Lavondyss Mythago Wood 2 Robert Holdstock

Lavondyss Robert Holdstock, 2012-11-30 At the heart of the wildwood lies a place of mystery and legend from which few return and none emerged unchanged Lavondyss the ultimate realm the source of all myth When Harry Keeton disappeared into Ryhope Wood his sister Tallis was just an infant Now thirteen years old she hears him whispering to her from the Otherworld He is in danger He needs her help Using masks magic and clues left by her grandfather she finds a way to enter the primitive forest and begin her search Eventually she comes to Lavondyss itself a realm both beautiful and deadly a place in which she is changed forever Robert Holdstock's *Mythago Wood* won the World Fantasy Award and is among the most praised post war novels of the fantastical In this haunting sequel *Lavondyss* we are returned to the Wildwood and the myths that Holdstock has made his own Winner of the BSFA Award for best novel 1989 **Mythago Wood** Robert

Holdstock, 2012-10-29 Deep within the wildwood lies a place of myth and mystery from which few return and of those few none remain unchanged Ryhope Wood may look like a three mile square fenced in wood in rural Herefordshire on the outside but inside it is a primeval intricate labyrinth of trees impossibly huge unforgettable and stronger than time itself Stephen Huxley has already lost his father to the mysteries of Ryhope Wood On his return from the Second World War he finds his brother Christopher is also in thrall to the mysterious wood wherein lies a realm where mythic archetypes grow flesh and blood where love and beauty haunt your dreams and in promises of freedom lies the sanctuary of insanity Readers love *Mythago Wood* 6.0 stars This book is a MASTERPIECE and will likely be on my list of All Time Favourite novels before too long Goodreads reviewer Blimey what a book Genuine classic of mythological fiction Goodreads reviewer An imaginative masterpiece has broken the boundaries of fantasy genre In *Mythagowood* Myths manifest from characters's unfathomable desires The mysterious forest which the protagonists are obsessed with is an original concept of legends it rooted in subconscious mind arouses overwhelming power of human minds Goodreads reviewer To attempt to write a straightforward synopsis of *Mythago Wood* itself is almost to lose the very essence of the novel to break away from the ethereal feeling which transcends the book Goodreads reviewer I've seldomly read a book that is so rich and enthralling in its descriptions and really draws me into the mythical woods where time flows differently where your subconscious can conjure up archetypes and these can infringe upon your very real life outside of the forest Goodreads reviewer **The Hollowing** Robert
