Small Group and Team Communication Thomas E. Harris, John C. Sherblom, 2018-05-10 Much of contemporary communication occurs between and among small groups whether in person in a work setting or on the Internet via email Facebook or instant messages How we engage in our small group communication in each medium matters To be effective we have to consider our group roles norms cohesion process and phases of development as well as our personal verbal and nonverbal communication and listening styles To succeed as a member of a team we need to consider the limits of our personal experience and perspective recognize the creative strength of diverse perspectives in decision making and problem solving develop our conflict management skills and strengthen our leadership skills To be successful necessitates an understanding of group process participation style ethical group behavior and the influences of the medium Small Group and Team Communication explores all these different interconnections and the communication strategies we use in our work and social groups The authors use the systems perspective as their core approach throughout the text treating small groups as complex open systems reliant upon communication to achieve success Many chapters highlight the importance of considering ethics and diversity in relation to a variety of topics Harris and Sherblom address the growing influence of computer mediated communication to this discipline Real world applied examples show students that what they re learning aren t simply abstract concepts but knowledge that will serve them outside the classroom

Small Group and Team Communication Thomas E. Harris, John Sherblom, 2002 This text employs systems theory as a basic orientation to describe small group communications as open and complex systems presenting several perspectives for understanding group communication within this systems framework Focus is on diversity creativity and teams

Small Group and Team Communication Thomas E. Harris (Ph. D.), John Sherblom, 1999-01 Praised for its writing style research base and range of topics covered Small Group and Team Communication develops issues of diversity ethics technology and the organizational use of groups and teams within a systems theory framework Clearly organized and logically presented this book provides the opportunity for outstanding discussions of critical issues Harris and Sherblom effectively integrate real world examples hypothetical situations social science theories and scholarly research into a unified discussion of small group and team communication Through extensive examples case studies and exercises Small Group and Team Communication engages the reader and guides them from theoretical discussions into application and experience of the concepts presented

Communicating in Groups and Teams: Sharing Leadership Gay Lumsden, Donald Lumsden, Carolyn Wiethoff, 2009-05-15 COMMUNICATING IN GROUPS AND TEAMS SHARING LEADERSHIP 5th Edition examines issues of teamwork and leadership with a strong focus on ethics and diversity The Fifth Edition addresses the recent attention given to teams in business and industry and includes an examination of technology s role in small group communication The text also explores the growing trend among colleges to challenge students understanding of their leadership competence and consider the ethical and social implications of group participation Important Notice Media content referenced within the product description or the product text may not be available in the ebook version
