiding force for learners of all ages.

Quality aspects in institutional translation May 20 2022 The purpose of this volume is to explore key issues, approaches and challenges to quality in institutional translation by confronting academics' and practitioners' perspectives. What the reader will find in this book is an interplay of two approaches: academic contributions providing the conceptual and theoretical background for discussing quality on the

one hand, and chapters exploring selected aspects of quality and case studies from both academics and practitioners on the other. Our aim is to present these two approaches as a breeding ground for testing one vis-à-vis the other. This book studies institutional translation mostly through the lens of the European Union (EU) reality, and, more specifically, of EU institutions and bodies, due to the unprecedented scale of their multilingual operations and the legal and political importance of translation. Thus, it is concerned with the supranational (international) level, deliberately leaving national and other contexts aside. Quality in supranational institutions is explored both in terms of translation processes and their products – the translated texts.

Peak Feb 14 2022 In this unputdownable, spine-tingling adventure of a lifetime called "a winner at every level," fourteen-year-old Peak Marcello attempts to be the youngest climber to summit Mount Everest. After Peak Marcello is arrested for scaling a New York City skyscraper, he's left with two choices: wither away in juvenile detention or go live with his long-lost father, who runs an overseas climbing company. But Peak quickly learns that his father's renewed interest in him has strings attached. Big strings. As owner of Peak Expeditions, he wants his son to be the youngest person to reach the Everest summit—and his motives are selfish at best. Even so, for a climbing addict like Peak, tackling Everest is the challenge of a lifetime. It's also one that could cost him his life. This thrilling teen climbing adventure is "the perfect antidote for kids who think books are boring" (Publishers Weekly starred review). Unquestioned Answers Apr 11 2024 We hear and say short Christian clichés all the time, such as “Jesus was a social justice warrior,” “Just have faith,” and “It’s not my place to judge.” These trite statements often go unquestioned. Sometimes they even substitute for truth, leading to a fragile and shallow faith. But what if a close study of these clichés could lead us to deep biblical truth? In Unquestioned Answers, Dr. Jeff Myers rethinks ten popular Christian clichés. Through an in-depth and fresh look, Myers shares insights into these overused statements to strengthen readers’ faith and encourage them to share Jesus with others. Walk with Myers on a path to biblical truth as he explores critical topics such as social justice, faith, sin, loving others, God’s goodness, prayer, and more.

Practicing Social Justice in Libraries Jul 10 2021 Practicing Social Justice in Libraries provides practical strategies, tools, and resources to library and information workers and students who wish to drive change in their classrooms, institutions, and communities and incorporate social justice into their everyday practice. With contributions from a diverse group of librarians, who have experience working in different types of institutions and roles, the book showcases

the actions information professionals, largely from historically marginalized groups, are taking to create a more socially responsible environment for themselves and their communities. The chapters reflect on personal experiences, best practices for programming, professional development, effective collaboration, building inclusive community partnerships, anti-racist practices in the classroom, and organizational culture. Exploring how and why library workers are incorporating anti-racist and anti-oppressive work within their everyday roles, the book demonstrates that library workers are increasingly sending messages of protest and advocating for equity, justice, and social change. Highlighting their experiences of marginalization and exclusion, contributors also reflect upon the impact social justice work has on their mental health, careers, and personal lives. Practicing Social Justice in Libraries is essential reading for library and information workers and students who are searching for practical ways to implement more inclusive practices into their work

