□□□□□□□□□□ ,2011      **Elementary Japanese** Yoko Hasegawa,2005      **Learning Japanese Hiragana and Katakana** Kenneth G. Henshall,Tetsuo Takagaki,2013-12-20 Learning Hiragana and Katakana is a systematic and comprehensive Japanese workbook that is perfect for self study or use in a classroom setting Written Japanese combines three different types of characters the Chinese characters known as kanji and two Japanese sets of phonetic letters hiragana and katakana known collectively as kana that must be mastered before the Japanese kanji can be learned Learning Japanese Hiragana and Katakana provides beginning level students of Japanese a thorough grounding in the basic hiragana and katakana phonetic symbols or syllabaries A comprehensive introduction presents their primary function origin pronunciation and usage The main body of the book is devoted to presenting the 92 hira and kata characters along with their variations giving step by step guidelines on how to write each character neatly in the correct stroke order with generous practice spaces provided for handwriting practice This Japanese workbook includes Systematic and comprehensive coverage of the two Japanese kana systems Ample provision for Japanese kana practice review and self testing at several levels Detailed reference section explaining the origin and function of kana and the various kana combinations Access to online Japanese audio files to aid in correct pronunciation Helpful additional information for language students accustomed to romanized Japanese Vocabulary selected for usefulness and cultural relevance About this new edition The new third edition has been expanded and revised to include many additional reading and writing exercises Accompanying online recordings demonstrate the correct pronunciation of all the characters vocabulary and sentences in the book      **Remembering the Kanji 2** James W. Heisig,2012-04-30 Following the first volume of Remembering the Kanji the present work provides students with helpful tools for learning the pronunciation of the kanji Behind the notorious inconsistencies in the way the Japanese language has come to pronounce the characters it received from China lie several coherent patterns Identifying these patterns and arranging them in logical order can reduce dramatically the amount of time spent in the brute memorization of sounds unrelated to written forms Many of the primitive elements or building blocks used in the drawing of the characters also serve to indicate the Chinese reading that particular kanji use chiefly in compound terms By learning one of the kanji that uses such a signal primitive one can learn the entire group at the same time In this way Remembering the Kanji 2 lays out the varieties of phonetic pattern and offers helpful hints for learning readings that might otherwise appear completely random in an efficient and rational way Individual frames cross reference the kanji to alternate readings and to the frame in volume 1 in which the meaning and writing of the kanji was first introduced A parallel system of pronouncing the kanji their Japanese readings uses native Japanese words assigned to particular Chinese characters Although these are more easily learned because of the association of the meaning to a single word the author creates a kind of phonetic alphabet of single syllable words each

connected to a simple Japanese word and shows how they can be combined to help memorize particularly troublesome vocabulary The 4th edition has been updated to include the 196 new kanji approved by the government in 2010 as general use kanji

□□□□□□□□ ,1986 Japanese from Zero! George Trombley, Japanese From Zero is an innovative and integrated approach to learning Japanese that was developed by professional Japanese interpreter George Trombley Yukari Takenaka and was continuously refined over eight years in the classroom by native Japanese professors Using up to date and easy to grasp grammar Japanese From Zero is the perfect course for current students of Japanese as well as absolute beginners

**Japanese Short Stories for Beginners** Lingo Mastery,2020-08-07 Do you know what the hardest thing for a Japanese learner is Finding PROPER reading material that they can handle which is precisely the reason we ve written this book You may have found the best teacher in town or the most incredible learning app around but if you don t put all of that knowledge to practice you ll soon forget everything you ve obtained This is why being engaged with interesting reading material can be so essential for somebody wishing to learn a new language Therefore in this book we have compiled 20 easy to read compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Japanese language How Japanese Short Stories for Beginners works Each chapter possesses a funny interesting and or thought provoking story based on real life situations allowing you to learn a bit more about the Japanese culture Having trouble understanding Japanese characters No problem we provide you with the English translation below each paragraph allowing you to fully grasp what you re reading The summaries follow a synopsis in Japanese and in English of what you just read both to review the lesson and for you to see if you understood what the tale was about Use them if you re having trouble At the end of those summaries you will be provided with a list of the most

relevant vocabulary from that chapter as well as slang and sayings that you may not have understood at first glance Do not get lost trying to understand or pronounce it all either as all of the vocabulary words are Romanized for your ease of learning Finally you ll be provided with a set of tricky questions in Japanese allowing you the chance to prove that you learned something in the story Whether it s true or false or if you re doing the single answer questions don t worry if you don t know the answer to any we will provide them immediately after but no cheating We want you to feel comfortable while learning Japanese after all no language should be a barrier for you to travel around the world and expand your social circles So look no further Pick up your copy of Japanese Short Stories for Beginners and level up your Japanese language skills right now

