VENGEANCE WILL BE HERS Allison Sekemoto once struggled with the question: human or monster? With the death of her love, Zeke, she has her answer. MONSTER Allie will embrace her cold vampire side to hunt down and end Sarren, the psychopathic vampire who murdered Zeke. But the trail is bloody and long, and Sarren has left many surprises for Allie and her companions—her creator, Kanin, and her blood brother, Jackal. The trail is leading straight to the one place they must protect at any cost—the last vampire-free zone on Earth, Eden. And Sarren has one final, brutal shock in store for Allie. In a ruined world where no life is sacred and former allies can turn on you in one heartbeat, Allie will face her darkest days. And if she succeeds, triumph is short-lived in the face of surviving forever alone. Originally published in April 2014. Hi, I'm Jordyn. I flew from New York to Culver City, CA to interview for the job of a lifetime. When I walked into The Bookstore, I only wanted a steamy romance or two to help pass the time before my big meeting. I walked out with a gorgeous and sweet, cinnamon roll who was more funny and charming than all of my favorite book boyfriends combined, which definitely wasn't the plan. But Mike was irresistible, and the time we spent together exploring Culver City was more fun than I've had in a long time. But I'm smart enough to know if something feels too good to be true, it probably is. I mean, Happily Ever Afters are just for fairy tales and romance novels, right? The second book in the Acadia Duology, a forbidden friends-to-lovers romance, from the New York Times bestselling author of the TikTok sensation ARCHER'S VOICE. When the world as you know it has ended, when all that you love has been washed away, where do you find strength? Calder and Eden are free from the stifling grasp of Acadia, but the new world they've stepped into is just as isolating. Each convinced the other died in the flood that decimated their community, they're forced into modern life, hearts broken, futures unclear. After all they sacrificed to be together, a life without one another, forever haunted by grief and memories, seems impossible to bear. But they do bear it. They survive. And when they meet by chance years later, happiness, for once, finally seems within their grasp. Still, the past is a bright, burning pain between them, and Calder and Eden cannot truly move on until they lay it to rest. With Acadia's story forced into the public eye and dangerous questions mounting, the two must untangle the truths of the life they came from to discover who they are and who they might become together. Only, what they discover might drown them for good. Praise for Mia Sheridan: 'The bible to how to write a good, convincing love story' L.J. Shen 'There is no love story like a Mia Sheridan love story' A.L. Jackson In the second seductive LOST novel from New York Times bestselling author Cynthia Eden, an obsessed Last Option Search Team agent goes looking for trouble—and finds her in the Big Easy. Dean Bannon comes to New Orleans for one reason only: to track down a missing sixteen-year-old girl. That's before he meets the drop-dead gorgeous con artist who makes him want to lose his legendary control. With her past, Emma Castille doesn't claim to be psychic. She just notices things other people don't. Like the fear in a runaway's eyes—or the pain in an ex-FBI agent's heart. Her chemistry with Dean is blistering, but Emma follows her passion... not someone else's orders. Then a madman breaks into Emma's home and leaves a twisted message: You're next. Now Dean refuses to let her out of his sight until he pries every last secret from her full, sexy lips. And suddenly Emma's aching to give him everything he wants. All twelve years of Eden's life have been spent in an antique oil lamp. She lives like a princess inside her tiny, luxurious home, but to Eden, the lamp is nothing but a prison. She hates being a genie. All she wants, more than anything, is freedom. When Eden finds a gateway to Earth inside the lamp, she takes her chance. In a moment, she's entered the world she loves. And this time, she won't be sent back after three wishes. Posing as the new kid at a California middle school, Eden revels in all of Earth's pleasures—but quickly learns that this world isn't as perfect as she always thought it was. Eden soon finds herself in the middle of a centuries-old conflict between powerful immortals. A ruthless organization run by a former genie will stop at nothing to acquire the lamp and its power—including hurting Tyler and Sasha, the mortal friends who have given Eden a home. To save her friends—and protect the magic of the lamp—Eden will have to decide once and for all where she belongs. Eden Murphy came into

