*Larger Than Life* Ferenc Morton Szasz, 2006 *Larger than Life* offers eleven essays that touch on New Mexico's history through its people, places, and events.

*Turmoil in New Mexico, 1846-1868* William A. Keleher, 2007 The vital history of New Mexico and Arizona during the formative years between the American Occupation and the coming of the railroad has been compressed by the author into one volume with hundreds of footnotes and many profiles that make this book of vital importance to teachers, students, and researchers. The book is broken into four parts: General Kearny Comes to Santa Fe, The Confederates Invade New Mexico, Carleton's California Column, and The Long Walk. Many famous men walk and talk through these pages, including Kearny, Doniphan, Baylor, Canby, Carleton, Sibley, and a host of others. In addition, the story of the impact of the Civil War in New Mexico on the Indians and the tragic results is told here in detail for the first time. Long out of print, the book is available once again with a new foreword by Marc Simmons and a preface by Michael L. Keleher, William A. Keleher's son. It also includes brief biographies of Ernest L. Blumenschein and Oscar E. Berninghaus, who provided the original illustrations. William A. Keleher (1886-1972) observed first-hand the changing circumstances of people and places of New Mexico. Born in Lawrence, Kansas, he arrived in Albuquerque two years later with his parents and two older brothers. The older brothers died of diphtheria within a few weeks of their arrival. As an adult, Keleher worked for more than four years as a Morse operator and later as a reporter on New Mexico newspapers. Bidding a reluctant farewell to newspaper work, Keleher studied law at Washington Lee University and started practicing law in 1915. He was recognized as a successful attorney, being honored by the New Mexico State Bar as one of the outstanding Attorneys of the Twentieth Century. One quickly observes from his writings and writings about him that he lived a fruitful and exemplary life. His knowledge and understanding of humankind is evidenced by this quote attributed to Sir Thomas Browne (1686) and printed after the title page in *Turmoil in New Mexico*: "The iniquity of oblivion scattereth her poppy and deals with the memory of men without distinction to merit and perpetuity; who knows whether the best of men be known or whether there be not more remarkable men forgot than any that stand remembered in the known account of time."

*Mysterious New Mexico* Benjamin Radford, 2014-08-15 New Mexico's twin traditions of the scientific and the supernatural meet for the first time in this long overdue book by a journalist known for investigating the unexplained. Strange tales of ghosts, monsters, miracles, lost treasure, UFOs, and much more can be found not far from the birthplace of the atomic bomb. Huge radio astronomy dishes search desert skies for alien life, and the world's first spaceport can be found in this enchanted land in many ways. New Mexico truly is a portal to other worlds. *Mysterious New Mexico* is the first book to apply scientific investigation methods to explain some of New Mexico's most bizarre lore and legends. Using folklore, sociology, history, psychology, and forensic science, as well as good old-fashioned detective work, Radford reveals the truths and myths behind New Mexico's greatest mysteries.
