For all Ford V8 owners and restorers, a complete handbook with hard to find specifications of all engines up to 1972 including the OHC "Indy" engines. There's adjustments and fine tuning data of every engine from 221 to 462 CID, plus a massive list of the original factory part numbers for heavy duty and "High-Per" parts. With important details of engine assembly and ignition-carburetion modifications for premium performance. "Switch and Swap" of heavy-duty parts, from one size engine to another, is clearly explained. This is the "best ever" low-bucks handbook to upgrade horsepower and durability of the best of the early Ford V8 engines. For good reason, this book was known as "The Stocker's Bible." From the Arctic to Bristol Bay, this book covers all the fabulous fishing opportunities throughout Alaska. With this resource, anglers can fly into Anchorage, rent a camper, and be catching trophy salmon and trout within hours of arrival. Includes 109 detailed river and lake maps--a big book for a big state. An extension of the best selling "Gilbert American Flyer Operating and Repair Guide." This volume is full of new information and covers many of the aspects not found in the original book and adds an index to both volumes. This is a new book and not to be confused with the original book. The price is higher than Volume 1 because of the full color photographs found in this new volume. This book's friendly format combines solid instruction with a light-hearted style full of wit and humor that takes the fear out of learning how to get connected and use one of the most popular online services, America Online. Guiding you to the best of everything in Vermont for over 30 years! Back in its fifteenth edition, Explorer's Guide Vermont endures as the most comprehensive and up-to-date guide to this popular New England state. With it in hand, experience the many natural and cultural wonders that make Vermont such a timeless, year-round vacation destination. Although Explorer's Guide Vermont covers the entire Green Mountain State, the authors pride themselves on their detailed coverage of the less-traveled areas, especially the

Northeast Kingdom. You'll also find in-depth descriptions of major Vermont destinations like Burlington, Brattleboro, Manchester, and Woodstock. They highlight the most interesting and rewarding places to visit, whether on back roads or in bigger cities—artists' studios, family farms, and historic sites among them. This guide provides great recommendations for every activity—biking; hiking and swimming; skiing, snowshoeing, and snowboarding; horseback riding, fishing, and paddling—and many more, both on and off the beaten track. This is a reference book that will help chauffeurs in a daily basis. The SSCP Study Guide and DVD Training System is a unique and comprehensive combination of text, DVD-quality instructor-led training, and Web-based exam simulation and remediation. These components will give

the student 100% coverage of all (ISC)2 official exam objectives and realistic exam simulation. The SSCP Study Guide and DVD Training System consists of:

1. SSCP Study Guide The 1,000,000 readers who have read previous Syngress Study Guides will find many familiar features in the Study Guide along with many new enhancements including:
 - Exercises: There will be frequent use of step-by-step exercises with many screen captures and line drawings. Exercises will be presented in sidebar-like style, and will run 1 to 2 pages.
 - Anatomy of a Question: Question types will be diagrammed and analyzed to give readers access to the theory behind the questions themselves.
 - Teacher's Pet: These will be written from the instructor's perspective and will provide insight into the teaching methodologies applied to certain objectives that will give readers the "\$2,000 worth of training in a \$60 book feel." These will be presented in sidebar-like style and will run about 1 page.
 - Objectives Fast Track: End of chapter element containing each A-head from the chapter and succinct bullet points reviewing most important information from each section (same as current Solutions Fast Track).
 - FAQs: End of Chapter Frequently Asked Questions on objective content. These are not exam preparation questions (same as our current FAQ).
 - Test What You Learned: End of chapter exam preparation questions, which are in the format of the real exam.
2. SSCP DVD: The DVD will contain 1 hour of instructor-led training covering the most difficult to comprehend topics on the exam. The instructor's presentation will also include on-screen configurations and networking schematics.

SSCP from solutions@syngress.com The accompanying Web site will provide students with realistic exam-simulations software. The exam will emulate the content and the look and feel of the real-exam. Students will be able to grade their performance on the Web-based exam and automatically link to the accompanying e-book for further review of difficult concepts

Ø \$2,000 worth of training in a \$60 book, DVD, and Web-enhanced training system. Consumers of this product will receive an unprecedented value. Instructor-led training for similar certifications averages \$2,000 per class, and retail DVD training products are priced from \$69 to \$129. Consumers are accustomed to paying 20% to 100% more than the cost of this training system for only the DVD!

Ø Changes to the CISSP Certification prerequisites will result in an increase in the popularity of the SSCP certification. Recently the (ISC)2 increased the work experience requirement of the CISSP certification to four years from three years. This increase will result into

current candidates for the CISSP to shift to the SSCP certification, as the verifiable field requirement is only one year. Ø Syngress well-positioned in wide open playing field. The landscape of certification publishing has changed dramatically over the past month with Coriolis ceasing operations, Hungry Minds facing an uncertain future after their acquisition by John Wiley & Sons, and Syngress ending its long-term relationship with Osborne McGraw Hill in pursuit of publishing Study Guides independently. We are confident that Syngress' long history of best-selling Study Guides will continue in this new era. Explains how to perform simple diagnostic, repair, and installation procedures.