my club looking to make some extra cash. A girl like her didn't belong in a place like this. She'd get ripped to shreds. Most likely by me. There's nothing but sweetness dripping from her sexy little body, and I'm the monster who's salivating to get a taste. Trent Lawson is the last man I should want. Dark. Dangerous. So wickedly gorgeous he makes my knees weak. He's also an arrogant jerk who happens to be my new boss. When I discover his adorable son is also in my kindergarten class, I know I have to keep my distance. But neither of us can ignore the attraction that flames. One glance, and our hearts race. One touch, and we're aching for what we can't have. One night, and we're falling fast. Dragging her into my sordid world is wrong. It doesn't matter. Eden Murphy is mine. This fast-paced action novel is set in a future where the world has been almost destroyed. Like the award-winning novel *Freak the Mighty*, this is *Philbrick* at his very best. It's the story of an epileptic teenager nicknamed Spaz, who begins the heroic fight to bring human intelligence back to the planet. In a world where most people are plugged into brain-drain entertainment systems, Spaz is the rare human being who can see life as it really is. When he meets an old man called Ryter, he begins to learn about Earth and its past. With Ryter as his companion, Spaz sets off an unlikely quest to save his dying sister -- and in the process, perhaps the world. The American West in the early 1960s. Aspiring novelist Aaron Holland Broussard finds work on a farm and meets Joanne McDuffy, an articulate and fierce college student and gifted painter. Their soul connection is immediate, but their romance is complicated by Joanne's involvement with a shady professor who is mixed up with a drug-addled cult. When a sinister businessman and his son who wield their influence through vicious cruelty set their sights on Aaron, drawing him into an investigation of grotesque murders, it is clear that this idyllic landscape harbors tremendous power, and evil. A pair of shape-shifting Alpha males get their romantic comeuppance in two paranormal romances--*Miss Congeniality* by Shelly Laurenston, as a handsome shape-shifter rescues Professor Irene Conridge from her enemies, and *Cynthia Eden's Wicked Ways*, in which the hero helps gorgeous Miranda Shaw escape a killer vampire. Original. "A journey into the dark corners of friendship." —Mindy McGinnis, author of *The Female of the Species* *Riverdale* meets *Karen M. McManus's Two Can Keep a Secret* in this "twisty, sumptuous dark fairy tale of a mystery" (Kara Thomas, author of *The Cheerleaders*) about estranged friends who reunite when someone commits the murder they'd planned—but didn't go through with—and leaves one of their own to take the fall. *Poppy, Lily, and Belladonna* would do anything to protect their best friend, Raven. So when they discovered he was suffering abuse at the hands of his stepmother, they came up with a lethal plan: petals of poppy, belladonna, and lily in her evening tea so she'd never be able to hurt Raven again. But someone got cold feet, the plot faded to a secret of the past, and the group fell apart. Three years later, on the eve of Raven's seventeenth birthday, his stepmother turns up dead. But it's only belladonna found in her tea, and it's only Belladonna who's carted off to jail. Desperate for help, Belle reaches out to her estranged friends to prove her innocence. They answer the call, but no one is prepared for what comes next. Now, everyone has something to lose and something equally dangerous to hide. And when the tangled web of secrets and betrayal is finally unwound, what lies at its heart will change the group forever. A terrifying and riveting tale of the zombie apocalypse! A terrifying vision of the zombie apocalypse from Gallery Books / indie horror sensation Permuted Press! NOW A LIFETIME TV MOVIE STARRING JOHN STAMOS From the bestselling author of *The Double Bind*, *Midwives*, and *Skeletons at the Feast* comes a novel of shattered faith, intimate secrets, and the delicate nature of sacrifice. "There," says Alice Hayward to Reverend Stephen Drew, just after her baptism, and just before going home to the husband who will kill her that evening and then shoot himself. Drew, tortured by the cryptic finality of that short utterance, feels his faith in God slipping away and is saved from despair only by a meeting with Heather Laurent, the author of wildly successful, inspirational books about . . . angels. Heather survived a childhood that culminated in her own parents' murder-suicide, so she identifies deeply with Alice's daughter, Katie, offering herself as a mentor to the girl and a shoulder for Stephen - who flees the pulpit to be with Heather and see if there is anything to be salvaged from the spiritual wreckage around him. But then the State's Attorney begins to suspect that Alice's husband may not have killed himself. . . and finds out that Alice had secrets only her minister knew. *Secrets of Eden* is both a haunting literary thriller and a deeply evocative testament to the inner complexities that mark all of our lives. Once again Chris Bohjalian has given us a riveting page-turner in which nothing is precisely what it seems. As one character remarks, "Believe no one. Trust no one. Assume all of our stories are suspect." "Sweet

