Somewhere in the Bible Harris F. Allen,2011-04-27 For all who have found the Bible difficult to read and science hard to understand this author did too Wouldnt it be wonderful if someone would take the time to study things such as difficult verses Also would it be helpful if somebody wrote it in a book Have we really found real truth to Noahs flood Does anyone know the physics that could cause such a global occurrence Someone has now researched for most of a lifetime plus three extra years of intensive study The answers are not always easy the solutions not always simple Modern Science finds more evidence almost daily that there once was a flood of such proportions Author Harris F Allen has spent countless hours attempting to answer his own questions He has a few tools including much science and Bible in his college studies Always an active overachiever Allen has become deaf and partially disabled That left far more time and greater opportunity than he could ever imagine Having a history of regular church attendance from his early youth the author received a reasonable background but always had some unanswered questions So in pharmacy school in a Baptist college he excelled in New and Old Testament studies Chemistry and science of various sorts were the main topics of study and by adding Bible that is an ideal mix for this discussion Allen will present his findings from both a scientific view and a Biblical understanding He will explain what he found about difficult verses and some parts of the Bible that seem at times to be in conflict He will also discuss the physics biochemistry and other dynamics that could be involved in such a worldwide flood Regardless of science or Biblical belief the flood did occur at about the time the Bible said it did

**Humble Orthodoxy** Joshua Harris, J. D. Greear, 2013-04-02 We don't get to choose between humility and orthodoxy. We need both. Orthodoxy for the faithful evokes what's cherished and beautiful and eternal. Yet in our day, orthodoxy is too often wielded like a weapon used to bludgeon others with differing points of view. The word has become associated with behavior like argumentative, annoying, and arrogant. It's time for God's people to demonstrate both right thinking and right attitudes. We are called to embrace and defend biblical truth. But that truth includes repeated commands to love our neighbor, love our enemy, and be clothed in gentleness and respect. In *Humble Orthodoxy*, bestselling author Joshua Harris examines New Testament teachings about the calling of believers to a love-infused courage that ignores foolish controversies, patiently endures evil, and champions truth with generosity of spirit. Without this kind of humility, Harris asserts, we become like the Pharisees: right in our doctrine but ultimately destroying the cause of truth with our pride.
