The Gun Digest Book of Combat Handgunnery Massad Ayoob,2007-10-12 This book can save your life The best defense for any scenario is to be prepared The Gun Digest Book of Combat Handgunnery prepares you for potential life threatening situations with practical instruction and expert guidance Author Massad Ayoob teaches you the skills to keep you and your family safe in any violent encounter including Selecting the right pistol ammunition and holster How to use and accessorize your handgun Close quarter battle techniques used by law enforcement and the U S military In addition to the tactical aspects of self defense Ayoob also covers practical information

about selecting a used handgun and the legal aspects of self defense with a firearm Firearms technology and tactics change throughout the years which is why the updated 6th edition of The Gun Digest Book of Combat Handgunnery is essential to the well being of you and your family Remember your best defense is to be prepared *The Law of Self Defense, 2nd Edition* Andrew F. Branca, 2013-02-01 You arm yourself so you're hard to kill Know the law so you're hard to convict Let's face it the world isn't always nice That's why you take steps to protect yourself and your family Whether it be that shotgun in the corner the sidearm on your hip or the pepper spray you gave your daughter you meet that fundamental responsibility But if you're like most people your preparations still lack a critical element You still need to know how to survive the critical fight that looms after any defensive encounter the legal battle The Law of Self Defense provides precisely that critical missing knowledge This book includes not just the laws of all fifty states but how the courts apply those laws It's a plain talk analysis that makes the law easy to understand for anyone not just lawyers Bestselling author Andrew F Branca is not only a lawyer and internationally recognized legal consultant but also a life long member of the gun community more than 20 years as an NRA Life Member and Instructor an IDPA Master class competitor and a 2nd Amendment absolutist Learn how to make fast effective decisions and confidently handle life and death situations both tactically and legally Read This Book And Learn the Powerful Legal Truth That Can Save Your Life Wealth And Personal Freedom *A Time to Kill* Greg Hopkins, 2013-01-01 This book is about decisions Not the everyday kind such as What should I wear today or Where shall we eat tonight but decisions dealing with life death and protecting the innocent The issue of self defense concerns decisions of survival for the individual It can also decide the fate of a nation and its citizens Survival is the most basic of instincts Without it there is no family community culture or state Unless a person survives he cannot pass down his genes ideas or beliefs And religious beliefs can affect survival If Christians are commanded to treat others as they want to be treated would this not include protecting others from criminal attack Jesus Christ may have had that in mind when he instructed his disciples to acquire a sword before entering the mission field even if that meant trading their cloak for the weapon *A Time To Kill The Myth of Christian Pacifism* by Greg Hopkins includes chapters about preparation for self defense laws that govern self defense understanding how criminals think recovery from post traumatic stress disorder PTSD biblical appraisals of military and police arguments on criminal punishment and retribution and much more [Concealed Carry Class](#) Tom Givens, 2020-03-03 Your Ultimate Resource for Practical Personal Protection [Concealed Carry Class](#) The ABCs of Self Defense Tools to the mental discipline it takes to carry a concealed weapon every day to evaluating and selecting concealed carry hardware including handguns and calibers holsters and clothing to training drills you can use to become proficient with a handgun and remain proficient through regular practice Author Tom Givens has more than four decades of experience as a firearms instructor has carried a gun professionally in one form or another for 50 years and spent 25 years in various aspects of law enforcement and specialized security work with stints in street patrol and investigations Givens also owned and operated a

firing range and training center for more than 18 years During that time he oversaw the firing of about 1 5 million handgun rounds each year with all types of handguns He trained about 2 500 students each year including private citizens security personnel and police officers military police intelligence units and Special Forces detachments He has been involved in armed confrontations both as a police officer and as a private citizen and has seen firsthand how decent people with proper training can fight back and overcome criminal attacks Tom Givens calls on decades of firearms and law enforcement experience to put together this practical collection of tips and tactics anyone can use for the safe responsible and legal carrying of a concealed weapon

Rampage Nation Louis Klarevas,2016-08-23 In the past decade no individual act of violence has killed more people in the United States than the mass shooting This well researched forcefully argued book answers some of the most pressing questions facing our society Why do people go on killing sprees Are gun free zones magnets for deadly rampages What can we do to curb the carnage of this disturbing form of firearm violence Contrary to conventional wisdom the author shows that gun possession often prods aggrieved mentally unstable individuals to go on shooting sprees these attacks largely occur in places where guns are not prohibited by law and sensible gun control measures like the federal Assault Weapons Ban which helped drastically reduce rampage violence when it was in effect are instrumental to keeping Americans safe from mass shootings in the future To stem gun massacres the author proposes several original policy prescriptions ranging from the enactment of sensible firearm safety reforms to an overhaul of how the justice system investigates potential active shooter threats and prosecutes violent crimes Calling attention to the growing problem of mass shootings Rampage Nation demonstrates that this unique form of gun violence is more than just a criminal justice offense or public health scourge It is a threat to American security

The Gun Digest Book of Beretta Pistols Massad Ayoob,2005 This book will give you all the in sight you need to choose and use a Beretta pistol with confidence

After You Shoot Alan Korwin,2011-11-08 The dangerous legal loopholes facing an innocent person after a self defense shooting are described with solutions proposed Calling 911 after surviving a criminal assault negates your right to remain silent your right to have an attorney present during questioning and compromises your 5th Amendment guarantee against self incrimination all into a police voice recorder while you re still traumatized and shaking from adrenaline Proposed solutions include changes to law and criminal procedure suggested behavior on the phone at the scene and the model used by police after an officer involved shooting along with the controversial Adnarim statement

Guns, Bullets, And Gunfights Jim Cirillo,1996-03-01 Learn what it takes to survive a real gunfight from someone who s been in many Jim Cirillo top gun in the New York City Police Department stakeout unit Read about the stress and intensity of an actual shoot out and how to maximize your training ammo and weapons to prevail

The Cornered Cat Kathy Jackson,2010 If you have to fight fight like a cornered cat Cover

Jim Cirillo's Tales Of The Stakeout Squad Paul Kirchner,2008-04-01 Since the publication of Guns Bullets and Gunfights in 1996 readers have pressed for a follow up with more information on Jim Cirillo and his

service with the New York City Police Department s Stakeout Unit That book is finally here Author Paul Kirchner was working with Cirillo on this biography at the time of Jim s untimely death in 2007 Kirchner draws on his extensive interviews with Cirillo his family friends ex partner Bill Allard and other SOU officers to create a vivid portrait of an affable and gregarious man who nonetheless was the last man many armed robbers saw on this earth In previously unpublished accounts Cirillo describes in detail numerous stakeouts and sets the record straight about what he and the other SOU members actually accomplished on the streets of New York Cirillo also talks about his early years as a street cop and his service with the NYPD Emergency Service Unit his successes as a lifelong competitive shooter his distinguished career as a firearms trainer his unique relationship with Jeff Cooper his carry guns and the guns of the SOU and much more Cirillo s unique voice and humor enliven every page resulting in a fitting lasting tribute to a legendary police officer shooting instructor gunfighter and raconteur