Baby Jesus. I didn't think the second book would rock me as much as the first, but boy was I wrong." 5 STARS - Insightful Minds Reviews. Nothing says happy birthday like a rock god flying thousands of miles to surprise a woman he's never met. But that's exactly what happens to Gabi Smith when she gives her long distance best friend a flippant invitation to her laid back girl's night out. She never expected to turn on the dance floor and find Blake Kennedy's gaze holding her body captive. She's his everything and he's never laid eyes on her. Gabi means more to Blake than life itself. She's his strength, his savior, and the only person who helped to vanquish his demons. No one means more to him than his angel. So when things between them start to sizzle, he's ready to fight for the future he never thought he would deserve. Skeletons from his past will threaten his only chance at love... Blake has come a long way—with Gabi's help—to leave the hell of his youth behind him, but sometimes memories don't want to stay buried. Determined to stand on his own for once, Blake is willing to stretch the truth to keep his troubles from burdening the woman he adores. Little white lies can create black holes in any relationship. Only time will tell if an Aussie with a heart of gold will forgive her bad-boy boyfriend or if the deceit will end his passionate addiction. In Vegas, a lot can happen in twenty-four hours. What do you get when you mix a rock band as hot as Reckless Beat, women strong enough to capture several of the bad boys' hearts, and a bet that sparks a competitive streak? Boundaries will be pushed, alcohol will be abused, and loads of sarcasm will be shared. Once the games are over, it's time to make a commitment. But love in the limelight is never easy. The past is trying to catch up with the present, and the pressure may be too hard to handle. Seduction, torment, laughter, and heartbreak—one reckless weekend will test each member of the band and the women who've claimed their love. "Endlessly illuminating and a sheer pleasure to read." —Jack Miles, author of *God: A Biography* Daring to take the great biblical account of human origins seriously, but without credulity The most influential story in Western cultural history, the biblical account of Adam and Eve is now treated either as the sacred possession of the faithful or as the butt of secular jokes. Here, acclaimed scholar Stephen Greenblatt explores it with profound appreciation for its cultural and psychological power as literature. From the birth of the Hebrew Bible to the awe-inspiring contributions of Augustine, Dürer, and Milton in bringing Adam and Eve to vivid life, Greenblatt unpacks the story's many interpretations and consequences over time. Rich allegory, vicious misogyny, deep moral insight, narrow literalism, and some of the greatest triumphs of art and literature: all can be counted as children of our "first" parents. Barely out of college, Isaac trades the quiet of his family ranch for the excitement of the big city with his dream job at an up-and-coming advertising agency. Until his perfect new world is shattered by bad choices, a pretty girl, a moment's temptation—and a late night walk that quickly spirals out of control. Reeling with the horror of a mistake that can't be undone, Isaac struggles to get his soul in order. Can he forgive himself? Can he make things right with God? What about Rebecca? With both their lives desperately upended, and life-changing consequences no matter what they choose, Isaac must finally overcome the pain from his past and find the strength from God to do the right thing . . . and somehow convince Rebecca to do the same. "You formed my inmost being; You knit me in my mother's womb. I praise You, so wonderfully You made me; wonderful are Your works! my very self You knew; my bones were not hidden from You, when I was being made in secret, fashioned as in the depths of the earth." (PSALMS 139:13-15) "It is a poverty to decide that a child must die so that you may live as you wish." (Mother Teresa) Before the Evolution there was TorBane: technology that infused human DNA with cybernetic matter. It had the ability to grow new organs and