## Until I Met You Jaimie Roberts

Until I Met You Jaimie Roberts, Geoff Wolak, 2014-05-30 Warning Contains scenes of an adult nature and a hero so mouth watering he will put you off chocolate What happens when the worlds of two tortured souls collide Angelina Bradshaw has always believed that she does not need a man in her life That s what she has been telling herself her entire adult life She feels worlds apart from her family s dreams for her to meet a man settle down and have babies She certainly can t be doing that because love just gets in the way She has a go to guy and that s enough for her Living in rural Cornwall she is bored and in desperate need of adventure so when a family friend offers her a job in London there s no hesitation She expected adventure she expected a new start but what she didn t expect was to meet a man who would turn her life upside down Seth Jacobs is hot sexy and can t understand why Angelina doesn t want him No one has ever said no to Seth Jacobs in fact they all fall at his feet Seth pursues her relentlessly and Angelina fights him at every corner He is the only man who has ever affected her and the need to run from him is immense However Seth is not one to give up so easily He soon finds himself on a mission determined to win her heart Unfortunately for Angelina all is not well when her past and present collide after receiving some unwelcoming and frightening news from home She feels desperate and alone but most of all she feels she has to push Seth away before it s too late To make matters worse a catastrophic secret from the past is revealed threatening to destroy the one thing Angelina finally holds dear to her heart *Take a Breath* Jaimie Roberts, 2018-07-14 I m obsessed with a man I can t have For over a year I have not only worked with Jake but I have lived with him too Why can t I have him He s getting married to my mother When she suddenly decides to move out of the house the tension between Jake and I reaches a fever pitch Feelings which had been bottled up for so long are now bursting to get out I can no longer hide the overwhelming emotions that flow through me Unfortunately neither can a serial killer on the loose dubbed The Blonde Killer I am his obsession And Jake the senior detective in charge of the Major Investigations Unit is responsible for catching the murderer I m scared but I know Jake will do everything in his power to protect me I feel things can t get any worse Until they do *I m a CREEP* Jaimie Roberts, 2021-05-20 From an early age I was bullied and abused Forced in to submission Forced to be a victim Until one fateful day just before my sixteenth birthday when I finally cracked With the snap of a finger I was a changed girl No longer timid No longer frightened Instead I armed myself with the knowledge of their secrets All who had bullied me All who had abused me I am no longer their victim The timid little plaything they can pick up whenever they damn well please Now I am vengeance I am the eye of the storm Nothing and no one can stand in my way And if anyone dare try Be prepared to pay in blood **WARNING** This book contains explicit taboo dark and twisted scenes *A Surrogate Love Affair* Jaimie Roberts, 2017-04-11 I never believed in fate Destiny was something magical something written in the stars I was a world away from having that kind of excitement in my life I was alone praying for a baby that little miracle I could hold in my

arms My husband fought me at every turn but I knew I would break him down one day It was just a matter of time In the end fate took the shape of my best friend and her husband who were desperate for a baby Desperate for that miracle that hope that joy in their lives I wanted to give that to them I wanted them to have the family they were striving for With my help they would finally have everything they ever wanted On the day I found out their little miracle was coming fate intervened again It would turn my world upside down shattering my life into a million pieces It was on that day I realised things were about to become really complicated

**Possession** Jaimie Roberts,2017-03-05 On my fourteenth birthday I was promised to a very wealthy man A domineering man A powerful man On that day the first of two transactions were made with my very unloving parents I became his possession Something to own Something to keep An object intended only for his desire his pleasure and his indulgence Although promised to this man I at least remained safe untouched pure I was to be his and his alone On my eighteenth birthday the second transaction took place I escaped But he came for me Now I m his He owns my body and my soul And as if all of that wasn t enough he wants to own my heart too I m trying to resist him trying to fight that irresistible monster inside of him But as with everything else in my life nothing is ever that easy

**Forbidden Desires** Jaimie Roberts,2019-08-25 Daughter covet not thy mother s husband Isn t that a saying I know it isn t but in my case it really should be Because in my case I didn t just walk up to the line I crossed so far over it that I can no longer recall how I got there in the first place What line did I soar over The line leading up to him Owen Montgomery Rich powerful fucking amazing in bed Oh and he s married to my mother I didn t seek this out as a way of life but once I had my first taste of it and him handed to me on a glistening silver platter I felt I owed it to myself to enjoy every delicacy offered to me while I could I suppose I should have known that my guilty pleasures couldn t possibly last forever and when our relationship took a decidedly nasty turn I was left feeling utterly dejected Guided by my resentment I threw caution to the wind and allowed myself to fall into the arms of another man Not just any man The man in question is none other than Ethan Owen s absentee son After Owen left me so bitter I realized that Ethan represented the ultimate escape and I must admit revenge Why not He s gorgeous charming and witty to boot As an added bonus he s single But Owen has other ideas He has decided that no other man can have me but him I am his and he will stop at nothing to keep it that way

