Godless How An Evangelical Preacher Became One Of Americas Leading Atheists Dan Barker

Godless Dan Barker, 2008-09-01 One man shares the story of his transformation from evangelical Christian to atheist and examines the train of thought that brought him there After almost twenty years of evangelical preaching missionizing and Christian songwriting Dan Barker threw out the bathwater and discovered that there is no baby In Godless Barker describes the intellectual and psychological path he followed in moving from fundamentalism to freethought Godless includes sections on biblical morality the historicity of Jesus biblical contradictions the unbelievable resurrection and much more It is an arsenal for skeptics and a direct challenge to believers Along the way Barker relates the positive benefit readers will experience from learning to trust in reason and human kindness instead of living in fear of false judgment and moral condemnation Advance Praise for Godless Valuable in the human story are the reflections of intelligent and ethical people who listen to the voice of reason and who allow it to vanquish bigotry and superstition This book is a classic example Christopher Hitchens author of God is Not Great The most eloquent witness of internal delusion that I know a triumphantly smiling refugee from the zany surreal world of American fundamentalist Protestantism is Dan Barker Richard Dawkins author of The God Delusion Godless was a revelation to me I don t think anyone can match the devastating clarity intensity and honesty which Dan Barker brings to the journey faith to reason childhood to growing up fantasy to reality intoxication to sobriety Oliver Sacks author of Musicophilia In Godless Barker recounts his journey from evangelical preacher to atheist activist and along the way explains precisely why it is not only okay to be an atheist it is something in which to be proud Michael Shermer publisher of Skeptic Magazine Godless is a fascinating memoir and a handbook for debunking theism But most of all it is a moving testimonial to one man s emotional and intellectual rigor in acclaiming critical thinking Robert Sapolsky author of Why Zebras Don t Get Ulcers

Godless Dan Barker, 2008-09 Uncover the truth about atheism in the book Oliver Sacks calls a revelation I don t think anyone can match the devastating clarity intensity and honesty which Dan Barker brings to the journey faith to reason childhood to growing up fantasy to reality intoxication to sobriety ADVANCE PRAISE FOR GODLESS Valuable in the human story are the reflections of intelligent and ethical people who listen to the voice of reason and who allow it to vanquish bigotry and superstition This book is a classic example CHRISTOPHER HITCHENS author of God is Not Great The most eloquent witness of internal delusion that I know a triumphantly smiling refugee from the zany surreal world of American fundamentalist Protestantism is Dan Barker RICHARD DAWKINS author of The God Delusion Godless was a revelation to me I don t think anyone can match the devastating clarity intensity and honesty which Dan Barker brings to the journey faith to reason childhood to growing up fantasy to reality intoxication to

Kyle Keltz,Tricia Scribner,2020-05-29 Dan Barker ex preacher and co founder of the Freedom From Religion Foundation travels widely arguing in debates and speaking on his beliefs that Christianity is false God does not exist and the Bible is filled with errors and mythology He has been touted as one of America s leading atheists Yet close examination of his arguments shows that Barker s reasons for disbelief are poorly reasoned and miss the mark as they are aimed at a mistaken caricature of Christian theism Answering the Music Man exposes Barker s misunderstandings of Christianity and provides compelling answers to Barker s arguments Losing Faith in Faith Dan Barker,2006 Losing Faith in Faith records Dan Barker s dramatic journey from devout soul winner to one of America s most prominent freethinkers Following his calling at age 15 Dan Barker worked as a missionary ordained minister associate pastor touring evangelist Christian songwriter performer and record producer After preaching for 19 years Barker lost faith in faith Throwing out the bath water he discovered There is no baby there Today Barker co president of the Freedom From Religion Foundation Inc www ffrf org frequently represents freethought on the talkshow circuit and at personal appearances concerts and debates around the country turning his experience as a former minister into ammunition against superstition and irrationality In Losing Faith in Faith Barker explains why he left the ministry He also offers a definitive compelling analysis of why he rejects belief in a god and the claims of religion He explores the fallacies inconsistencies and harm of Christian doctrine and theistic dogma In its place he issues an appealing and compassionate invocation of freethought reason and humanism Losing Faith in Faith is both a challenge to believers and an arsenal for skeptics *Why I Became an Atheist* John W. Loftus,2012-10-10 For about two decades John W Loftus was a devout evangelical Christian an ordained minister of the Church of Christ and an ardent apologist for Christianity With three degrees in philosophy theology and philosophy of religion he was adept at using rational argumentation to defend the faith But over the years doubts about the credibility of key Christian tenets began to creep into his thinking By the late 1990s he

experienced a full blown crisis of faith In this honest appraisal of his journey from believer to atheist the author carefully explains the experiences and the reasoning process that led him to reject religious belief The original edition of this book was published in 2006 and reissued in 2008 Since that time Loftus has received a good deal of critical feedback from Christians and skeptics alike In this revised and expanded edition the author addresses criticisms of the original adds new argumentation and references and refines his presentation For every issue he succinctly summarizes the various points of view and provides references for further reading In conclusion he describes the implications of life without belief in God some liberating some sobering This frank critique of Christian belief from a former insider will interest freethinkers as well as anyone with doubts about the claims of religion

