Season Of The Rainbirds Nadeem Aslam

Season of the Rainbirds Nadeem Aslam, 2013-03-26 The first novel by the author of *Maps for Lost Lovers* a powerful and exquisitely written story set in a small town in Pakistan after the murder of a corrupt and prominent local judge When a sack of letters that were thought to have disappeared in a train crash nineteen years earlier reappears under mysterious circumstances the inhabitants of a secluded Pakistani village wait anxiously to see what secrets may come to light Could the letters hold any information about Judge Anwar s murder As Aslam traces the murder investigation over the next eleven days he explores the impact that these two events have on a variety of people in the town from the surviving family of the judge to a journalist reporting on the delivery of the mail packet With great attention to detail and beautiful scenes that explore the daily rhythms of life in Pakistan Aslam creates an exotic and timeless world whose traditional rituals are played out against an ominous backdrop of faraway civil wars assassinations changing regimes and religious tensions *Maps for Lost Lovers* Nadeem Aslam, 2012-09-25 Set in a nameless British town that its Pakistani born immigrants have renamed Dasht e Tanhahi the Desert of Solitude *Maps for Lost Lovers* is an exploration of cultural tension and religious bigotry played out in the personal breakdown of a single family As the book begins Jugnu and Chanda whose love is both passionate and illicit have disappeared from their home Rumours about their disappearance abound but five months pass before anything certain is known Finally on a snow covered January morning Chanda s brothers are arrested for the murder of their sister and Jugnu *Maps for Lost Lovers* traces the year following Jugnu and Chanda s disappearance Seen principally through the eyes of Jugnu s brother Shamas the cultured poetic director of the local Community Relations Council and Commission for Racial Equality and his wife Kaukab mother of three increasingly estranged children and devout daughter of a Muslim cleric the event marks the beginning of the unravelling of all that is sacred to them It fills Shamas s own house and life with grief and in exploring the lovers disappearance and its aftermath Nadeem Aslam discloses a legacy of miscomprehension and regret not only for Shamas and Kaukab but for their children and neighbours as well An intimate portrait of a community searingly damaged by traditions this is a densely imagined beautiful and deeply troubling book written in heightened prose saturated with imagery It casts a deep gaze on themes as timeless as love nationalism and religion while meditating on how these forces drive us apart **The Blind Man's Garden** Nadeem Aslam, 2013-02-08 Love is not consolation it is light From the author of *Maps for Lost Lovers* and *The Wasted Vigil* comes a novel set in the months after 9 11 when Western armies invaded Afghanistan a story of love hope and grief of uncorrupted faith and of what it means to be alive Jeo and his foster brother Mikal leave their home in Pakistan to help care for wounded Afghans Within hours of entering the wide horizoned Afghan landscape Mikal and Jeo are separated and emerging from the carnage Mikal begins his search for Jeo But his deepest wish is to return home to the young woman he loves and who loves him Jeo s wife *The Blind Man s Garden* maps a place both phantasmally beautiful

and chilling Taking us on a journey from Al Qaeda s hideouts in Waziristan and American built military prisons to a family left behind Mikal s and Jeo s blind regretful father Jeo s resolute wife and her superstitious mother it unflinchingly examines war and brotherhood devastation separation and remorse while celebrating the redemptive power of nature art and literature

Fateful Triangle Tanvi Madan,2020-02-04 Taking a long view of the three party relationship and its future prospects In this Asian century scholars officials and journalists are increasingly focused on the fate of the rivalry between China and India They see the U S relationships with the two Asian giants as now intertwined after having followed separate paths during the Cold War In Fateful Triangle Tanvi Madan argues that China s influence on the U S India relationship is neither a recent nor a momentary phenomenon Drawing on documents from India and the United States she shows that American and Indian perceptions of and policy toward China significantly shaped U S India relations in three crucial decades from 1949 to 1979 Fateful Triangle updates our understanding of the diplomatic history of U S India relations highlighting China s central role in it reassesses the origins and practice of Indian foreign policy and nonalignment and provides historical context for the interactions between the three countries Madan s assessment of this formative period in the triangular relationship is of more than historic interest A key question today is whether the

United States and India can or should develop ever closer ties as a way of countering China's desire to be the dominant power in the broader Asian region. Fateful Triangle argues that history shows such a partnership is neither inevitable nor impossible. A desire to offset China brought the two countries closer together in the past and could do so again. A look to history however also shows that shared perceptions of an external threat from China are necessary but insufficient to bring India and the United States into a close and sustained alignment that requires agreement on the nature and urgency of the threat as well as how to approach the threat strategically, economically and ideologically. With its long view, Fateful Triangle offers insights for both present and future policymakers as they tackle a fateful and evolving triangle that has regional and global implications.

In Other Rooms, Other Wonders Daniyal Mueenuddin, 2011-10-01. Moving from the elegant drawing rooms of Lahore to the mud villages of rural Multan, a powerful collection of short stories about feudal Pakistan. An impoverished young woman becomes a wealthy relative's mistress, an electrician on the make confronts his desperate assailant to protect his most prized possession, a farm manager rises far in the world but his family discovers after his death the transience of power, a maid who advances herself through sexual favours unexpectedly falls in love. In these linked stories about the family and household staff of the ageing KK Harouni, we meet masters and servants, landlords and supplicants, politicians and electricians, village women and Karachi housewives. Part Chekhov, part RK Narayan, these stories are dark and light, complex and humane at heart, about the relationship between the powerful and powerless, bound together in life and in death. Together they make up a vivid portrait of a feudal world rarely brought alive in the English language. Sensuous, graceful, melancholy. In *Other Rooms, Other Wonders* gives you Pakistan as you have never seen it. It marks the debut of an amazing new talent.

