High seas adventure turns to high stakes sleuthing when a beautiful homicide detective and a handsome sea captain join forces in this exciting new mystery series set on the coast of Maine. Read the series that inspired Three Pines on Prime Video. In *Still Life*, bestselling author Louise Penny introduces Inspector Armand Gamache of the *Surêté du Québec*. Winner of the New Blood Dagger, Arthur Ellis, Barry, Anthony, and Dilys awards. Chief Inspector Armand Gamache of the *Surêté du Québec* and his team of investigators are called in to the scene of a suspicious death in a rural village south of Montreal. Jane Neal, a local fixture in the tiny hamlet of Three Pines, just north of the U.S. border, has been found dead in the woods. The locals are certain it's a tragic hunting accident and nothing more, but Gamache smells something foul in these remote woods, and is soon certain that Jane Neal died at the hands of someone much more sinister than a careless bowhunter. *Still Life* introduces not only an engaging series hero in Inspector Gamache, who commands his forces--and this series--with integrity and quiet courage, but also a winning and talented new writer of traditional mysteries in the person of Louise Penny. Something bad is brewing among a friendly group of book lovers: "A deliciously Agatha Christie-style mystery that sucks you in from the first page." —Sibel Hodge, bestselling author of *Look Behind You* Imagine nine women meeting. Tea and cake are on the coffee table. They've come together to share their love of books. They are friends. They trust each other. It's a happy gathering. What could be more harmless? Then scratch the surface and look closer. One is lonely. One is desperate. And one of them is a killer. When the body of a woman is discovered on a Cambridge common, DCI Barrett and DI Palmer are called in to investigate. But the motive behind the crime isn't clear—and it all leads back to a book club. As the lies, volatile friendships, and tension among the group rise to the surface, DCI Barrett and DI Palmer must work out the motive and track down a

cold-blooded killer. But just when they think they're on the right track, a twist in the plot throws them off course . . . "Will keep readers guessing till the very end!" —J.A. Baker, bestselling author of *The Other Mother* "A deliciously devilish whodunit!" —Robert Bryndza, bestselling author of the Detective Erika Foster series THE MUST-READ MULTIMILLION BESTSELLING MYSTERY SERIES—COMING SOON TO NETFLIX! • This is the story about an investigation turned obsession, full of twists and turns and with an ending you'll never expect. Everyone in Fairview knows the story. Pretty and popular high school senior Andie Bell was murdered by her boyfriend, Sal Singh, who then killed himself. It was all anyone could talk about. And five years later, Pip sees how the tragedy still haunts her town. But she can't shake the feeling that there was more to what happened that day. She knew Sal when she was a child, and he was always so kind to her. How could he possibly have been a killer? Now a senior herself, Pip decides to reexamine the closed case for her final project, at first just to cast doubt on the original investigation. But soon she discovers a trail of dark secrets that might actually prove Sal innocent . . . and the line between past and present begins to blur. Someone in Fairview doesn't want Pip digging around for answers, and now her own life might be in danger. And don't miss the sequel, *Good Girl, Bad Blood!* "The perfect nail-biting mystery." —Natasha Preston, #1 New York Times bestselling author 'Superb - one of the best real-life copy books ever written.' Lee Child In a true crime cross between James Ellroy and David Simon's *The Wire*, *A Good Month for Murder* follows twelve homicides, three police-involved shootings and the furious hunt for an especially brutal killer in Washington D.C. After gaining unparalleled access to the homicide unit in Prince George's County, which borders the nation's capital, bestselling author Del Quentin Wilber begins shadowing the talented, often quirky detectives who get the call when a body falls. After a quiet couple of months, all hell breaks loose: suddenly every detective in the squad is scrambling to solve one shooting and stabbing after another. Meanwhile, the entire unit is obsessed with a stone-cold 'red ball', a high-profile case involving a seventeen-year-old honour student attacked by a gunman who kicked down the door to her house and shot her in her bed. This is the inside story of how a team of detectives carry out their almost impossible job. Murder is the police investigator's ultimate crucible: to solve a killing, a detective must speak for the dead. *A Good Month for Murder* is a compelling true crime account which shows what it takes to succeed when the stakes couldn't possibly be higher. Addie Greyborne loved working with rare books at the Boston Public Library—she even got to play detective, tracking down clues about mysterious old volumes. But she didn't expect her sleuthing skills to come in so handy in a little seaside town . . . Addie left some painful memories behind in the big city, including the unsolved murder of her fiancé and her father's fatal