Life Driven Purpose Dan Barker,2015-04-01 Every thinking person wants to lead a life of meaning and purpose For thousands of years holy books have told us that such a life is available only through obedience and submission to some higher power Today the faithful keep popular devotionals and tracts within easy reach on bedside tables and mobile devices all communicating this common message Life is meaningless without God In this volume former pastor Dan Barker eloquently powerfully and rationally upends this long held belief Offering words of enrichment emancipation and inspiration he reminds us how millions of atheists lead happy loving moral and purpose filled lives Practicing what he preaches he also demonstrates through his own personal journey that life is valuable for its own sake that meaning and purpose come not from above but from within

The Good Atheist Dan Barker,2011-01-25 How does an atheist respond to the question What is the purpose of life Barker helps you understand and appreciate why freely choosing to help and cooperate with others is the true path to finding purpose

Richard Dawkins David s work will be very useful for anyone combating harmful religious beliefs Honest frank and right to the point Albert Ellis Ph D father of modern psychotherapy author of A Guide to Rational Living

God Dan Barker,2018-03-06 What words come to mind when we think of God Merciful Just Compassionate Delving deep into the Bible former evangelical preacher Dan Barker uncovers God s negative qualities jealous petty unforgiving bloodthirsty vindictive

and worse Witty and well researched this unique atheist book explains exactly why the Scripture shouldn't govern our everyday lives It makes a powerful argument for the separation of church and state **Atheism** George H.

Smith,2010-11-02 Does a god exist This question has undoubtedly been asked in one form or another since man has had the ability to communicate Thousands of volumes have been written on the subject of a god and the vast majority have answered the questions with a resounding Yes You are about to read a minority viewpoint With this intriguing introduction George H Smith sets out to demolish what he considers the most widespread and destructive of all the myths devised by man the concept of a supreme being With painstaking scholarship and rigorous arguments Mr Smith examines dissects and refutes the myriad proofs offered by theists the defenses of sophisticated professional theologians as well as the average religious layman He explores the historical and psychological havoc wrought by religion in general and concludes that religious belief cannot have any place in the life of modern rational man It is not my purpose to convert people to atheism but to demonstrate that the belief in God is irrational to the point of absurdity If a person wishes to continue believing in a god that is his prerogative but he can no longer excuse his belief in the name of reason and moral necessity **Hope after Faith** Jerry

DeWitt,2013-06-25 Atheism's leading lights have long been intellectuals raised in the secular and academic worlds Richard Dawkins Sam Harris and the late Christopher Hitchens By contrast Jerry DeWitt was born and bred into the church and was in fact a Pentecostal preacher before arriving at atheism through an extraordinary dialogue with faith that spanned more than a quarter of a century Hope After Faith is his account of that journey DeWitt was a pastor in the town of DeRidder Louisiana and was a fixture of the community In private however he'd begun to question his faith Late one night in May 2011 a member of his flock called seeking prayer for her brother who had been in a serious accident As DeWitt searched for the right words to console her speech failed him and he found that the faith which once had formed the cornerstone of his life had finally crumbled to dust When it became public knowledge that DeWitt was now an atheist he found himself shunned by much of DeRidder's highly religious community losing nearly everything he'd known DeWitt's struggle for identity and meaning mirrors the one currently facing millions of people around the world With both agnosticism and atheism entering the mainstream one in five Americans now claim no religious affiliation according to a recent study the moment has arrived for a new atheist voice one that is respectful of faith and religious traditions yet warmly embraces a life free of religion finding not skepticism and cold doubt but rather profound meaning and hope Hope After Faith is the story of one man's evolution toward a committed and considered atheism one driven by humanism a profound moral dimension and a happiness and self confidence obtained through living free of fear **Losing My Religion** William Lobdell,2009-03-06 William Lobdell's journey of faith and doubt may be the most compelling spiritual memoir of our time Lobdell became a born again Christian in his late 20s when personal problems including a failed marriage drove him to his knees in prayer As a newly minted evangelical Lobdell a veteran journalist noticed that religion wasn't covered well in the mainstream media and he prayed for

the Lord to put him on the religion beat at a major newspaper In 1998 his prayers were answered when the Los Angeles Times asked him to write about faith Yet what happened over the next eight years was a roller coaster of inspiration confusion doubt and soul searching as his reporting and experiences slowly chipped away at his faith While reporting on hundreds of stories he witnessed a disturbing gap between the tenets of various religions and the behaviors of the faithful and their leaders He investigated religious institutions that acted less ethically than corrupt Wall St firms He found few differences between the morals of Christians and atheists As this evidence piled up he started to fear that God didn't exist He explored every doubt every question until finally his faith collapsed After the paper agreed to reassign him he wrote a personal essay in the summer of 2007 that became an international sensation for its honest exploration of doubt *Losing My Religion* is a book about life's deepest questions that speaks to everyone Lobdell understands the longings and satisfactions of the faithful as well as the unrelenting power of doubt How he faced that power and wrestled with it is must reading for people of faith and nonbelievers alike