limbs, to heal the world. Until it evolved out of control and spread like the common cold. The machine took over, the soul vanished, and the Bane were born. The Bane won't stop until every last person has been infected. With less than two percent of the human population left, mankind is on the brink of extinction. Eve knows the stories of the Evolution, the time before she wandered into the colony of Eden, unable to recall anything but her name. But she doesn't need memories to know this world is her reality. This is a world that is quickly losing its humanity, one Bane at a time. Fighting to keep one of the last remaining human colonies alive, Eve finds herself torn between her dedication to the colony, and the discovery of love. There is Avian and West – one a soldier, one a keeper of secrets. And in the end, Eve will make a choice that will change the future of mankind. From International bestselling author, Eden Summers, comes a seductive forbidden romance destined to leave you breathless. I fell for the enemy. A man whose actions resemble the devil so closely it frightens me. We were meant to hate each other. To despise and detest. But his appeal is so much greater than the playboy smile and body built for sin. What I'm doing is wrong. What I'm feeling is immoral. Because he's the head of the Portland mafia. And I'm the Fed who promised to take him down. Over 130,000 words of enemies to lovers romance. In this award-winning crime series debut, a Sydney detective must catch a brilliant serial killer while keeping an eye on his mysterious new partner. Sydney homicide detective Frank Bennett has a new partner—dark, beautiful, coldly efficient Eden Archer. Frank doesn't know what to make of her, or her brother Eric, who's also on the police force. Their methods are . . . unusual. But when a graveyard full of large steel toolboxes filled with body parts is found at the bottom of Sydney harbor, unusual is the least of their worries. For Eden and Eric, the case holds chilling links to a scarred childhood—and the murderer who raised them. For Frank, each clue brings him closer to something he's not sure he wants to face. But true evil goes beyond the bloody handiwork of a serial killer—and no one is truly innocent . . . "Compelling . . . A chilling read." —Sydney Morning Herald Winner of the Ned Kelly Award for Best Debut Crime Novel Hi, I'm Celestine Woods. Most people call me Chellie. If you are one of my 850K followers, you might know me as the super successful influencer, but more than likely you probably know me as the woman who had an alcohol-fueled meltdown at the biggest New Year's Eve party in the world after getting dumped by her former rock star boyfriend, who then publicly professed his love for his new girlfriend in a song, before getting engaged a week later. So, I went to Black Bear Mountain, a cabin resort in the Catskill Mountains, to relax, recharge, rehab my image and toss in a couple sponsored posts. The only hitch in my plan for R&R is the sexy, but grumpy, lumberjack who runs the place. His people skills leave a lot to be desired and it's no wonder I'm the only guest. His resort and my image could both use a little TLC, so we formed a truce and teamed up to help each other. My social media know-how, my smartphone, a gorgeous grumpy mountain man and a strangely friendly bear that keeps coming to my window every night is the perfect recipe for project #ChellieInTheWoods?*includes the paperback exclusive bonus epilogue, *Grin & Bear it* *For Content Warnings for all my books, please visit: lucyeden.com/cw A modern day Beauty and the Beast tale about a white skinned pearl in a world of dark skinned coals. "What would you do to survive if your very existence were illegal? Rowan is a second child in a world where population control measures make her an outlaw, marked for death ..."-- THE TIKTOK SENSATION THAT EVERYONE IS TALKING ABOUT 'After finishing this book, my heart was pounding and I couldn't find words big enough to describe how brilliant, beautiful, and powerful it is.' L.E. Flynn, author of *All Eyes On Her* All Eden wants is to rewind the clock. To live that day again. She would do everything differently. Not laugh at his jokes or ignore the way he was looking at her that night. And she would definitely lock her bedroom door. But Eden can't turn back time. So she buries the truth, along with the girl she used to be. She pretends she doesn't need friends, doesn't need love, doesn't need justice. But as her world unravels, one thing

