Kemp: The Road to Crécy Nov 08 2023 An epic Medieval adventure of the Hundred Years War When Martin Kemp joins the English army in order to avoid the hangman, he may just be delaying the inevitable. While he remains hopeful that at least there's the chance for some heroics, the reality is very different. Kemp's war is instead a terrifying odyssey through the panic and confusion of his first battle, the brutal realities of siege warfare, and eventually to the field of Crécy, where he faces the armoured might of the French nobility. But as an elite longbowman, when it comes to winning or losing, he could have a vital – though dangerous – part to play. This stunning adventure brings the medieval world vividly to life, and is ideal for fans of Bernard Cornwell, Matthew Harffy and Giles Kristian.

My Mom's Ex-Husband Aug 05 2023 Faith: I'm a waitress in a small town, so when a handsome stranger leaves me a hundred-dollar tip and asks me to meet him at his place, I throw caution to the wind. Sure, I might be abducted or even worse, but what Hunter and I ended up doing in private made it *totally* worth it. Hunter: The minute I saw Faith in that flirty waitress outfit, I lost it. Was I pushy and possessive? Yes. Did I help myself to those curves the minute she stepped through the door? Yes. But there's something strange about Faith because she looks eerily like a woman I used to know. To my horror, she is my ex-wife's daughter ... but that's not going to stop me from putting a baby in her belly! Hey Readers – Hunter's a pro athlete who had a 6-second marriage back in the day, but it comes back to haunt him when he meets the woman of his dreams. After all, Faith is everything that he wants, but what happens when she shares the DNA of his ex-wife? There is *nothing* realistic about this story, but I promise you'll love it because this is forbidden romance at its best! This book is a follow-up to *Hot Single Daddy*, but all of my books may be read as standalones. No cheating, no cliffhangers, and always a HEA for my readers. Enjoy! Xoxo, Cassie

Martyr/Revenger/Prince Oct 15 2021 The first three books of the bestselling John Shakespeare series of Tudor spy thrillers from Rory Clements, author of the Sunday Times bestseller *Hitler's Secret* *** Martyr Tensions in Elizabeth I's government are at breaking point. At the eye of the storm is John Shakespeare, chief intelligencer in the secret service of Sir Francis Walsingham. When an intercept reveals a plot to assassinate England's 'sea dragon', Francis Drake, Shakespeare is ordered to protect him. With Drake on land fitting out his ships, he is frighteningly vulnerable. If he dies, England will be open to invasion. From the splendour and intrigue of the royal court, to the sleek warships of Her Majesty's Navy and the teeming brothels of Southwark, Shakespeare soon learns that nothing is as it seems . . . Revenger The quiet life of John Shakespeare is shattered by a summons from Robert Cecil, the cold but deadly young statesman who dominated the last years of the Queen's long reign, insisting Shakespeare re-enter government service. His mission: to find vital papers, now in the possession of the Earl of Essex. When John Shakespeare infiltrates this dissolute world he discovers not only that the Queen herself is in danger - but that he and his family is also a target. With only his loyal footsoldier Boltfoot Cooper at his side, Shakespeare must face implacable forces who believe themselves above the law. And in a world of shifting allegiances, just how far he can trust Robert Cecil, his devious new master? Prince Driven on by cold rage, Shakespeare's investigations will take him from magnificent royal horse races to the opulent chambers of Black Luce's brothel, from the theatrical underworld of Marlowe and Kyd to the pain-wracked torture cells of priest-hunter Richard Topcliffe, and from the elegant offices of master tactician Robert Cecil to the splintering timbers of an explosive encounter at sea. As Shakespeare delves ever deeper, he uncovers intricate layers of mystery and deception that threaten the heart not only of the realm, but of all that he holds dear.

