Announcements for the following year included in some vols. Vols. for 1886/87 includes Announcement for 1887/88. Reproduction of the original: State of the Union Addresses by Franklin D. Roosevelt A dramatic presentation of Thoreau's famous act of civil disobedience in protest of the U.S. government's involvement in the Mexican War Though best known for *The Red Badge of Courage*, his classic novel of men at war, in his tragically brief life and career Stephen Crane produced a wealth of stories—among them "The Monster," "The Upturned Face," "The Open Boat," and the title story—that stand among the most acclaimed and enduring in the history of American fiction. This superb volume collects stories of unique power and variety in which impressionistic, hallucinatory, and realistic situations alike are brilliantly conveyed through the cold, sometimes brutal irony of Crane's narrative voice. First published in paperback by UNM Press in 1976, *The Way to Rainy Mountain* has sold over

200,000 copies. "The paperback edition of *The Way to Rainy Mountain* was first published twenty-five years ago. One should not be surprised, I suppose, that it has remained vital, and immediate, for that is the nature of story. And this is particularly true of the oral tradition, which exists in a dimension of timelessness. I was first told these stories by my father when I was a child. I do not know how long they had existed before I heard them. They seem to proceed from a place of origin as old as the earth. "The stories in *The Way to Rainy Mountain* are told in three voices. The first voice is the voice of my father, the ancestral voice, and the voice of the Kiowa oral tradition. The second is the voice of historical commentary. And the third is that of personal reminiscence, my own voice. There is a turning and returning of myth, history, and memoir throughout, a narrative wheel that is as sacred as language itself."--from the new Preface

Paul is a schoolboy, described as tall and thin with strange eyes. He is facing the headmaster and several of his teachers, with whom he does not have a good relationship. All of them, in one way or another, find him difficult and disturbing to teach. "Impressive . . . [Cristina García's] story is about three generations of Cuban women and their separate responses to the revolution. Her special feat is to tell it in a style as

warm and gentle as the 'sustaining aromas of vanilla and almond,' as rhythmic as the music of Beny Moré."—Time Cristina García's acclaimed book is the haunting, bittersweet story of a family experiencing a country's revolution and the revelations that follow. The lives of Celia del Pino and her husband, daughters, and grandchildren mirror the magical realism of Cuba itself, a landscape of beauty and poverty, idealism and corruption. *Dreaming in Cuban* is "a work that possesses both the intimacy of a Chekov story and the hallucinatory magic of a novel by Gabriel García Márquez" (The New York Times). In celebration of the twenty-fifth anniversary of the novel's original publication, this edition features a new introduction by the author. Praise for *Dreaming in Cuban* "Remarkable . . . an intricate weaving of dramatic events with the supernatural and the cosmic . . . evocative and lush."—San Francisco Chronicle "Captures the pain, the distance, the frustrations and the dreams of these family dramas with a vivid, poetic prose."—The Washington Post "Brilliant . . . With tremendous skill, passion and humor, García just may have written the definitive story of Cuban exiles and some of those they left behind."—The Denver Post Find a Job You Love With Your English Degree What do Steven Spielberg, Alan Alda,

Barbara Walters, Clarence Thomas, Diane Sawyer, and Stephen King have in common? This carefully crafted ebook: *"Babylon Revisited and Other Stories (Fitzgerald's*

Greatest Short Stories)" is formatted for your eReader with a functional and detailed table of contents. *Babylon Revisited and Other Stories* is a collection of Fitzgerald's ten best-known short stories written between 1920 and 1937. The Stories are set in the year after the stock market crash of 1929, just after what Fitzgerald called the "Jazz Age". Brief flashbacks take place in the Jazz age itself. Also it shows several references to the depression, and how the character had to adapt his life to it. Much of it is based on the author's own experiences. The story *Babylon Revisited* is based on a true incident regarding Fitzgerald, his daughter "Scottie", his sister-in-law Rosalind and her husband Newman Smith, on whom Marion and Lincoln Peters are based. Rosalind and Newman had not been able financially to live as well as Scott and Zelda had lived during the 1920s, and they had always regarded Scott as an irresponsible drunkard whose obsession with high living was responsible for Zelda's mental problems. When Zelda suffered a breakdown and was committed to a sanitarium in Switzerland, Rosalind felt that Scott was unfit to raise their daughter and that Rosalind and Newman should adopt her. Francis Scott Key Fitzgerald (1896-1940) was an American author of novels and short stories, whose works are the paradigmatic writings

of the Jazz Age. He is widely regarded as one of the greatest American writers of the 20th century. Fitzgerald is considered a member of the "Lost Generation" of the 1920s.