becomes clear: the only person who can save Eden ... is Eden. He wants the world and the admiration of everyone in it. Sean Taiden, the inconspicuous drummer of Reckless Beat, is sick of living in the shadows of his bandmates' success. He'll do anything to gain the recognition he deserves. Even if it means dancing in a music video to the Reckless track that drives a knife into his broken heart whenever he hears it. The saving grace is the tempting choreographer who may be the one person able to distract him from the agony his life has become. All she wants is the peace that comes with solitude. Melody Jenkins knows all about fame. She knows enough to determine she doesn't want a part of it anymore. After quitting her professional dance career, she set up a quiet studio and focused on starting a new beginning away from prying eyes. Until a sexy drummer strides into her life, making her crave something she can't have while also pushing her to expose secrets she can't bear to reveal. Conflicting aspirations and one inextinguishable passion. She needs to hide from the world she once owned. He wants to rise to the top, proving to himself and his friends that he's always been the heartbeat of the band. Caught between what they need and what they want, Melody and Sean have to decide which is more important—their individual plans for the future or their feelings for one another. "Hollywood Eden brings the lost humanity of the record business vividly back to life ... [Selvin's] style is blunt, unpretentious and brisk; he knows how to move things along entertainingly ... Songs about surfboards and convertibles had turned quaint, but in this book, their coolness is restored." — New York Times

From surf music to hot-rod records to the sunny pop of the Beach Boys, Jan & Dean, the Byrds, and the Mama's & the Papa's, Hollywood Eden captures the fresh blossom of a young generation who came together in the epic spring of the 1960s to invent the myth of the California Paradise. Central to the story is a group of sun-kissed teens from the University High School class of 1959 — a class that included Jan & Dean, Nancy Sinatra, and future members of the Beach Boys — who came of age in Los Angeles at the dawn of a new golden era when anything seemed possible. These were the people who invented the idea of modern California for the rest of the world. But their own private struggles belied the paradise portrayed in their music. What began as a light-hearted frolic under sunny skies ended up crashing down to earth just a few short but action-packed years later as, one by one, each met their destinies head-on. A rock 'n' roll opera loaded with violence, deceit, intrigue, low comedy, and high drama, Hollywood Eden tells the story of a group of young artists and musicians who bumped heads, crashed cars, and ultimately flew too close to the sun. Fifteen-year-old Will Besting is sent by his doctor to Fort Eden, an institution meant to help patients suffering from crippling phobias. Once there, Will and six other teenagers take turns in mysterious fear chambers and confront their worst nightmares—with the help of the group facilitator, Rainsford, an enigmatic guide. When the patients emerge from the chamber, they feel emboldened by the previous night's experiences. But each person soon discovers strange, unexplained aches and pains. . . . What is really happening to the seven teens trapped in this dark Eden? Patrick Carman's *Dark Eden* is a provocative exploration of fear, betrayal, memory, and—ultimately—immortality. He's silent - but his touch speaks louder than words. At first sight, Savannah is drawn to the harsh appeal of a man who refuses to talk to her. Keenan's hard stare is arrogant and unapologetic. The quirk of his sensuous lips is cocky and in control. But there's more. There's something deeper he's trying to hide behind those steely grey eyes - a slight hint of vulnerability which captures her intrigue. She'd been warned, told that his silence hides a myriad of lies capable of affecting her career and relationships with loved ones. Only she can't help herself. Testing Keenan's defenses is an addiction she can't deny. Falling in lust is easy. Learning his secrets comes with a price. The cost? Her broken heart. Eden's greatest wish has finally come true. No longer confined to her lamp, she begins a spectacular life in Manhattan with her new guardian, Pepper, a bubbly genie alum who's also a Broadway actress. Eden only gets a taste of the city's wonders before she's whisked away for a wish granting--she is still a genie with a job, after all. David Brightly isn't like other wishers Eden has met. The owner of the world's leading tech company seems more interested in tapping into the lamp's power than making his first wish. Trapped in Brightly's laboratory and unable to get to the lamp, Eden has no choice but to escape and go on the run. She finds herself on the streets of Paris, nowhere near out of danger. Brightly has half the city searching for Eden, claiming she is his kidnapped daughter. She manages to don a disguise and get word of her predicament out to the loyal genies on earth. But Paris is also headquarters of Electra, a group of former genies bent on revenge against Eden, and it seems the scheming Sylvana has teamed up with Brightly to seize the lamp's power once and for all. Eden