car accident. After an unexpected inheritance from a great aunt, she's moved to a small New England town founded by her ancestors back in colonial times—and living in spacious Greyborne Manor, on a hilltop overlooking the harbor. Best of all, her aunt also left her countless first editions and other treasures—providing an inventory to start her own store. But there's trouble from day one, and not just from the grumpy woman who runs the bakery next door. A car nearly runs Addie down. Someone steals a copy of *Alice in Wonderland*. Then, Addie's friend Serena, who owns a nearby tea shop, is arrested—for killing another local merchant. The police seem pretty sure they've got the story in hand, but Addie's not going to let them close the book on this case without a fight . . . "[An] incredible series!"-Suspense Magazine "Lourey, who keeps her secrets well, delivers a breathtaking finale."-Publishers Weekly From acclaimed mystery author Jess Lourey comes the latest bundle of three full-length, funny novels that will leave you guessing--and laughing--until the very end! December Dread January Thaw February Fever Join fish-out-of-water Mira James as she combines her unique detective style with humor and wit to solve a murder a month. Three engaging mysteries in one convenient bundle! All Aboard the Murder Express Mira James's hot and heavy relationship with boyfriend Johnny Leeson is definitely warming up her winter. But when Johnny has to go to Portland, Oregon, for a month-long internship, airplane-averse Mira lets her septuagenarian friend Mrs. Berns talk her into a visit. On the plus side, Mira can make the trip a tax write-off by attending the International Private Investigator Conference. On the down side, Mrs. Berns books them—much to Mira's dismay—on the Valentine Train, a place for singles to meet and mingle. After a few glasses of champagne and Mrs. Berns' encouragement, Mira begins to relax and enjoy herself . . . until a fellow passenger is murdered and a snowstorm traps the train in the Rockies. If Mira can't track down the killer, she may end up derailed—permanently. Praise: "Lourey skillfully mixes humor and suspense . . . the characters are wonderful and wacky, and the mile-a-minute pace never falters."—Booklist (starred review) "The best outing yet for Mira."—Kirkus Reviews "[An] incredible series . . . [February Fever] is a very charming story with great dialogue [and] there are more months coming, so readers definitely have something to look forward to."—Suspense Magazine "I can't wait to see what Mira does next."—Crimespree Magazine "It is always a treat to read a Nero Wolfe mystery. The man has entered our folklore."—The New York Times Book Review Introduction by David Handler It wasn't Leonard Dykes's writing style that offended. But something in his unpublished tome seemed to lead everyone who read it to a very unhappy ending. Now four people are dead, including the unfortunate author himself, and the police think Nero Wolfe is the only man who can close the book on this novel killer. So the genius sleuth directs his sidekick to

set a trap . . . and discovers that the truth is far stranger—and far bloodier—than fiction. A grand master of the form, Rex Stout is one of America’s greatest mystery writers, and his literary creation Nero Wolfe is one of the greatest fictional detectives of all time. Together, Stout and Wolfe have entertained—and puzzled—millions of mystery fans around the world. Now, with his perambulatory man-about-town, Archie Goodwin, the arrogant, gourmandizing, sedentary sleuth is back in the original seventy-three cases of crime and detection written by the inimitable master himself, Rex Stout. 1 May 1976. Thirteen-year-old 'Minnie' Hargreaves is murdered, and her body half buried on a building site at the edge of Holme Hill, a village in West Yorkshire where she lived with her parents. David Harrison, a near-neighbour, is convicted of the crime and sentenced to life imprisonment. He dies in prison. 