Measuring the Networked Nonprofit Beth Kanter, Katie Delahaye Paine, 2012-10-09 The tools nonprofits need to measure the impact of their social media Having a social media measurement plan and approach can no longer be an after thought It is a requirement of success As nonprofits refine their social media practice their boards are expecting reports showing results As funders provide dollars to support programs that include social media they too want to see results This book offers the tools and strategies needed for nonprofits that need reliable and measurable data from their social media efforts Using these tools will not only improve a nonprofit s decision making process but will produce results driven metrics for staff and stakeholders A hands on resource for nonprofit professionals who must be able to accurately

measure the results of their social media ventures Written by popular nonprofit blogger Beth Kanter and measurement expert Katie Delahaye Paine Filled with tools strategies and illustrative examples that are highly accessible for nonprofit professionals This important resource will give savvy nonprofit professionals the information needed to produce measurable results for their social media

The Smart Nonprofit Beth Kanter, Allison H. Fine, 2022-03-03 A pragmatic framework for nonprofit digital transformation that embraces the human centered nature of your organization The Smart Nonprofit turns the page on an era of frantic busyness and scarcity mindsets to one in which nonprofit organizations have the time to think and plan and even dream The Smart Nonprofit offers a roadmap for the once in a generation opportunity to remake work and accelerate positive social change It comes from understanding how to use smart tech strategically ethically and well Smart tech does rote tasks like filling out expense reports and identifying prospective donors However it is also beginning to do very human things like screening applicants for jobs and social services while paying forward historic biases Beth Kanter and Allison Fine elegantly outline the ways smart nonprofits must stay human centered and root out embedded bias in order to success at the compassionate and creative work that only humans can and should do

Forces for Good Leslie R. Crutchfield, Heather McLeod Grant, 2012-05-01 An updated edition of a groundbreaking book on best practices for nonprofits What makes great nonprofits great In the original book authors Crutchfield and McLeod Grant employed a rigorous research methodology derived from for profit books like *Built to Last* They studied 12 nonprofits that have achieved extraordinary levels of impact from Habitat for Humanity to the Heritage Foundation and distilled six counterintuitive practices that these organizations use to change the world Features a new introduction that explores the new context in which nonprofits operate and the consequences for these organizations Includes a new chapter on applying the Six Practices to small local nonprofits including some examples of these organizations Contains an update on the 12 organizations featured in the original book how they have fared what they've learned and where they are now in their growth trajectory This book has lessons for all readers interested in creating significant social change including nonprofit managers donors and volunteers