embarks on a dangerous mission to retrieve the lamp and protect the centuries-old genie legacy. But Brightly has more tricks up his sleeve than any mortal Eden has met. Soon, every genie will have to pick a side in an epic showdown against the greatest threat the lamp has ever faced. Sanchez Travers seemed more scoundrel than scientist, but Dr. Annie Parrish needs the help of the Harvard-educated ethnobiologist to head up the Amazon in search of an extraordinary discovery. The lives of a middle-aged doctor and a love-struck young woman intersect across time in *Sleeping in Eden*, Nicole Baart's haunting novel about love, jealousy, and the boundaries between loyalty and truth. On a chilly morning in the Northwest Iowa town of Blackhawk, Dr. Lucas Hudson is filling in for the vacationing coroner on a seemingly open-and-shut suicide case. His own life is crumbling around him, but when he unearths the body of a woman buried in the barn floor beneath the hanging corpse, he realizes this terrible discovery could change everything. Lucas is almost certain the remains belong to Angela Sparks, the missing daughter of the man whose lifeless body dangles from a rope above. When Angela went missing years earlier, he and his wife never really believed she was just another teenage runaway. Fueled by passion, Lucas resolves to uncover the details of Angela's suspected death, to bring some closure to their small community and to his wife. But his obsession may not be able to fix what is broken and Lucas may be chasing shadows... Years before Lucas ever set foot in Blackhawk, Meg Painter met Dylan Reid. It was the summer before high school and the two quickly became inseparable. Although Meg's older neighbor, Jess, was the safe choice, she couldn't let go of Dylan no matter how hard she tried. Caught in a web of jealousy and deceit that spiraled out of control, Meg's choices in the past ultimately collide with Lucas's discovery in the present, weaving together a taut story of unspoken secrets and the raw, complex passions of innocence lost. "A poignant, necessary entry into the children's literary canon, *Root Magic* brings to life the history and culture of Gullah people while highlighting the timeless plight of Black Americans. Humanity's last hope to save the planet lies with *The Virgin Zones*, thirteen vast areas of land off-limits to people and given back to nature. Dylan leads a clandestine team of adventure racers, including his daughter Jenn, into Eden, the oldest of the Zones. Jenn carries a

secret--Kat, Dylan's wife who abandoned them both years ago, has entered Eden ahead of them. Jenn is determined to find her mother, but neither she nor the rest of their tight-knit team are prepared for what confronts them. Nature has returned to Eden in an elemental, primeval way. And here, nature is no longer humanity's friend. A masterpiece of Biblical scope, and the magnum opus of one of America's most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called *East of Eden* "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck's later years, *East of Eden* is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah's Book Club back, *East of Eden* has remained vitally present in American culture for over half a century. Eden has one question... ..Who is her soul mate? They say it's fate. That she's meant to be with Victor... but Victor is her nemesis, and Eden refuses to believe it. Especially when a mysterious new boy arrives with pale blue eyes... Eyes he can't take off her... Eyes filled with secrets... The problem is, fate is a hard enemy to beat, harder still when there's a prophecy dictating the rest of her life. Can Eden unearth the truth and find her real soul mate? Or will she be bound to her nemesis forever? You'll come for the forbidden romance, but stay because everyone's destiny is true love... ..isn't it? Get it now. If you like stories with soul mates, forbidden lovers, fate, and betrayal, you'll love the first in Sacha Black's swoon-filled Eden East novels. Luca dragged me from hell and delivered me to salvation. At least that's what I thought. I hoped this would be a new life. A fresh start. But the pain followed. I'm certain the monsters did, too. I'm told it's paranoia. Trauma. PTSD. Nobody believes my truth. But they'll soon learn. We all will. Because as much as I want to forget the mantra from my nightmares, it hasn't stopped being true. The good guys never conquer. Evil always wins.