**Remembering the Kanji 1** James W. Heisig,2011-03-31 V 1 A complete course on how not to forget the meaning and writing of Japanese characters

**The Kodansha Kanji Learner's Course** Andrew Scott Conning,2013-12-06 The Kodansha Kanji Learner s Course is an innovative and highly effective system for learning and remembering kanji or Sino Japanese characters The book contains 2 300 character entries including all 2 136 Jōyō Kanji regular use kanji plus 164 of the most useful non Jōyō Kanji It offers a sophisticated pedagogically sound method for remembering the basic meanings of each character conveniently summarized in concise keywords to facilitate memorization Each kanji is accompanied by an explanation of how to remember its meanings clearly and distinctly These mnemonic explanations teach you to associate each kanji s graphical form with its unique range of meaning often by seeing its meaning in the form of the kanji itself An outstanding feature of the course is the special attention it gives to the challenge of learning each kanji in a differentiated way This allows you to associate the meaning of each character with the features that distinguish it from graphically similar characters Another unique feature and a significant breakthrough in kanji pedagogy is the sequence in which the course introduces kanji Most kanji dictionaries and textbooks arrange their entries in ways that do not address the needs of non native learners such as by traditional radical or by the grades in which the kanji are taught in Japanese schools The Kodansha Kanji Learner s Course uses an original sequence that presents graphically related characters one after the other to help you give significance to their contrastive features as you learn them and thereby avoid having to relearn them later It also introduces the meaning and usage of each graphical element each kanji building block the first time it appears thus enabling you to seamlessly and rapidly acquire new characters In short The Kodansha Kanji Learner s Course makes learning and remembering kanji easier than ever before This book fills an urgent need for a timesaving yet sophisticated kanji learning system that can be used from beginning through advanced levels an enjoyable no nonsense path to proficiency It is intended for anyone serious about learning to read Japanese Features Includes 2 300 kanji entries Completely up to date includes all the 2 136 officially prescribed Jōyō Kanji kanji for regular use Each entry explains how to remember the character s meaning clearly and distinctly often through the innovative use of visualization and concrete imagery Introduces kanji components in a logical step by step order that makes learning new kanji easier than ever Can be used as a stand alone

