Mission Possible 3+ Jul 11 2022 Mission Possible, by Kay Kotan and Blake Bradford, has been taken to a new level. In Mission Possible 3+, Kay Kotan and Blake Bradford have re-written and updated their best-selling resource for local churches to better assist congregations seeking to use the simplified accountable leadership structure, often called the one-board model. This expanded third edition includes new resources, activities, and checklists In Mission Possible 3+, Kay and Blake focus on ministry while making meetings fewer in number but larger in meaning. In this book aimed at congregational leaders, particularly United Methodists, the authors provide practical,

field-tested steps to simplify your church structure and unleash more people into ministry. Too often churches try to simplify their structures by just having fewer people at the meeting table. But real simplification and accountable leadership means that meetings - and leaders - are transformed. Kay and Blake walk you through both the technical and adaptive changes to simplify your structure for missional effectiveness. Mission Possible 3+ includes more than 50 pages of additional resources, making the transition to a simplified structure even more straightforward. PTCB Exam Simplified Nov 02 2021 Further refined, revised, and expanded, the 3rd edition of PTCB Exam Simplified is simpler, better, and more up-to-date than ever before. Our study guide covers each of the nine knowledge domains that form today's PTCB exam. Take action, and start preparing with PTCB Exam Simplified.
