Comparative Company Law Andreas Cahn, David C. Donald, 2018-10-04 Presents in depth comparative analyses of German UK and US company laws illustrated by leading cases with German cases in English translation

The Bankers' Secret Kenneth Eric Trent, 2020-12-17 THE BANKERS SECRET This book will take you on a rollicking ride through the foreclosure explosion starting in 2008 and continuing through the present time Alternately hilarious poignant tragic and mysterious the story introduces real life doppelg ngers and the original MERS virus Told as he experienced it by the litigator known as the Foreclosure Destroyer who exposed the bankers practice of robo signing he leads you to the inner sanctum and demonstrates with crystal clarity how truly nefarious the big banks are This work is written by a rebellious person for other rebellious folks with an eye toward starting a rebellion The author irreverently recounts his personal experiences and those of other lawyers for the 99 percent which when exposed led to the government s investigations of corrupt bank practices in foreclosures across the nation Included are transcripts of trials witness statements and whistleblower affidavits So too in this book the reader will find shocking and detailed evidence of criminal wrongdoing by Bank of America and several other banks Mr Trent explores the underpinnings of the woefully inadequate punishment of the so called institutions and their principals and what can be done about it The author asserts that banks are not too big to fail and bankers are not too big to jail From front to back this book analyzes a haunting mystery the solution to which will engender outrage in virtually all who learn it Inquiring minds indeed want to know why IS it that the banks use fake evidence in court as a standard practice This book answers that question and many others It will make you laugh It may make you cry Hang on and enjoy the ride

The Indian Renaissance Sanjeev Sanyal, 2008 India s recent economic performance has attracted world attention but the country is re awakening not just as an economy but as a civilization After a thousand years of the decline it now has a genuine opportunity to re establish itself as a major global power In *The Indian Renaissance* the author Sanjeev Sanyal looks at the processes that led to ten centuries of fossilization and then at the powerful economic and social forces that are now working together to transform India beyond recognition These range from demographic shifts to rising literacy levels but the most important revolution has been the opening of mind and the changed attitude towards innovation and risk This book is about how India found itself at this historic juncture the obstacles that it still needs to negotiate and the future that it may enjoy The author tells the story from the perspective of the new generation of Indians who have emerged from this great period of change Published and distributed worldwide by World Scientific Publishing Co except India UK and North America