43 years later, Holme Hill becomes the scene of two more murders: Rhys Williams, a lonely old widower, found on a bench by the village cricket ground. A week later Peter Smith is found face down at the organ in Salem Chapel. Both corpses have a quotation from the Bible pinned to them, along with dates - the first two when Williams and Smith were murdered; the last two, dates in the future. DCI Donald May heads the investigation. Born in Holme Hill his family worshipped at Salem. The murders seem inexplicable: two blameless old men; seemingly the same murderer. A darker past emerges as May, DS Viv Trubshaw and DC Charlie Riggs investigate. Then a third murder, as forecast. May has seven days to the fourth. He discovers much more than just the murderer: all in one month; a month of murder. Twelve tales of murder - each linked to one month on the calendar! From her prize-winning story "Dear George", which begins her murderous year, to the hatred that drives a guilt-ridden woman's Christmastide memories, Ace never lets up. A sociopath plots in an English teashop, a Florentine vendetta threatens a hapless Scottish tourist and a Shakespearian scholar protects his reputation in a most unusual manner! Add a Vancouver criminology Professor with a dark background and a Detective Inspector who finds his wife's insights invaluable, and you've got a book that will keep the reader turning the pages from month to murderous month! "Dear George" was broadcast on BBC's Radio 4 in 2007 (read by Alex Kingston - Dr Corday in TV's hit "ER") and joins eleven other stories crafted by Ace. Ace's style is easy to read - she engages the reader right away...you might never look at a cup of tea or a Yuletide Wreath the same way, but you're going to enjoy reading this book! For 16 years, Harry Spiller worked as a deputy sheriff, investigator, and sheriff in a place where murder isn't suppose to happen- Southern Illinois. Investigating murder cases mainly in Williamson County and assisting in other counties, he learned the hard reality that murder is all around us. The act is swift for the victim and can happen to anyone, anywhere, at any time. It doesn't matter if you live in a big city or a small county, with brick-front towns, small farms, white church houses, lakes and ponds, the Shawnee National Forest, and the muddy rivers. All too often, victims fall prey in places that we think are safe to raise our families, places where we take walks on hot summer nights, where our children play in the park without concern, where we fish in the local pond hoping to

land the big one, and where we leave our doors unlocked at night. In this book, Murder In The Heartland, there are 20 case files. Welcome to Unknown Pleasures, a food stand in Taipei's night market named after a Joy Division album, and also the location for a big-hearted new mystery set in the often undocumented Taiwan. August is Ghost Month in Taiwan—a time to pay respects to the dead and avoid unlucky omens. Jing-nan, who runs a food stand in a bustling Taipei night market, isn't superstitious, but this August will haunt him nonetheless. He learns that his high school sweetheart has been murdered—found scantily clad near a highway where she was selling betel nuts. Beyond his harrowing grief, Jing-nan is confused. “Betel nut beauties” are typically women in desperate circumstances, but Julia Huang was high school valedictorian, and the last time Jing-nan spoke to her, she was far away, happily enrolled in NYU's honor program. The facts don't add up. Julia's parents don't think so, either, but the police seem to have closed the case without asking any questions. The Huangs beg Jing-nan to do some investigating—reconnect with old classmates, see if he can learn anything more about Julia's last years. Reluctantly, he agrees, for Julia's sake. But nothing can prepare him for what he is about to learn, or how it will change his life. The New York Times—bestselling cozy mystery series continues at a Virginia book-themed getaway where there are multiple murders to solve. With her twins, Fitzgerald and Hemingway, back in school, Jane Steward can finally focus on her work again—managing Storyton Hall, and breaking ground on the resort's latest attraction: a luxurious, relaxing spa named in honor of Walt Whitman. But when the earth is dug up to start laying the spa's foundation, something else comes to the surface—a collection of unusual bones and the ragged remnants of a very old book. The attendees of the Rare Book Conference are eager to assist Jane with this unexpected historical mystery—until a visitor meets an untimely end in the Henry James Library. As the questions—and suspects—start stacking up, Jane will have to uncover a killer before more unhappy endings ensue . . . “This group of intriguing characters and suspects will keep readers riveted until the last page. Ellery Adams has proven, yet again, that this series will go on for a long time to come.”