Free Will Explained Dan Barker, 2018 Do we have free will And if we don't why do we think we do Scientists and philosophers have been battling with this issue for years In this book a former Christian minister who is now an internationally recognized authority on atheism addresses these questions Page 2 of cover

Mere Morality Dan Barker, 2018-12-04 What drives us to be good How do we even know how to be good Philosophers and theologians have dealt with such questions for millennia but Dan Barker thinks the answers are not so complicated In *Mere Morality* he argues there's no need to appeal to supernatural commandments or the fear of some higher power when considering morality Stripping good and evil down to the basics he offers a simple compass for navigating life's most difficult moral and ethical dilemmas

Godless Pete Hautman, 2008-06-23 Why mess around with Catholicism when you can have your own customized religion Fed up with his parents boring old religion agnostic going on atheist Jason Bock invents a new god the town's water tower He recruits an unlikely group of worshippers his snail farming best friend Shin cute as a button whatever that means Magda Price and the violent and unpredictable Henry Stagg As their religion grows it takes on a life of its own While Jason struggles to keep the faith pure Shin obsesses over writing their bible and the explosive Henry schemes to make the new faith even more exciting and dangerous When the Chutengodians hold their first ceremony high atop the dome of the water tower things quickly go from merely dangerous to terrifying and deadly Jason soon realizes that inventing a religion is a lot easier than controlling it but control it he must before his creation destroys both his friends and himself

Farewell to God Charles Templeton, 2011-01-14 For more than twenty years Charles Templeton was a major figure in the church in Canada and the United States During the 1950s he and Billy Graham were the two most successful exponents of mass evangelism in North America Templeton spoke nightly to stadium crowds of up to thirty thousand people However increasing doubts about the validity of the Old Testament and the teachings of the Christian church finally brought about a crisis in his faith and in 1957 he resigned from the ministry In *Farewell to God* Templeton speaks out about his reasons for

the abandonment of his faith In straightforward language Templeton deals with such subjects as the Creation fable racial prejudice in the Bible the identity of Jesus of Nazareth Jesus alienation from his family the second class status of women in the church the mystery of evil the illusion that prayer works why there is suffering and death and the loss of faith in God He concludes with a positive personal statement I Believe

Oranges Are Not the Only Fruit Jeanette Winterson,2007-12-01 The New York Times bestselling author s Whitbread Prize winning debut Winterson has mastered both comedy and tragedy in this rich little novel The Washington Post Book World When it first appeared Jeanette Winterson s extraordinary debut novel received unanimous international praise including the prestigious Whitbread Prize for best first fiction Winterson went on to fulfill that promise producing some of the most dazzling fiction and nonfiction of the past decade including her celebrated memoir Why Be Happy When You Can Be Normal Now required reading in contemporary literature Oranges Are Not the Only Fruit is a funny poignant exploration of a young girl s adolescence Jeanette is a bright and rebellious orphan who is adopted into an evangelical household in the dour industrial North of England and finds herself embroidering grim religious mottoes and shaking her little tambourine for Jesus But as this budding missionary comes of age and comes to terms with her unorthodox sexuality the peculiar balance of her God fearing household dissolves Jeanette s insistence on listening to truths of her own heart and mind and on reporting them with wit and passion makes for an unforgettable chronicle of an eccentric moving passage into adulthood If Flannery O Connor and Rita Mae Brown had collaborated on the coming out story of a young British girl in the 1960s maybe they would have approached the quirky and subtle hilarity of Jeanette Winterson s autobiographical first novel Winterson s voice with its idiosyncratic wit and sensitivity is one you ve never heard before Ms Magazine

American Secularism Joseph O. Baker,Buster G. Smith,2015-09-25 A rapidly growing number of Americans are embracing life outside the bounds of organized religion Although America has long been viewed as a fervently Christian nation survey data show that more and more Americans identify as not religious American Secularism documents how changes to American society have fueled these shifts in the non religious landscape and examines the diverse and dynamic world of secular Americans Baker and Smith offer a framework for understanding nonreligious belief systems as worldviews in their own right rather than merely as negations of religion Drawing on multiple sources of empirical data this volume explores how people make meaning outside of organized religion outlines multiple expressions of secular identity and connects these self expressions to patterns of family formation socialization social class ethnicity gender and sexuality Further the authors demonstrate how shifts in secularisms reflect changes in the political meanings of religion in American culture Ultimately American Secularism offers a more comprehensive sociological understanding of worldviews beyond traditional religion from back cover