Our Lady of Alice Bhatti Mohammed Hanif, 2012-05-29. From the author of the universally acclaimed debut novel *A Case of Exploding Mangoes*, a subversive, often shockingly funny new novel set in steaming Karachi about second chances, thwarted ambitions and love in the most unlikely places. The patients of the Sacred Heart Hospital for All Ailments need a miracle and Alice Bhatti may be just what they're looking for. She's the new junior nurse but that's the only thing ordinary about her. Her father is a part-time healer in the French Colony, Karachi's Christian slum, and it seems she has inherited his part-time gift. With a bit of begrudging but inspired improvisation, Alice brings succour to the patients lining the hospital's corridors. Yet a Christian in an Islamic world, she is ensnared in the red tape of hospital bureaucracy, trapped by the caste system and torn between her duty to her patients, her father and her husband, an apprentice to the nefarious Gentlemen's Squad of the police, and about to plunge them both into a situation so dangerous that perhaps not even a miracle can save them. But of course, Alice Bhatti is no ordinary nurse.

The Financial Expert R. K. Narayan, 1973. **Kannur** Ullekh, 2022-06. Kannur, a sleepy coastal district in the scenic south Indian state of Kerala, has metamorphosed into a hotbed of political bloodshed in the past few decades. Even as India heaves into the age of technology and economic growth, the town has been making it to the national news for horrific crimes and brutal murders with sickening regularity. What makes this

region so susceptible to vendetta politics and such deadly violence How is it an anomaly in Kerala the state with the highest social development parameters in India Born in Kannur and brought up amidst some of the tallest political leaders of the state author Ullekh N P delves into his personal experiences while drawing a modern day graph that charts out the reasons motivations and the local lore behind the turmoil He analyses the numbers that lay bare the truth behind the hype studies the area s political and cultural heritage and speaks to the main protagonists and victims With his journalistic skills and years of on the field reporting he paints a gripping narrative of the ongoing bloodbath and the perceptions around it Ullekh s investigations and interviews reveal a bigger game at work involving players who will stop at nothing to win **Granta 112** John Freeman,2011-05-05 Filled with almost 200 million people speaking nearly sixty languages brought into nationhood under the auspices of a single religion but wracked with deep separatist fissures and the destabilizing forces of ongoing conflicts in Iran Afghanistan and Kashmir Pakistan is one of the most dynamic places in the world today From the writers who are living outside the country Kamila Shamsie and Nadeem Aslam to those going back Mohsin Hamid and Mohammed Hanif to those who are living there and writing in Urdu Punjabi Sindhi Baluchi and English there is a startling opportunity to draw together an exciting collection of voices at the forefront of a literary renaissance Other contributors include Fatima Bhutto and Basharat Peer **Granta 112** Pakistan will seize this moment bringing to life the landscape and culture of the country in fiction reportage memoir travelogue and poetry Like the magazine s issues on India and Australia its release will be a watershed moment critically and a chance to celebrate the corona of talent which has burst onto the English language publishing world in recent years **Pundits from Pakistan** Rahul Bhattacharya,2012-05-24 In 2004 the Indian cricket team headed to Pakistan to play a historic series Accompanying them was young cricket reporter Rahul Bhattacharya The mood was tense with political provocations and security fears But as the archrivals met on the field a rare spirit of bonhomie spread throughout the tour And in streets and homes in Lahore Karachi Peshawar Multan the author had many warm human encounters that made the tour unforgettable This book vividly brings alive the magic of cricket even as it chronicles an emotional and hopeful time witnessed by a young Indian discovering Pakistan [The Secret of Falcon Heights](#) Ranjit Lal,2014-10-01 She s beautiful She s fearless She s bewitching So why is she the leper of Pahadpur Seventeen year old Sandeep and his younger brother Manish are not looking forward to spending three months in the remote Internet challenged hill station of Pahadpur with their military minded aunt Apart from taking care of their kid sister Chubs who tends to wander off on her own the boys have absolutely nothing to do in the holidays But there is more to Pahadpur than meets the eye Sandeep and Manish discover that the family next door at Falcon Heights is shunned by all the townsfolk Who is the mysterious girl who lives there and fl ies a falcon every morning As they unravel the secret with their new friend Parul two terrible but equally plausible stories emerge only one of which can be true When the truth is revealed it brings all of them face to face with a horrifying fate and it is left to little Chubs to save the day *The Daughter* ,1810 *Mrs Queen Takes*

the Train William Kuhn, 2013-10-08 An absolute delight of a debut novel by William Kuhn author of *Reading Jackie Her Autobiography in Books* Mrs Queen Takes the Train wittily imagines the kerfuffle that transpires when a bored Queen Elizabeth strolls out of the palace in search of a little fun leaving behind a desperate team of courtiers who must find the missing Windsor before a national scandal erupts Reminiscent of Alan Bennett's *The Uncommon Reader* this lively wonderfully inventive romp takes readers into the mind of the grand matriarch of Britain's Royal Family bringing us an endearing runaway Queen Elizabeth on the town and leading us behind the Buckingham Palace walls and into the upstairs downstairs spaces of England's monarchy
