**Unseen Worlds** Bernhard Udelhoven, 2015 Unseen Worlds offers a totally new Pastoral approach Bernhard Udelhoven presents both a framework how pastoral care can rescue those who are afflicted by spirits witchcraft and demons and he presents numerous case studies and practical examples These cases are often matters of death or life Experience teaches that the possession by demons always is closely connected with and related to problems on an interpersonal level Consequently the core point of Udelhoven s approach is to thoroughly study and heal the frictions in these relationships For me as a professional counsellor Udelhoven s path to healing coincides very often with methods developed in modern schools of psychology The importance of his findings and proposals should not be underestimated This book is a must for every pastoral agent Dr Toni G rtz MISSION By building on cultural and relational experiences of life UNSEEN WORLDS provides a new entry into the deliverance ministry It goes beyond quick fixes and also beyond the timeworn divide of the superstitious versus the real Religious beliefs in spiritual evil affect World Christianity in fundamental ways This is true also in African settings where the unseen world comes with a maze of pastoral problems for Christian communities and their pastors which this book takes up A person centered approach for helping people who are or who feel attacked by spiritual forces Catholic and ecumenical ministry in multi cultural settings Case studies from Zambia demonstrate how a pastor can help with simple but meaningful steps even in very complex cultural situations Readers ready to be challenged by relational experiences of life and African notions of selfhood will find an easy entry into the theme of this book that goes beyond the timeworn divide of the real versus the superstitious The book has been developed in dialogue with theologians historians psychologists anthropologists traditional healers pastoral teams with extensive experience in the ministry of deliverance and most of all with affected families the subject group of the book Its person centred method is applicable beyond Africa to multi cultural settings where different ideas about the occult stay side by side Gap filled by the book The reader will find concrete pastoral steps towards a deliverance ministry that work with African insights into the mysteries of life not against them The authentic case studies show the complexities of the deliverance ministry which are rarely noticed in the available prayer manuals in which demons are but prayed away How will the book be read The book covers seven topical themes The first draws out the successes and failures of mainstream inculturation and charismatic approaches of combating evil spiritual forces in Africa on the example of Christian Zambia The second outlines the principles of the person centred approach with its demands of listening and empathy and introduces the notions of inner worlds and outer worlds through which the healer pastor can clarify different levels of truths and the scope for public action The next three themes deal with helping people who are or see themselves as victims of spirits witchcraft and Satanism Another theme concerns helping people who stand accused as witches looking at possible interventions from the time that rumours are expressed up to the time that suspicions turn into witch hunting The last part introduces biblical and theological concerns that give a place to people s own experiences with the unseen world

*no more familiar spirit* Dr.Gbenga Idowu,2020-10-05 Familiar spirits are notorious and dangerous spirits that operate from the fall of adam to date They manifest from one generation to another They also operate from the family bloodline They are called familiar spirits because of familiarity with men they eat drink sleep work and monitor your day and night They are satanic spies informants and broadcasters Familiar spirits are superior to witchcraft spirits cunning deadly and stubborn They can simply be described as spirits from generation to generation from bloodline or spirits in a family line Familiar spirits are so terrible that if not taken care of it will continue to torment their victims from one generation to another<sup>1</sup> If you belong to one or more of the following then you need to be delivered from familiar spirit Signs that you are oppressed by familiar spirits Ignorance about your spiritual status with the lord can be a sign that you are attached to a familiar spirit It is very important to know that if you are afflicted with familiar spirits Another sign is when you experience financial failures regularly similar to this is to experience financial blessings and later on find it difficult to make ends meet When you experience a broken relationship often is a sign of familiar spirit at work Failure at the edge of the miracle of job marriage business deliverance healing and success is a sign of familiar spirit operation in your life The frequent attack in your dream and the middle of the night can be linked to this spirit When you need divine intervention against battles of life that want to swallow you through spiritual warfare Regular depression after the loss of your loved one can be as a result of familiar spirit oppression Constant financial failure despite managing your resources well can be attributed to activities of this spirit When you experience continual sickness disease or infirmity that drain your finance regularly check it out familiar spirit is in operation Do you experience any or all of the above signs then you are under the influence of a familiar spirit The question now is how do you checkmate familiar spirit completely out from your life

**PRAYING TO DISMANTLE WITCHCRAFT** Dr. D. K. Olukoya,2015-11-30 Destroying the evil umbrella addresses the problem of collective captivity It highlights the secrets of the dark kingdom and lays bare the fact that most problems in life are occasioned by the presence of an invisible evil umbrella The prayer points in this book will empower you to spiritually set fire on the evil umbrella It will grant you freedom and make the heavens above your head to become laden with showers of blessings Now you can say bye bye to every representation of the evil umbrella

**The Christian and Witchcraft** Charlie Avila,2020-02-18 I am amazed at how often God s people in the Bible had to confront witchcraft Moses and Aaron confronted the wise men sorcerers and magicians of Egypt in Pharaoh s court in Exodus 7 10 Balaam the soothsayer was hired to curse Israel but later seduced them sexually in Numbers 22 25 King Saul foolishly consulted a witch at Endor in 1 Samuel 28 the prophet Daniel dealt with magicians astrologers sorcerers and Chaldeans in Babylon in Daniel 1 5 both King Ahaz and King Manasseh practiced soothsaying used witchcraft and consulted spiritists and mediums The Old Testament OT uses sixteen different Hebrew words for wizards mediums spiritists psychics necromancers sorcerers enchanters witches soothsayers diviners magicians astrologers observer of times and those with familiar spirits The New Testament NT has nine similar words The Bible says a lot about these servants of Satan However make no mistake about it God really hates witchcraft He detests it because He knows how it will destroy our lives The Lord calls witchcraft an abomination rebellion evil and a work of the flesh The prophet Samuel made the famous declaration that rebellion is as the sin of witchcraft It really provokes the Lord to anger Under OT law anyone who was a witch sorceress medium or spiritist was not permitted to live they shall surely be put to death you shall stone them with stones God Himself said I will set My face against that person and cut him off from his people because he has prostituted and defiled himself In the NT sorcerers will be thrown into the lake of fire because they have deceived all the nations and not repented of their sorceries Again God s Word says a lot about this subject In this first section I want to look closely at the four instances in the Book of Acts where the early apostles confronted witchcraft in various forms It may startle Christians to know that the apostle Peter had to rebuke Simon the sorcerer in Acts 8 the apostle Paul brought judgment upon Elymas the sorcerer in Acts 13 Paul and Silas confronted a slave girl with a spirit of divination in Acts 16 and when a revival broke out in Acts 19 the new believers in Ephesus burned scrolls of sorcery and magic Also I will share some personal stories of how I ve had to deal with witchcraft in my pastoral ministry over the years I believe these testimonies will reveal key aspects of witchcraft that Christian believers are facing today The evil is the same but the tools and methods are sometimes different The bondage never changes however