Severance Sep 11 2021 Maybe it's the end of the world, but not for Candace Chen, a millennial, first-generation American and office drone meandering her way into adulthood in Ling Ma's offbeat, wryly funny, apocalyptic satire, *Severance*. "A stunning, audacious book with a fresh take on both office politics and what the apocalypse might bring." —Michael Schaub, NPR.org "A satirical spin on the end times-- kind of like *The Office* meets *The Leftovers*." --Estelle Tang, Elle NAMED A BEST BOOK OF THE YEAR BY: NPR * The New Yorker ("Books We Loved") * Elle * Marie Claire * Amazon Editors * The Paris Review (Staff Favorites) * Refinery29 * Bustle * BuzzFeed * BookPage * Bookish * Mental Floss * Chicago Review of Books * HuffPost * Electric Literature * A.V. With the recent passing of her Chinese immigrant parents, she's had her fill of uncertainty. She's content just to carry on: She goes to work, troubleshoots the teen-targeted Gemstone Bible, watches movies in a Greenpoint basement with her boyfriend. So Candace barely notices when a plague of biblical proportions sweeps New York. Then Shen Fever spreads. Families flee. Companies cease operations. The subways screech to a halt. Her bosses enlist her as part of a dwindling skeleton crew with a big end-date payoff. Soon entirely alone, still unfevered, she photographs the eerie, abandoned city as the anonymous blogger NY Ghost. Candace won't be able to make it on her own forever, though. Enter a group of survivors, led by the power-hungry IT tech Bob. They're traveling to a place called the Facility, where, Bob promises, they will have everything they need to start society anew. But Candace is carrying a secret she knows Bob will exploit. Should she escape from her rescuers? A send-up and

takedown of the rituals, routines, and missed opportunities of contemporary life, Ling Ma's Severance is a moving family story, a quirky coming-of-adulthood tale, and a hilarious, deadpan satire. Most important, it's a heartfelt tribute to the connections that drive us to do more than survive.

*The Final Summit Jul 22 2022 David Ponder is back—and this time, the fate of mankind may be in his hands. This is humanity's last chance. Centuries of greed, pride, and hate have sent mankind hurtling toward disaster, and far from its original purpose. There is only one solution that can reset the compass and right the ship—and that answer is only two words. With time running out, it is up to David Ponder and a cast of history's best and brightest minds to uncover this solution before it is too late. The catch? They are allowed only five tries to solve the ominous challenge. Readers first encountered David Ponder in the New York Times bestseller *The Traveler's Gift*. Now, in *The Final Summit*, Andrews combines a riveting narrative with astounding history in order to show us the one thing we must do when we don't know what to do. "Every generation or so, God produces a person who can communicate like no one else. His words are like cool water to a thirsty civilization. Andy Andrews is one of the best I have ever seen." —Zig Ziglar, America's #1 Motivator and Best-Selling author "Is it possible to mix C. S. Lewis, Alfred Hitchcock, and Tony Robbins? *The Final Summit* is a unique and powerful blend of mystery and suspense and principles and emotional fire. Wow! Bring your highlighter to this party. You'll want to remember every word!" —Hal Sutton, PGA Champion*

Governing Work and Welfare in a New Economy Nov 13 2021 Europe and the United States confront common challenges in responding to the transformations of work and welfare in the 'new economy'. The Traveler's Gift Apr 30 2023 A New York Times bestseller with over 1.3 million copies sold! Only a few months ago, he was a successful executive. Now he's a desperate man. Join David Ponder

on an incredible journey to discover the Seven Decisions for success that can turn any life around, no matter how hopeless a situation seems. Forty-six-year-old David Ponder feels like a total failure. Once a high-flying executive in a Fortune 500 company, he now works a part-time, minimum wage job and struggles to support his family. Suddenly an even greater crisis hits: his daughter becomes ill, and he can't even afford to get her the medical help she needs. When David's car skids on an icy road, he wonders if he even cares to survive the crash. But an extraordinary experience awaits David Ponder. He suddenly finds himself traveling back in time, meeting leaders and heroes at crucial moments in their lives—from Abraham Lincoln to Anne Frank. As David speaks with each of these historical figures, they share their personal philosophies with him. By the time his journey is over, he has received seven secrets for success—and a second chance. Among these crucial decisions for success are: The buck stops here, and I am responsible for my past and my future I will seek wisdom and be a servant to others I will greet this day with a forgiving spirit, and I will forgive myself Today I will choose to be happy and be the possessor of a grateful spirit The message is simple: Life is about choices. While we have little control over the events that occur in our lives, success is determined by the choices we make daily. The Traveler's Gift will challenge you, inspire you, and give you seven decisions that you can employ to determine your own personal success.