—Suspense Magazine “This enchanting blend of mystery and fantasy succeeds in feeling timely and grounded...Book and mystery lovers alike will rejoice in this extraordinarily unique, exuberantly fun series.”—Kings River Life A READ WITH JENNA BOOK CLUB PICK • INTERNATIONAL BESTSELLER • A contemporary literary classic and "an accomplished psychological thriller ... absolutely chilling" (Village Voice), from the Pulitzer Prize-winning author of The Goldfinch. Under the influence of a charismatic classics professor, a group of clever, eccentric misfits at a New England college discover a way of thought and life a world away from their banal contemporaries. But their search for the transcendent leads them down a dangerous path, beyond human constructs of morality. “A remarkably powerful novel [and] a ferociously well-paced entertainment... Forceful, cerebral, and impeccably controlled.” —The New York Times In the early nineteenth century, a series of murders took place in and around London which

shocked the whole of England. The appalling nature of the crimes—a brutal slaying in the gambling netherworld, the slaughter of two entire households, and the first of the modern lust-murders—was magnified not only by the lurid atmosphere of an age in which candlelight gave way to gaslight, but also by the efforts of some of the keenest minds of the period to uncover the gruesome details of the killings. These slayings took place against the backdrop of a London in which the splendor of the fashionable world was haunted by the squalor of the slums. Sir Walter Scott, Lord Byron, Thomas De Quincey, Thomas Carlyle, and Percy Bysshe Shelley and others were fascinated by the blood and devilry of the macabre. In their contemplations of the most notorious murders of their time, they discerned in the act of killing itself a depth of hideousness that we have lost sight of, now living in an age in which murder has been reduced to a problem of social science and skillful detective work. Interweaving these cultural vignettes alongside criminal history, acclaimed author Michael Beran paints a vivid picture of a time when homicide was thought of as the intrusion of the diabolic into ordinary life. It's spring in the tiny, forgotten village; buds are on the trees and the first flowers are struggling through the newly thawed earth. But not everything is meant to return to life. . . When some villagers decide to celebrate Easter with a séance at the Old Hadley House, they are hoping to rid the town of its evil—until one of their party dies of fright. Was this a natural death, or was the victim somehow helped along? Brilliant, compassionate Chief Inspector Armand Gamache of the Sûreté du Québec is called to investigate, in a case that will force him to face his own ghosts as well as those of a seemingly idyllic town where relationships are far more dangerous than they seem. Why is it so much fun to read about death and dismemberment? In Murder Book, lifelong true-crime obsessive and New Yorker cartoonist Hilary Fitzgerald Campbell tries to puzzle out the answer. Vividly capturing the outlandish mischief, shocking crimes, and political powder kegs of an era, Murder and Mayhem in Nashville lifts the veil on a great city's sordid secrets. PRAISE FOR THE MURDER BY MONTH ROMCOM MYSTERIES □ "Lourey skillfully mixes humor and suspense . . . the characters are wonderful and wacky, and the mile-a-minute pace never falters." —Booklist (starred review) □ "Get started on this Lefty-nominated series if you've previously missed it!" —Library Journal (starred review) □ Jess Lourey named to Book Riot's "10 Funny Mystery Authors Like Janet Evanovich" list! □ Bestselling author Del Quentin Wilber tells the inside story of how a murder squad—a dedicated, colorful team of homicide detectives—does its almost impossible job. Twelve homicides, three police shootings and a furious hunt for an especially brutal killer—February 2013 was a good month for murder in suburban Washington, D.C. After gaining unparalleled access to the homicide unit in Prince George's County, which borders the nation's capital, Del Quentin Wilber begins shadowing the talented, often quirky detectives who get the call when a body falls. He rides with a hard-charging investigator who pops diet pills while devouring cheeseburgers; he stands over a corpse with a hulking detective who works security at a cemetery to earn extra money; he

