

Microsoft IT Academy Certification Roadmap

Microsoft IT Academy programs provide a world-class training and learning experience designed to help you develop the skills you need to succeed in the IT industry. Microsoft IT Academy programs are available in a variety of formats, including on-site, self-paced, and blended learning. For more information, visit microsoft.com/itacademy.

Start by choosing your certification and career path →

Introduction
 The Microsoft IT Academy certification roadmap is designed to help you understand the relationship between the various Microsoft IT Academy programs and the Microsoft certification ecosystem. This roadmap is intended to be used as a guide to help you choose the right program and certification path for your career goals.

How to use this roadmap
 This roadmap is designed to be used as a guide to help you choose the right program and certification path for your career goals. It is not intended to be a strict roadmap, as the Microsoft certification ecosystem is constantly evolving. You should consult the Microsoft certification website for the most up-to-date information on certification requirements and exam details.

How to choose your path
 The first step in choosing your path is to identify your career goals. Do you want to work in a specific area of IT, such as networking or security? Or do you want to work in a more general area, such as IT support or help desk? Once you have identified your career goals, you can then choose the program and certification path that best aligns with those goals.

How to get started
 The first step in getting started is to visit the Microsoft IT Academy website at microsoft.com/itacademy. From there, you can explore the various programs and certification paths available. You can also contact your local Microsoft IT Academy representative for more information.
