

# HOW TO WRITE A SHORT STORY

## 2. Plan story submission

Think ahead: Find publications that accept similar stories.

## 4. Plan characters, setting

How might characters and your setting look, feel, change?

## 6. Write a 1-page synopsis

Try writing your story as a single page - you'll find the central events.

## 8. Create a strong climax

How will it build the situation found at the start to a peak?

## 1. Brainstorm a scenario

What is your story's who, what, why, where and when?

## 3. Find your story's focus

Short stories have less space: make every sentence focused.

## 5. Choose a point of view

Who narrates? What information do they have/not have?

## 7. Create a strong opening

Start with the unusual, unexpected, with mystery or conflict.

*Marissa Mayer and the Fight to Save Yahoo!* Nicholas Carlson,2015-01-06 A page turning narrative about Marissa Mayer's efforts to remake Yahoo as well as her own rise from Stanford University undergrad to CEO of a 30 billion corporation by the age of 38 When Yahoo hired star Google executive Mayer to be its CEO in 2012 employees rejoiced They put posters on the walls throughout Yahoo's California headquarters On them there was Mayer's face and one word HOPE But one year later Mayer sat in front

of those same employees in a huge cafeteria on Yahoo's campus and took the beating of her life. Her hair wet and her tone defensive, Mayer read and answered a series of employee posed questions challenging the basic elements of her plan. There was anger in the room and behind it a question: Was Mayer actually going to be able to do this thing? Marissa Mayer and the Fight to Save Yahoo is the inside story of how Yahoo got into such awful shape in the first place. Marissa Mayer's controversial rise at Google and her desperate fight to save an Internet icon. In August 2011 hedge fund billionaire Daniel Loeb took a long look at Yahoo and decided to go to war with its management and board of directors. Loeb then bought a 5% stake and began a shareholder activist campaign that would cost the jobs of three CEOs before he finally settled on Google's golden girl Mayer to unlock the value lurking in the company. As Mayer began to remake Yahoo from a content company to a tech company an internal civil war erupted. In author Nicholas Carlson's capable hands this riveting book captures Mayer's rise and Yahoo's missteps as a dramatic illustration of what it takes to grab the brass ring in Silicon Valley. And it reveals whether it is possible for a big lumbering tech company to stay relevant in today's rapidly changing business landscape.

*The Showers* Dylan Sindelar,2018-10-09 It s more than just an urban legend Jack s former English teacher Mr Mays told a scary story every Halloween It was about a place out in rural Nebraska a building he called The Showers and the supernatural horrors there that threatened to consume him Now that school is long over Jack wonders if there isn t more to the infamous tale Curiosity leads him on a hunt for the mysterious building and what begins as a road trip quickly spirals out of control Maybe The Showers is a real place And maybe it s more than just a story Dylan Sindelar s debut novella comes to you revised and expanded from its original appearance on Reddit r nosleep where it was awarded Scariest of the Year by the board Since then its initial parts have appeared on the award winning NoSleep Podcast and the story continues to terrify readers and listeners alike This new edition features the complete story as it has never appeared before rewritten and further developed by the author Look no further for your Halloween reading The Showers is more than just a ghost story it s an exploration into mental illness and the things we use to hide from our inner demons Sindelar s horror has a human pulse building dread with each tick as the clock counts down to the ultimate conclusion Will Jack manage to look evil straight in the eyes Will he escape his own undoing One thing is for certain nothing can prepare him for what s ahead He told us how the bulb flickered to life and cast a dim light on the group of people in front of him He could see children at least twenty of them all dressed in nightgowns that were tattered torn and stained dark with mud or something worse Their bodies and faces were nearly obscured by their long and matted down hair Not a single one of them appeared to have seen a shower or nice bath in their entire life Mr Mays told the class that the most terrifying aspect of the entire situation was that not a single child moved an inch They all stood staring most of them only visible from the light reflecting off of their eyes The group was collectively paralyzed with fear when they heard what sounded like an animal in the distance yelping The sound morphed slowly into something resembling the dying cries of a larger beast wounded and pleading in the darkness Despite being unable to determine the full size of the room from the lack of light he said that the noise filled the space so fully that the creature at the source of the sound would have needed to be impossibly large in order to conjure such a cry This spurred the group into

desperate action as the children began to step towards them Mr Mays friends grabbed their injured comrade and lifted him out of the room and into the tunnel as quickly as they could Mr Mays took another moment to move and had difficulty finding his bearings He reached to his left in an attempt to find a wall to lean against eventually grasping a handle and pulling on it hard never taking his eyes off of the children *Edwin Mullhouse* Steven Millhauser,1996-04-16 A parody of a literary biography starring a 10 year old novelist who is mysteriously dead at 11 from the Pulitzer Prize winning author of *Martin Dressler* As a memorial Edwin Mullhouse's best friend Jeffrey Cartwright decides that the life of this great American writer must be told He follows Edwin's development from his preverbal first noises through his love for comic books to the fulfillment of his literary genius in the remarkable novel *Cartoons* **Tell Me a Story** Ravinder Singh,2015-07-23 There is always a story that changed your life And that is the time when life happened for you Tell Me a Story is a collection of heart warming stories about events and incidents that have affected or changed the lives of the writers in ways that they cannot forget Happy or sad inspiring or shocking these are stories of moments that have left an indelible mark on their lives Stories that they would love to share Edited by Ravinder Singh Tell Me a Story is about the moments that make life worth living This is the second such anthology after the highly successful *Love Stories That Touched My Heart* **How Is My Driving?** Larry O'Sullivan,2014-06-16 How is my DRIVING is a wonderful concept that brings the responsibility back to you the reader By substituting the word DRIVING with words like Service listening leadership attitude relationships goals or lifestyle you will be able to map your coordinates on the journey to success in life sport sales service or business Its a motivational book full of analogies quotes humour and largely true life inspirational stories that have profound messages and morals A must read