spends hours in the interrogation room, a.k.a. the box, with a hyper-competitive, chain-smoking vegan. And then, after a quiet couple of months, all hell breaks loose: suddenly every detective in the squad is working day and night to solve one shooting and stabbing after another. In particular, the entire unit becomes obsessed with a "red ball," a high-profile case involving a round-cheeked seventeen-year-old honor student attacked by a gunman who kicked in her bedroom door and shot her dead. Murder is the police investigator's ultimate crucible: to solve a killing, a detective must speak for the dead. More than any recent book, A Good Month for Murder shows us what it takes to succeed when the stakes couldn't possibly be higher. Early one cold, wintry morning in late May 1942, the bullet-ridden body of Driver Roy Willis was found on the side of the road. He had been shot a number of times with a military revolver. Despite extensive enquiries by some of the Victoria Police's most experienced homicide detectives, the murderer was not found. Then three months later, the killer struck again. In September 1942 Gunner John Hulston went missing whilst on guard duty. His gun crew immediately began a search. Two soldiers followed what appeared to be drag marks from the gate down towards the beach. They saw a figure some way off and thinking it was Hulston, they called out to him. Instead of a friendly reply, they were met with a barrage of bullets. The figure ran off and disappeared towards the camp. Incredibly the garrison was not turned out to search for the missing man or the mysterious figure. The searchlights which could have turned the night into day along the beach, were not activated. Hulston's rifle and bayonet were found in the water. His torn trousers were also found on the beach. His body was eventually recovered further along the coastline, 10 days later. Like Driver Willis, back in May, he had also been shot in the chest with a .455 calibre army revolver. As with any good murder mystery, this story has more twists and turns than the Great Ocean Road. They range from black market operations, confessions, suspects identified in later years, lost or missing police files, disagreements between the police and the army over the investigation, and an attempted cover-up that went all the way to the wartime Deputy Prime Minister's office. The national bestselling author of Roast Mortem serves readers a fresh Coffeehouse mystery. Clare's Village Blend coffee beans are being used to create a new java love potion: a "Mocha Magic Coffee," billed as an aphrodisiac. The product, expected to rake in millions, will be sold exclusively on Aphrodite's Village, one of the most popular online communities for women. But at its launch, one of the website's editors is murdered. Clare is convinced a bitter killer wants the secret formula. Can she catch who's gone loco for mocha? Mira James investigates a serial killer who uses online dating sites to seduce and kill women who look just like her—and leaves a candy cane as his calling card. What's so wrong with admiring from a distance? Mira's quirky puppy love for Chief Wenonga, a well-muscled fiberglass statue in her Minnesota small town, might be a safer love pursuit than online dating. But when the 23-foot Chief goes missing from his cement base, Mira's not the only citizen to be crushed. The town of Battle Lake is celebrating their statue's 25th anniversary and no amount of blue,

sugar-soaked popcorn balls at Wenonga Days can uplift their gloomy mood. But when Mira runs into a dead body, the town has more pressing issues. Mira's second biggest crush, organic gardening god and dead ringer for Brad Pitt-Johnny Leeson—has disappeared. Her luck with men is running out, and a killer might be moving in. With something of her own to hide, Mira hopes she can avoid the police long enough to track down the object of her mega-crush—but is Mira trailing a statue-thief, a kidnapper, or a murderer? Praise: "Mira . . . is an amusing heroine in a town full of quirky characters."—Kirkus Reviews "[The] humor transcends both genders and makes for a delightful romp."—Fergus Falls Journal "Lourey's rollicking good cozy planted me in the heat of a Minnesota summer for a laugh-out-loud mystery ride."—Leann Sweeney, author of the Yellow Rose Mystery Series The instant #1 New York Times and USA Today best seller by Karen Kilgariff and Georgia Hardstark, the voices behind the hit podcast My Favorite Murder!