Chasing the Wild Sparks Apr 08 2021 Throwing down the gauntlet has never been so wild. Just ask Hadley Beckett. Marriage. That word drives my nuptial-phobic boyfriend of three years, Finn Wilder, who is Richmond's sexy, golden boy daredevil sportscaster, to the brink of madness. While the daredevil thrives on adrenaline and danger and eagerly professes his love for me, he'll walk on the wild side and not down the aisle. Furthermore, Finn Wilder is single, according to his coworkers and viewers—Finntatics. I don't exist. Despite his marriage fears and questionable relationship status, Finn pressures me to move in with him. Still, traditional by today's standards, I want to marry first, adhering to my beliefs, just as he desperately clings to his, not starting a family with me. As much as I love Finn, I've reached my limit with the lies, secrets, and irrational fear. Something has got to give. We're forever at a standstill, a faceoff which one of us will lose. Everything. The Silent Highlander Jul 24 2022 All is not what it seems. Don't trust anyone. The warning comes too late for Elysia. Alone and frightened Elysia hurries to do as her two sisters urged, ask Saber, who works one of the crofts, to wed her. She favors him and believes he feels the same about her. His throat is healing from an injury and his voice is slowly returning with her help. Elysia is no healer but having helped her sister Bliss, the healer of their clan, she has a bit of healing knowledge. It is the least she can do when her two sisters are sacrificing so much more. Annis is off on a mission to see what can be done to save Bliss from a marriage she agreed to, so Annis and Elysia would not be forced to wed, but will surely be the death of her due to a twenty-year-old curse. A marriage to Saber would keep Elysia safe from those seeking to take advantage of her now that she doesn't have the safety of her sisters. To her surprise, Saber refuses her offer and to make matters worse the chieftain of the clan presents her with three clan warriors and gives her two weeks to pick one to wed. She does not want to wed a warrior. She wants a tender and quiet man like Saber, not a man who lives by the sword. Saber got lost in Elysia's soft green eyes when they first met and she attempted to hide behind him, an easy task since she is a wee bit of a thing. She has a kind and sweet nature that entices. Not able to get her out of his thoughts, he seeks her healing skills more often than he should. But marriage to her is out of the question. He tries to stay away from her but fails. Fate or perhaps it is the curse that intervenes and unites Saber and Elysia in marriage. They briefly find happiness together... until the truth is revealed. Nothing about Saber is real, not even his name. Who is this man she calls, husband? Who is this stranger she has wed? And how will she ever survive a marriage to him? Unexpected danger threatens the couple and Saber will do anything to keep his wife safe from harm. But Elysia has a secret that she fears will fuel the curse and worries what will happen when Saber finds out. Her only hope is that her sister, Annis, will be successful at breaking the curse before the curse claims them all. Author note: There is a prequel to this trilogy... Highland Intrigue A Prequel. Treacherous Feb 04 2021 Teagan "I wanted to go home." "Moving to America wouldn't have been so bad if it weren't for the family next door, but because of my so-called guardian - and I used that term lightly - we were the latest family to take up residency in Thirteenth Street, and I was the sole target of the bitch over the fence." "But, for me, life was a lot to get a lot worse." "Noah Messina, Ellie's step-brother, had decided to join her torment-the-new-girl-until-she-cracks mission." "There had been a fight in their driveway last weekend - between Noah and some other tattooed douchebag - that had progressed into our yard, resulting in the windshield of my car being smashed when Noah pummeled his opponent through it. Thinking back now I had to admit that I sort of overreacted when I stalked outside in nothing but a Coldplay t-shirt and a black thong and tossed an entire can of white gloss paint over the hood of Noah's black Lexus in retaliation. I guess it had felt damn good to fight back instead of letting them walk all over me..." "Destroying Noah's car with paint was like waving a red rag in front of a bull. He lost it. Right there in my driveway, with his t-shirt ripped from his body and blood dripping from his eyebrow, Noah Messina had thrown the biggest man-tantrum I'd ever seen before declaring war on me..." "Noah "I was going to lose my shit over the girl-next-door." "God, three months of having her live next door to me and I still felt like slamming my head into the garden wall - now worse than ever since she had challenged me." "The defiance in her eyes as she stared at me down before bending over the hood of my baby and emptying the can of paint was something that struck a chord inside of me. I'd never been so angry or turned on in my life." "Pure rage had flooded my veins, driven on even further when Teagan taunted me with her potty mouth and yeah, I'd kind of lost it with her. Problem was I had an even uglier temper, and Friday night Teagan Connolly ignited it like no one had before. When she slapped me and pressed her tight little body against mine, taunting me with that sharp tongue of hers, I'd never been so close to putting my hands on a woman in my life." "Except instead of hurting her, I wanted to toss her sexy little ass on the hood of my car and take her right there, not caring who saw us. The urge to be inside her was like nothing I'd ever felt in my life..."

