From the New York Times bestselling author of the Sisters Grimm and NERDS comes a new action-packed middle-grade series with aliens, robots, and kids saving the world! Finn Foley has a lunchbox, and when he opens it, weird things come out . . . like a seven-foot-tall robot and a strange, blinking device that glues itself to his chest. The lunchbox also opens wormholes--shortcuts through space--that take Finn to the farthest corners of the galaxy. Sounds awesome, right? Not so much. Rocketing through the cosmos attracts the attention of the Plague, a race of gigantic bugs. The thing on Finn's chest belongs to them--it's the most dangerous weapon in the universe--and they want it back. To fight the Plague, Finn will need the lunchbox, as well as an unlikely squad: Lincoln, the bully; Julep, the coolest girl in school; Kate, Finn's unicorn-obsessed little sister; and Highbeam, a robot spy from another galaxy. If they can learn to work together, they just might have a chance, but the bugs are coming, and they'll stop at nothing to get their weapon--even if it means destroying the world. Fairy-tale detectives Sabrina and Daphne Grimm face their first case without Granny Relda's help when the future gets mixed up with the past in Ferryport Landing, and because some of the future does not look bright, Puck helps them try to make some changes. The fate of all fairy tales is at stake in the eighth adventure in the beloved New York Times bestselling Sisters Grimm series Sabrina and Daphne Grimm have studied hundreds of stories as part of their training as fairy-tale detectives, but they never thought they'd actually be in one. And yet that's exactly what happens when they follow the diabolical Master into the Book of Everafter, a mysterious tome in which copies of the world's fairy-tale characters live out their stories over and over again. The Grimms must track down the Master while avoiding the Book's tyrannical Editor—who is devoted to keeping the stories on track—and his army of story-gobbling revisers. In the Book of Everafter, stories can be rewritten and destinies changed, which is why Sabrina and Daphne must find the Master before he can alter his own fate—and the fate of the whole world.
