The Child Psychotherapy Progress Notes Planner Sep 01 2021 Create effective treatment plans for children quickly and efficiently The newly revised sixth edition of the Child Psychotherapy Treatment Planner is a timesaving, easy-to-use reference for practitioners seeking to clarify, simplify, and accelerate the treatment planning process so you can spend less time on paperwork and more time with your clients. Each chapter begins with a new evidence-based Short-Term Objective and two new Therapeutic Interventions, emphasizing evidence-based and empirically supported interventions likely to be effective and meaningful in therapy. The latest edition also contains new and revised evidence-based Objectives and Interventions, more professional resources and best-practice citations for the non-EBT chapter content, and more suggested homework assignments. The book also offers: Two entirely new chapters: Bullying Victim and Disruptive Mood Dysregulation Disorder An updated self-help book list in the Bibliotherapy Appendix A Integrated DSM-5/ICD-10 diagnostic labels and codes in the Diagnostic Suggestions section of each chapter Updated

and expanded references to research supporting the evidence-based content contained within An essential resource promoting the efficient use of practitioner time, the Child Psychotherapy Treatment Planner belongs in the libraries of clinicians responsible for the development of treatment plans for children.

***Brief Adolescent Therapy Homework Planner* Nov 03 2021** Help your adolescent clients develop the skills they need to work through problems. As a mental health professional involved in treating adolescents, you work to help your clients learn to understand and clearly communicate their feelings, identify how and when problems arise, and develop effective coping strategies. Pencil-and-paper exercises provide one highly effective tool for achieving those goals. ***Addiction Treatment Homework Planner* May 02 2024 A hands-on homework toolkit for mental health practitioners treating clients with substance use disorders In the newly revised sixth edition of the *Addiction Treatment Homework Planner*, a team of distinguished clinicians delivers a practical and effective resource for clients who wish to keep their therapy and recovery efforts front-of-mind and incorporate them into their daily lives. The activities and homework contained within will assist clients—and the clinicians treating them—to collect real-time data, enabling practitioners to address relevant issues quickly and collaboratively. This *Homework Planner* is designed as a companion manual to the sixth editions of the *Addiction Treatment Planner* and *Addiction Progress Notes Planner*. It focuses on client-**

centered, assessment-driven, evidence-based treatment in the field of substance use disorder psychotherapy. Each included exercise is designed to: Emphasize the importance of client motivation and increase the knowledge, awareness, and insight of people moving through the addiction recovery process Incorporate a skills component for further instruction in therapy or at home Be completed or processed within individual sessions or - where appropriate - within group therapy sessions and at various levels of care An indispensable, hands-on resource for counselors, therapists, psychiatrists, psychologists, and other mental health professionals engaged in the treatment of patients with substance use disorders, the Addiction Treatment Homework Planner is a time-saving tool with the potential to improve patient outcomes and increase client engagement.

Chemical Dependence Treatment Homework Planner Sep 13 2022 Help substance abusers work through their problems between sessions. In today's climate of managed care and leaner benefits packages, chemical dependence treatment providers must find ways to achieve measurable success in less time and with less client contact. The time between therapy sessions is an important component of the recovery process—and homework assignments are effective tools for helping clients participate actively in recovery. The Chemical Dependence Treatment Homework Planner arms you with an array of client homework assignments for every phase of treatment, from diagnosis through relapse prevention. This handy sourcebook features: Over 50 copier-ready exercises including cognitive-behavioral, brief therapy,

psychodynamic, and 12-Step-based tasks that cover the most common issues in chemical dependence treatment. Exercises grouped by behavioral issues and treatment phases (e.g., addressing denial, identifying strengths, and measuring progress). A quick and easy cross-reference table—simply look up the issue you're working on and you'll find a list of related exercises. Expert guidance on how and when to make the most efficient use of the exercises. Assignments that are cross-referenced to The Chemical Dependence Treatment Planner so you can quickly identify the right exercise for a given situation or behavioral problem. A computer disk that contains all the exercises in a word-processing format—allowing you to customize them to suit you and your clients' unique styles and needs. The Chemical Dependence Treatment Homework Planner is an indispensable, time-saving tool of the trade for all chemical dependence counselors and therapists working in individual or group therapy settings.

Group Therapy Homework Planner Jul 24 2023 Help clients in group therapy develop the skills they need to work through problems Group Therapy Homework Planner provides you with an array of ready-to-use, between-session assignments designed to help clients in group therapy. This easy-to-use sourcebook features: 79 ready-to-copy exercises covering the most common issues encountered in group therapy A quick-reference format—the interactive assignments are grouped by behavioral problem, such as anxiety, bulimia, chemical dependence, and depression Expert guidance on how and when to make the most efficient use of the exercises Assignments that are cross-referenced to The Group Therapy Treatment Planner—so you can quickly identify the right exercise for a given situation or behavioral problem A computer disk that contains all the exercises in a word-processing format—allowing you to customize them to suit you and your clients' unique styles and needs

Parenting Skills Homework Planner (w/ Download) Sep 25 2023 Ready-to-use therapeutic exercises for overcoming parenting deficits The Parenting Skills Homework Planner provides complete, customizable, copy-ready exercises for use with parents in therapy. Designed as a companion for the Parenting Skills Treatment Planner, this invaluable resource can also be used alone to facilitate counseling and help clients take a more proactive role. Organized by topic, each section provides specific goals for each exercise and suggests additional exercises that may help clients organize their thoughts and behaviors surrounding complex family dynamics. From behavioral problems and negative relationships to career

development, blended families, grandparenting, and much more, this book provides practical tools for therapists helping clients navigate the landmines of parenthood. In an era of brief therapy, tangible homework assignments help clients continue their therapeutic work outside of the session, offering a quicker, more effective route to solving parenting skills deficits. This book provides insightful prompts and helpful exercises designed to uncover the root of the problem, focus on a solution, and help clients think deeply and critically about past and ongoing behaviors and habits. Use tested homework assignments independently, or in alignment with the Parenting Skills Treatment Planner. Customize each exercise to suit each client's situation using downloadable files. Help clients get more out of therapy by using time between sessions productively. Tackle issues relating to abuse, depression, school difficulties, divorce, poverty, and more. Today's complex family structures, combined with increased childhood pressures from school, peers, and the general culture, make parenting a more difficult job than ever before. Homework assignments extend therapy into family time, and facilitate constructive thought and discussion outside of the session. With 60 customizable exercises tailored to specific parenting problems, the Parenting Skills Homework Planner is an essential resource for the family therapist.

Child Psychotherapy Homework Planner Apr 08 2022
Beneficial take-home assignments for young psychotherapy clients and their parents. The Child Psychotherapy Homework Planner, Sixth Edition provides ready-to-use, between-session assignments designed to

fit most therapeutic modes. Organized by presenting problem, this homework planner covers 36 issues, including anxiety, depression, adoption, academic underachievement, ADHD, low self-esteem, and PTSD.