Warning: Due to its explicit content *Treacherous* is recommended for readers of eighteen years or above."

Rogue Gentleman: A Roommates Romantic Comedy (The Rourke Series, Book 8) Jan 30 2023 An unexpected sexy roommate in close quarters...what could go wrong? Josie I'm an actress between gigs, crashing on the couch at my cousin's old place. I won't be here forever. I just filmed a pilot and, if the show gets picked up, I'm off to LA for my dream job. Only I never expected my new roommate would be the grouchiest man on earth. It almost cancels out his sexy rugged good looks. Almost. Sean The last thing I need is a woman moving into the house I'm renovating on the side. First of all, I live here. Second, I'm running on fumes trying to juggle my day job too. I don't have time for her irritating cheer or her distractingly cute little body. I've got work to do. And then Josie decides to "help" me renovate, which has the aggravating effect of making more work for me. I'm losing my damn mind. Yet, somehow, I can't stop looking at her. Anxious Eaters, Anxious Mealtimes: Practical and Compassionate Strategies for Mealtime Peace Aug 13 2021 How can grasshoppers help parents and feeding professionals teach anxious eaters about new foods? Marsha Dunn Klein, an internationally-known feeding therapist, provides the answer in this book--highlighting that most anxious eaters do not enjoy the sensations and variability of new foods. In seeking to help them, she asks what you'd need to do to help yourself try a worrisome new food, such as a grasshopper. Drawing on her own experience trying grasshoppers while learning Spanish in Mexico, she personalizes the struggle of children to find new food enjoyment, providing a goldmine of practical, proven, and compassionate strategies for parents and professionals who work with anxious eaters. Learn how to: - find peace and enjoyment during mealtimes; - find ways to help anxious eaters fearlessly try new foods; - navigate the sensory variations in food smells, tastes, textures looks, sounds; and - help anxious eaters (and their parents) develop a more positive relationship with food. Because parents are absolutely central to mealtime success, the author incorporates parent insights throughout the book. Using encouragement, novelty, and fun, she invites everyone back to the table with a sensitive and pressure-free approach.

Data Structures and Algorithms Using Python and C++ Feb 16 2022 This book is intended for use in a traditional college-level data structures course (commonly known as CS2). This book assumes that students have learned the basic syntax of Python and been exposed to the use of existing classes. Most traditional CS1 courses that use Python will have covered all the necessary topics, and some may have covered a few of the topics covered in this book. We have found that most students successfully completing a CS1 course know how to use classes, but many of them need more experience to learn how to design and write their own classes. We address this issue by including a number of examples of class design in the first few chapters of this book.

The Rich Boy Nov 27 2022 I'm the type of girl who's given up on fairy tales. So when Beck - the hot new busboy at work - starts flirting with me, I know better than to get my hopes up. Happily ever afters aren't for the average. I learned that the hard way. But how can I be expected to resist a man who can quote Austen, loves making me laugh, and seems to be everything hot and good in this world? Only there's so much more to him than that. Billionaire playboy? Check. Troubled soul? Check. The owner of my heart, the man I've moved halfway across the country to be with, who's laying the world at my feet in order to convince me to never leave? Check. Check. Check. But nobody does complicated like the one percent. This is not your everyday rags-to-riches, knight-in-shining armor whisking the poor girl off her feet kind of story. No, this is much messier.
