Morris Informal Reading Inventory Nov 25 2023 In one concise volume, Darrell Morris provides a complete tool for assessing students' reading ability. Unlike most informal reading inventories (IRIs), Morris's approach incorporates measures of automaticity (word recognition and fluency) together with oral reading accuracy and comprehension. This results in more efficient, accurate, and thorough assessments. Included are an examiner's manual and all test materials for the basic IRI (grades 2-8) plus a separate beginning reading inventory (grades K-1). In a large-size spiral-bound format for ease of use, the book features more than 90 pages of word/letter lists, illustrated reading passages, and other test materials, all with permission to photocopy. See also Morris's *Diagnosis and Correction of Reading Problems, Second Edition*, which guides teachers through a comprehensive diagnostic battery for planning instruction and intervention.

Small Group Reading With Multilingual Learners May 27 2021 Watch multilingual students excel with high-engagement reading lessons Students acquiring English tend to bust every stereotype. The truth is, these learners come to school with linguistic assets, not deficits. They will excel with lively, just-right challenge lessons, and they thrive with opportunities to collaborate with peers. In this authoritative resource, bestselling author Nancy Akhavan shows teachers how to support students at the small-group table in acquiring English as well as developing as readers—simultaneously. Ready-to-go tools include: Essential background on the five stages of language acquisition How-tos for differentiating instruction based on students' levels of language proficiency as well as their reading proficiency Lesson sequences integrating oral language, phonics, spelling, vocabulary, word work, comprehension, and writing about reading Routines that augment talk about texts so multilingual learners can verbalize their knowledge and articulate thinking A companion website and multimodal scaffolds to support students across reading, writing, speaking, and listening When we gather at the reading table, we have just twenty minutes—we need to make it count. Now we can.

Word Study for Literacy Leaders Jun 08 2022 "Word study is an approach to teaching phonics, vocabulary, and spelling that is based on a developmental model described by Henderson and his students. Given the reciprocal nature between reading and writing, phonics, spelling and vocabulary are integrated in instruction.

Teachers understand that this word study approach integrates phonics, spelling, and vocabulary, and have challenged us to share concrete examples of how teachers organize and implement word study and how literacy educators in universities and school districts conduct professional learning for word study. The primary goal, then, is to make word study work for our students. The authors of each chapter show how literacy leaders and teacher educators guide others in a wide variety of educational settings. Stories in this volume capture classroom conversations, describe professional learning communities, and present coaching scenarios that will resonate with reader's experiences"--

An Inventory of Abandoned Things Sep 11 2022 In Kelly Ann Jacobson's *An Inventory of Abandoned Things*, winner of the 2020 Split/Lip Press Fiction Chapbook Contest, there are cockroaches in the walls and anoles trapped in the doors. Squirrels roll across the attic rafters, and red ants patrol the car floor. A lazy gopher tortoise chews lettuce in the neighbor's butterfly garden. At once the story of a pregnant graduate student separated from her wife and an inventory of the Florida panhandle, this book of linked stories questions what it means to fight the land for a place in it-and whether, in the fighting, there can be a bond between human and landscape formed that is stronger than love.

Teaching English Language Learners Jan 16 2023 Grounded in research and practical expertise, this volume helps K-6 teachers skillfully support all of their English language learners (ELLs)-from a single student to an entire classroom. Assessing and Addressing Literacy Needs Feb 14 2023

Designed to help preservice and inservice teachers use assessments to identify problems and employ appropriate strategies to help their students become better readers, this text includes 12 case studies that detail children's literacy struggles. The cases are embedded within a framework of research-based instructional interventions related to best practices in literacy instruction. The core chapters of the book are organized around six essential elements in learning to read—emergent literacy, word identification, fluency, vocabulary, comprehension, and engagement—and include a review of the literature, assessment strategies, instructional interventions, a section on Intervening With Technology, and two detailed case reports.

Handbook of Research on Advancing Teaching and Teacher Education in the Context of a Virtual Age Oct 01 2021

The possibilities of the virtual age can provide many valuable resources and opportunities for teachers, preservice teachers, and teacher educators. However, in order to utilize these resources responsibly and productively, the researchers and practitioners of teaching and teacher education must better understand the new potentials and pitfalls related to teaching and learning that are present within the virtual age. The Handbook of Research on Advancing Teaching and Teacher Education in the Context of a Virtual Age focuses on the recent innovations in teaching and teacher educations as well as innovations in the curriculum and pedagogy of teacher education. It deepens discussions related to how teacher education can address educational possibilities within this digital age. Covering topics such as learning material adaptation,

teacher talent pipelines, and metaverse, this major reference work is a comprehensive resource for administrators and educators of both K-12 and higher education, teacher educators, pre-service teachers, government officials, librarians, researchers, and academicians.

Understanding and Using Reading Assessment, K-12 Sep 23 2023 Why do we assess reading? What do we assess when we assess reading? How, where, and when do we assess reading? Reading instruction and assessment expert Peter Afflerbach addresses these questions and much more in the 3rd edition of Understanding and Using Reading Assessment, K-12. Using the CURRV model to evaluate reading assessment methods—including reading inventories, teacher questioning, performance assessment, and high-stakes reading tests—Afflerbach considers the consequences and usefulness of each method, the roles and responsibilities of key stakeholders, and the reliability and validity of the assessments. In addition, he examines four important but often overlooked aspects of reading assessment: Assessment accommodation for English-language learners and students with special needs Assessment of noncognitive aspects of reading, such as motivation, engagement, self-concept, and self-efficacy The use of formative and summative assessment The importance of

self-assessment in building reading independence The book provides detailed case studies from all grade levels to illustrate reading assessment done well. It also includes 15 reproducible forms and checklists that teachers and administrators can use to optimize their reading assessment efforts. Students are expected to read increasingly complex texts and to complete increasingly complex reading-related tasks to demonstrate their growth as readers. This book offers teachers and administrators alike a clear path to helping students meet those expectations. This book is a co-publication of ASCD and ILA. New to the 3rd edition: New chapter "Formative and Summative Assessment" Three significantly revised chapters—Performance Assessment; Assessment Accommodation for English Learners and Students With Special Needs ("Accommodation and Reading Assessment" in 2nd edition); Assessing "the Other": Important Noncognitive Aspects of Reading Fifteen reproducible and downloadable forms and checklists