resource or together with The Kodansha Kanji Learner's Dictionary Includes cross references character meanings readings and sample vocabulary from the dictionary Genkoyoushi Notebook Red Tiger Press,2019-06-02 Genkoyoushi Notebook Kanji and Kana Characters Writing Practice Book This stylish traditional notebook style workbook contains 120 pages of kanji paper also known as genkoyoushi paper Each large square holds one character and each square is divided into four quadrants to guide the correct positioning of the elements of each character This notebook is ideal for both adults and children who are learning Japanese and need to practice the written language Size 8.5 x 11 in 120 Pages of Kanji Paper Premium matte finish soft cover Printed on white paper Patrick Geoffrey O'Neill,1973 Includes Appendix **Kiki's Delivery Service Picture Book** Hayao Miyazaki,2006-06-13 Kiki a young witch in training has reached the age of 13 According to tradition all witches of that age must leave home for one year so that they can learn how to live on their own Kiki along with her talking cat Jiji fly away to live in the seaside town of Korico After starting her own delivery service using her broom as the delivery vehicle Kiki must learn how to deal with her new life especially after she loses the power to fly A breezy picture and story book featuring artwork taken directly from the movie Kiki's Delivery Service **Elementary Japanese Teacher's Guide** Yoko Hasegawa,2006-02-15 Elementary Japanese Teacher's Guide provides teachers and self study students with helpful information for using Elementary Japanese Volume One and Volume Two **Japanese Kanji for Beginners** Timothy G. Stout,Kaori Hakone,2017-01-17 The method that's helped thousands in the U.S. and Japan learn Japanese successfully The Japanese language has two primary writing systems kanji characters which are based on Chinese characters and hiragana and katakana a mnemonics based alphabet This handy book teaches you a new mnemonics based method to read and write the 430 highest frequency kanji characters Along with its sister book Japanese Hiragana and Katakana for Beginners it provides a complete introduction to written Japanese Japanese Kanji for Beginners contains everything you need to learn the kanji characters required for the Advanced Placement Japanese Language and Culture Exam It is designed for use by high school or college students as well as independent learners The kanji learned in this book closely adhere to those introduced in every major Japanese language textbook Key features of Japanese Kanji for Beginners include The 430 highest frequency kanji characters 44 simple easy to follow lessons Concise information on kanji elements readings and pronunciations Extensive exercises drills and writing practice Downloadable content with printable flash cards practice quizzes and extra exercises The Extensive downloadable content contains a set of printable kanji flash cards to assist learners in reviewing and memorizing the kanji in the book It also provides sample vocabulary quizzes in a multiple choice format similar to those in the AP exam as well as additional exercises that further reinforce the newly learned kanji The Kanji Learner's Course Green Book Andrew Conning,2016-09-30 The Kanji Learner's Course Green Book offers the most convenient way to practice the writing of all 2,300 kanji in the widely praised Kodansha Kanji Learner's Course Even today when most learners are focused on learning to read kanji rather than to write them handwriting

practice remains essential Integrating hand eye coordination with the kinesthetic experience of each kanji s stroke sequence handwriting improves your ability to recognize each kanji grasp intuitively how it is put together and distinguish it from lookalikes Designed to help you use your study time most efficiently this simple little workbook contains just the right quantity of writing spaces four large spaces followed by seven small spaces to give you enough practice for each character It also offers you Convenience Following the Course sequence entry by entry the Green Book makes it easy for you to structure the right amount of handwriting practice into your study routine experience a sense of creative accomplishment and exploit the Course s full value A broad overview of groups of related kanji Displaying forty kanji per spread it also allows you to survey the Course s graphically related groupings consider the similarities and differences among nearby characters and fully absorb how each kanji s unique features and composition relate to its meaning A good solution for mastering stroke order Each entry contains both a guide character and tracing characters but deliberately excludes stroke order to allow you to develop an independent mastery of kanji composition The main Course book provides stroke order diagrams for when you need them but this will not be very often provided you follow the Course s graphically cumulative sequence and practice writing every kanji as you go Guidance for mastering proper stroke forms Both the guide characters and the practice squares are cross hatched to help you achieve precise form Savings Standard genk y shi manuscript paper typically costs around US 7 12 online The Green Book is priced toward the bottom of this range while offering unique convenience for users of the Kanji Learner s Course

The Kodansha Kanji Learner's Dictionary Jack Halpern,2013-05-31 With The Kodansha Kanji Learner s Dictionary Revised and Expanded learners finally have at their fingertips accurate and in depth information on all the kanji prescribed by the Japanese government In all 3 002 characters 772 more than in the first edition fill its pages making it the most comprehensive and up to date dictionary of its kind The main goal of the dictionary is to give the learner instant access to a wealth of useful information on kanji including their meanings readings stroke order and usage in compounds Compounds pose a special problem for learners Normally one must memorize them as unrelated units A unique feature of this dictionary that overcomes this difficulty is the core meaning a concise keyword that defines the dominant sense of each kanji followed by character meanings or specific senses the kanji can have when used in the living language Together these features help learners understand the logic behind compound formation Another unique feature is the System of Kanji Indexing by Patterns SKIP a revolutionary indexing system that has gained widespread popularity because it enables the user to locate characters as quickly and as accurately as in alphabetical dictionaries With SKIP all one needs to do to find a kanji is identify the geometrical pattern to which it belongs then count the strokes in each part of that pattern a much speedier process than searching by traditional methods These features and many more make this dictionary the most powerful kanji learning tool ever devised
