**Sweet! Celebrations** Jan 01 2024 The creator and host of My Cupcake Addiction—one of the world's most widely viewed online baking shows—shares her most dazzling and delicious dessert recipes and ingenious entertaining tips so you can throw the perfect party. Whether you're putting together a simple snack or an over-the-top extravaganza, bringing sweets to the office or planning a trick-or-treat to be remembered, Sweet! Celebrations will be your go-to book in the kitchen. Organized around special occasions throughout the year—from Valentine's Day to Christmas—the book includes Elise's favorite recipes for a rustic wedding, a game-day celebration, an elegant afternoon tea, a colorful children's birthday bash, and many more. Get the party started with the centerpiece cake—such as a Jack O' Lantern Smash Cake or whimsical Tree Stump Cake—and pair it with Elise's tasty drinks. Her easy, innovative small bakes and “no bake” options are great for filling out your display and giving every get-together that extra “wow” factor. You'll find beautiful double-page photos of each theme party and step-by-step photographs that make decorating gorgeous cakes easy—even for beginners. Using the same accessible approach that has drawn millions of followers to My Cupcake Addiction, Elise's cherished recipes for classic cakes, frostings, and toppings will make any novice baker feel like a pro.

**Top Screwups Doctors Make and How to Avoid Them** May 05 2024 A primary care doctor is skeptical of his patient's concerns. A hospital nurse or intern is unaware of a drug's potential side effects. A physician makes the most “common” diagnosis while overlooking the signs of a rarer and more serious illness, and the patient doesn't see the necessary specialist until it's too late. A pharmacist dispenses the wrong drug and a patient dies as a result. Sadly, these kinds of mistakes happen all the time. Each year, 6.1 million Americans are harmed by diagnostic mistakes, drug disasters, and medical treatments. A decade ago, the Institute of Medicine estimated that up to 98,000 people died in hospitals each year from preventable medical errors. And new research from the University of Utah, HealthGrades of Denver, and elsewhere suggests the toll is much higher. Patient advocates and bestselling authors Joe and Teresa Graedon came face-to-face with the tragic consequences of doctors' screwups when Joe's mother died in Duke Hospital—one of the best in the world—due to a disastrous series of entirely preventable errors. In *Top Screwups Doctors Make and How to Avoid Them*, the Graedons expose the most common medical mistakes, from doctor's offices and hospitals to the pharmacy counters and nursing homes. Patients across the country shared their riveting horror stories, and doctors recounted the disastrous—and sometimes deadly—consequences of their colleagues' oversights and errors. While many patients feel vulnerable and dependent on their health care providers, this book is a startling wake-up call to how wrong doctors can be. The good news is that we can protect ourselves, and our loved ones, by being educated and vigilant medical consumers. The Graedons give patients the specific, practical steps they need to take to ensure their safety: the questions to ask a specialist before getting a final diagnosis, tips for promoting good communication with your doctor, presurgery checklists, how to avoid deadly drug interactions, and much more. Whether you're sick or healthy, young or old, a parent of a young child, or caring for an elderly loved one, *Top Screwups Doctors Make and How to Avoid Them* is an eye-opening look at the medical mistakes that can truly affect any of us—and an empowering guide that explains what we can do about it.

**How to Make it Happen** Jul 03 2021 Success is not final and failure is not fatal. Maria Hatzistefanis should know. Having spent 20 years building her own company (described by the press as 'an overnight success'), she acknowledges how hard it is to keep going and find your motivation, especially in the face of self-doubt, rejection and unexpected setbacks. This punchy, easy to digest book spells out how to motivate yourself and harness your drive and energy to make things happen. With clear guidance, tips and celebrity stories throughout, Maria sums up her business secrets with three golden rules: set your goals; plot your trajectory; make it happen! This book will help anyone looking to grow their business and enable readers everywhere to find their own 'Make It Happen' mindset. Everyone can learn from this book, no matter where you are in your career.

*Mud Book* Feb 02 2024 In the mid-1950s, legendary avant-garde composer John Cage and artist Lois Long created a truly marvelous object. Part artist's book, part cookbook, and part children's book, *Mud Book* is a spirited, if not satirical, take on almost every child's first attempt at cooking and making. Through the humble mud pie—add dirt and water!—Cage and Long encourage children to explore their imagination and to get their hands dirty, and they offer this warning: "Mud pies are to make and look at, not to eat." A unique hybrid of art book, unconventional cookbook, and inspiration for young makers, this new edition of *Mud Book* will delight children and parents alike, and makes a charming gift for all ages.

**How to Make a Wish** Jan 26 2021 Grace, tough and wise, has nearly given up on wishes, thanks to a childhood spent with her unpredictable, larger-than-life mother. But this summer, Grace meets Eva, a girl who believes in dreams, despite her own difficult circumstances. One fateful evening, Eva climbs through a window in Grace's room, setting off a chain of stolen nights on the beach. When Eva tells Grace that she likes girls, Grace's world opens up and she begins to believe in happiness again. How to Make a Wish is an emotionally charged portrait of a mother and daughter's relationship and a heartfelt story about two girls who find each other at the exact right time.

**How to Make Friends and Monsters** Aug 16 2022 Howard Boward, a 13-year-old boy-genius with a chip on his shoulder is too smart for his own good. He has troubles making friends—possibly because he complains so much. Until one day a science experiment goes haywire, and Howard creates a best friend for himself—Franklin—who also happens to be a monster. Creating Franklin was an accident, not like Howard was playing God or anything—or so Howard tells himself. Franklin and Howard are having so much fun, Howard decides to create more “friends,” using DNA from kids at school. Only, these friends aren't quite as friendly. Soon there's a major mess and Howard has to sort it all out before the monsters destroy their human counterparts. But terminating the monsters proves harder than he imagined. They didn't choose to be monsters; they can't go against their innate nature. Howard finds himself facing consequences for playing God. Getting rid of the monsters means learning to tame his own inner beast, and Howard begins to understand the meaning of free will and true friendship

**How to Make a Bird** Nov 30 2023 To make a bird, you'll need hundreds of tiny, hollow bones, so light you can barely feel them on your palm, so light they can float on air. Next you'll need feathers, for warmth and lift. There will be more besides - perhaps shells and stones for last touches - but what will finally make your bird tremble with dreams of open sky and soaring flight? This picture book shows how even the smallest of things, combined with wonder and a steady heart, can transform into works of magic.
