Fall of Frost Brian Hall,2008-03-27 The life of Robert Frost brilliantly re imagined by the author of the acclaimed I Should Be Extremely Happy in Your Company Called a spellbinding prose stylist Los Angeles Times Brian Hall drew extraordinary praise for his novel I Should Be Extremely Happy in Your Company in which he captured the personal lives of Lewis and Clark Now he turns his talents to Robert Frost arguably America s most famous poet Through the revelatory voice of fiction Hall gives us an artist toughened by tragedy whose intimacy with death gave life to his poetry for him the preeminent symbol of man s form giving power This is the exquisitely rendered portrait of one man s rages guilt generosity and defiant persistence as much a fictional masterpiece as it is a meditation on greatness

Lakeland: Lakeland Community Heritage Project Inc.,2012-09-18 Lakeland the historical African American community of College Park was formed around 1890 on the doorstep of the Maryland Agricultural College

now the University of Maryland in northern Prince George's County Located less than 10 miles from Washington D C the community began when the area was largely rural and overwhelmingly populated by European Americans Lakeland is one of several small African American communities along the U S Route 1 corridor between Washington D C and Laurel Maryland With Lakeland's central geographic location and easy access to train and trolley transportation it became a natural gathering place for African American social and recreational activities and it thrived until its self contained uniqueness was undermined by the federal government's urban renewal program and by societal change The story of Lakeland is the tale of a community that was established and flourished in a segregated society and developed its own institutions and traditions including the area's only high school for African Americans built in 1928

Suspect Citizens Frank R. Baumgartner,Derek A. Epp,Kelsey Shoub,2018-07-10 *Suspect Citizens* offers the most comprehensive look to date at the most common form of police citizen interactions the routine traffic stop Throughout the war on crime police agencies have used traffic stops to search drivers suspected of carrying contraband From the beginning police agencies made it clear that very large numbers of police stops would have to occur before an officer might interdict a significant drug shipment Unstated in that calculation was that many Americans would be subjected to police investigations so that a small number of high level offenders might be found The key element in this strategy which kept it hidden from widespread public scrutiny was that middle class white Americans were largely exempt from its consequences Tracking these police practices down to the officer level *Suspect Citizens* documents the extreme rarity of drug busts and reveals sustained and troubling disparities in how racial groups are treated