**Bitten** Kelley Armstrong,2009-08-25 An erotically charged addictive thriller from the future queen of suspense Living in Toronto for a year Elena is leading the normal life she has always dreamed of including a stable job as a journalist and a nice apartment shared with her boyfriend As the lone female werewolf in existence only her secret midnight prowls and her occasional inhuman cravings set her apart Just one year ago life was very different Adopted by the Pack when bitten Elena had spent years struggling with her resentment at having her life stolen away Torn between two worlds and overwhelmed by the new passions coursing through her body her only option for control was to deny her awakening needs and escape But now the Pack has called Elena home to help them fight an alliance of renegade werewolves who are bent on exposing and annihilating the Pack And although Elena is obliged to rejoin

her family she vows not to be swept up in Pack life again no matter how natural it might feel She has made her choice Trouble is she s increasingly uncertain if it s the right one An erotically charged thriller Bitten will awaken the voracious appetite of every reader as the age old battle between man and beast between human and inhuman forces comes to a head in one small town and within one woman s body [Luca \(Because You're Mine\)](#) Jaimie Roberts,2016-02-12 Murderous thoughts Those are what I had once Isabella walked through the door and revealed to me who she was I needed an escape An escape from my thoughts an escape from the hurt and an escape from him I was a broken woman but I was never going to break my resolve I grew up being a fighter because I had to No man could ever bring me down Not even Luca But I had to admit I never thought my heart would break as much as it did that day Of course I fled but I was a fool to think he would ever let me go He always told me I was his no matter what the cost He was determined to keep me regardless of the lengths he had to go to reach his goal He was like a moth to my flame a tattoo carved into my heart I could never escape his pull I may have evaded him but I knew it would just be a matter of time Once he inevitably caught up with me there would be no going back However no matter what I had expected or even imagined absolutely nothing could have prepared either of us for what happened next [Luca](#) Jaimie Roberts,2016-01-13 Have you ever wondered what it would be like to be held hostage by an Italian stallion My name is Clara and I am part owner of a brothel called The Castle My empire is my home which I ve worked hard to build a life from A future But one day the infamous Luca Belatoni stepped into my office and demanded that I pay him protection money Of course I refused Of course he wouldn t take no for an answer Now he is in my castle holding me hostage Trying to control my mind in business and my body in bed Neither of which I will allow No matter how much his caramel eyes and Italian words of love puncture my hardened heart So being the hostage of an Italian stallion pretty much sucks Because this man is a force to be reckoned with And while I am not frightened for my life I am definitely frightened for my heart

into a marriage on her father's orders. Elise isn't prepared to be married to the man known as Luca Pasquino. Luca is the next capo in line to take over his father's empire with an iron fist. He's cruel, he's evil, and he's ready to destroy anything and anyone that gets in the way of his plans for complete control. Elise has no idea what is in store for her. All she knows is that she can try to survive her life for the rest of her days with Luca.

Update from author: I'm listening. In my zeal to tell my story, I relied on the expertise of others to ensure it went from my head to the printed page, which didn't go exactly as planned. *Deadly Vows* has now been re-edited to ensure the grammar and punctuation are now as they should be. Enjoy.

**Centre Stage** Jamie Roberts, Ross Harries, 2021-11-11 In a nation of rugby heroes, Jamie Roberts has become a legend. Jamie Roberts is your quintessential hard man: a 6-foot-4, 17-stone slab of rippling muscle conditioned to run hard into other huge men in an arena where physical dominance is the prime currency. Yet away from rugby, he's a mild-mannered and thoughtful man, a qualified doctor with a thirst for knowledge and a curiosity about the world around him. It's an intriguing contradiction. In his first full season with the Cardiff Blues, he was picked by new Wales coach Warren Gatland in the Grand Slam-winning side of 2008. He was still establishing his position in the national team when he toured with the 2009 Lions, emerging as Player of the Series. He went on to win 97 Test caps and play for clubs in Paris, London, and Cape Town, yet his career has seldom been straightforward. A fractured skull was one of many injuries he had to overcome, and from the start, he had to juggle the competing demands of university life and professional rugby. The joy of Six Nations success with Wales was balanced by heartbreak in the World Cup and disappointment against southern hemisphere teams, while major trophies at club level proved frustratingly elusive. In this colourful and frank account of a sterling career, Jamie Roberts reveals all about life on tour, in boot camps, and in dressing rooms filled with once-in-a-generation characters such as Mike Phillips, Andy Powell, Shaun Edwards, Martyn Williams, Brian O'Driscoll, and Johnny Sexton. He also shares his views on concussion in rugby, the failings of the professional structure in Wales, and the vital role of old-school team bonding.

**The Beekeeper's Ball** Susan Wiggs, 2016-05-31 New York Times bestselling author Susan Wiggs returns to sun-drenched Bella Vista, where the land's bounty yields a rich harvest and family secrets that have long been buried. Isabel Johansen, a celebrated chef who grew up in the enchanting Sonoma town of Archangel, is transforming her childhood home into a destination cooking school, a unique place for other dreamers to come and learn the culinary arts. Bella Vista's rambling mission-style hacienda, with its working apple orchards, bountiful gardens, and beehives, is the idyllic venue for Isabel's project and the perfect place for her to forget the past. But Isabel's carefully ordered plans begin to go awry when swaggering war-torn journalist Cormac O'Neill arrives to dig up old history. He's always been better at exposing the lives of others than showing his own, closely guarded heart, but the pleasures of small-town life and the searing sensuality of Isabel's kitchen coax him into revealing a few truths of his own.

**Reflect Me** K. B. Webb, 2013-09-21 If you're looking for a story about a sweet, innocent virgin who rides off into the sunset with a reformed bad boy, then you're looking in the wrong place. Some people don't get a happily ever after. Molly

Scott is one of those people and she knows it With the kind of past that she has and the secrets that she holds she knows that even if she found Prince Charming he wouldn't want her She refuses to dwell on her less than ideal situation though This is her life no point in complaining Logan Wade had his life planned out until all his dreams came crashing down around him Now he's come back to the town he swore he would never see again to start fresh He has no plans to ever settle down again that's how he ended up back here in the first place When Molly and Logan meet they are forced to rethink the lives they thought they knew and the futures they were so sure they wanted Suddenly Molly wonders if there is a better life outside of the hell she has built for herself and Logan begins to rethink his resistance towards settling down again They say love conquers all but Molly and Logan are about to find out that sometimes love just isn't enough
