The Handbook is accompanied by an Instructor's Manual.

Human Services as Complex Organizations Yeheskel Hasenfeld, 2010 This new edition looks at the many recent changes in the arena of Human Services Organizations.

Organizational Change in the Human Services Rebecca Ann Proehl, 2001-08-15 Organizations today, whether public or private, exist in environments where the pace of change is dizzying. Human service organizations face both external and internal challenges. The public demands better services at more reasonable costs. Clientele is more diverse, more stratified, and more vocal than ever. The organizations themselves must keep up with rapid changes in technological innovation and labor management relationships. Organizational Change: The Human Services Challenge looks at the context of organizational change, describes how individuals and systems change, and pinpoints keys to successful change. Author Rebecca Proehl then presents a proven model of organizational change built on lessons learned from both the public and private sectors, but tailored for human service organizations. Proehl also discusses in depth labor union management issues, the political strategies leaders must use to implement change, and how to build collaborative relationships in human services.

Human Services Management David M.
