Terminal Alliance Jim C. Hines,2017 The Krakau came to Earth to invite humanity into a growing alliance of sentient species But they hadn t counted on a mutated plague wiping out half the human population turning the rest into shambling near unstoppable animals and basically destroying human civilization You know your standard apocalypse The Krakau s first impulse was to turn around and go home After all it s hard to have diplomatic relations with mindless savages who eat your diplomats Their second impulse was to try to fix us Now a century later human beings might not be what they once were but at least they re no longer tryiying to eat everyone Mostly Jacket flap *Libriomancer* Jim C. Hines,2013-08-22 Isaac Vainio is a Libriomancer a member of a secret society founded five centuries ago by Johannes Gutenberg As such he is gifted with the magical ability to reach into books and draw forth objects But when Gutenberg vanishes without a trace Isaac finds himself pitted against everything from vampires to a sinister nameless foe who is bent on revealing magic to the world at large and at any cost *Rise of the Spider Goddess* Jim C. Hines,2014-12-02 **The Stepsister Scheme** Jim C. Hines,2009-01-06 Danielle Whiteshore aka Cinderella reveals what really happens after the happily ever after as she along with Snow White and Sleeping Beauty race against time to rescue her husband Prince Armand from the clutches of some of fantasyland s most nefarious villains Original *Terminal Uprising* Jim C. Hines,2019-02-12 Human civilization didn t just fall It was pushed The Krakau came to Earth in the year 2104 By 2105 humanity had been reduced to shambling feral monsters In the Krakau s defense it was an accident and a century later they did come back and try to fix us Sort of It s been four months since Marion Mops Adamopoulos learned the truth of that accident Four months since she and her team of hygiene and sanitation specialists stole the EMCS Pufferfish and stopped a bioterrorism attack against the Krakau homeworld Four months since she set out to find proof of what really happened on Earth all those years ago Between trying

to protect their secrets and fighting the xenocidal Prodryans who've been escalating their war against everyone who isn't Prodryan the Krakau have their tentacles full Mops mission changes when she learns of a secret Krakau laboratory on Earth A small group under command of Fleet Admiral Belle Bonne Sage is working to create a new weapon one that could bring victory over the Prodryans or drown the galaxy in chaos To discover the truth Mops and her rogue cleaning crew will have to do the one thing she fears most return to Earth a world overrun by feral apes wild dogs savage humans and worse After all the planet hasn't been cleaned in a century and a half What Mops finds in the filthy ruins of humanity could change everything assuming she survives long enough to share it Perhaps humanity isn't as dead as the galaxy thought

The Goblin Master's Grimoire Jim C. Hines, 2013 A heroic goblin Who ever heard of such a thing Jim Hines did And in this collection you'll meet the intelligent brave scrawny smart mouthed and reluctantly heroic goblin Jig From shortly after Jig's birth to his unusual leadership of a goblin platoon he fights sorceresses hobgoblins and his own kind and discovers what it takes to b

The Demon's Lexicon Sarah Rees Brennan, 2009-06-02 Sixteen year old Nick and his brother Alan are always ready to run Their father is dead and their mother is crazy she screams if Nick gets near her She's no help in protecting any of them from the deadly magicians who use demons to work their magic The magicians want a charm that Nick's mother stole and they want it badly enough to kill Alan is Nick's partner in demon slaying and the only person he trusts in the world So things get very scary and very complicated when Nick begins to suspect that everything Alan has told him about their father their mother their past and what they are doing is a complete lie

Unbound Jim C. Hines, 2016-01-05 Michigan librarian Isaac stripped of his power teams up with fire spider Smudge dryad warrior Lena and psychiatrist Nidhi in order to stop a banished queen who has returned in the body of a young girl

The Part About the Dragon Was (Mostly) True Sean Gibson, 2020-12-11 TERRY PRATCHETT meets THE WITCHER in this pee your pants laughing fantasy novel Sure you think you know the story of the fearsome red dragon Dragonia How it terrorized the village of Skendrick until a brave band of heroes answered the noble villagers call for aid How nothing could stop those courageous souls from facing down the beast How they emerged victorious and laden with treasure But even in a world filled with epic adventures and tales of derring do where dragons goblins and unlicensed prestidigitators run amok legendary heroes don't always know what they're doing Sometimes they're clueless Sometimes beleaguered townfolk are more hapless than helpless And orcs They're not always assholes and sometimes they don't actually want to eat your children Heloise the Bard Erithea's most renowned storyteller is here to set the record straight See it turns out adventuring isn't easy and true heroism is as rare as an articulate villager Having spent decades propagating this particular myth which incidentally she wrote she's finally able to tell the real story for which she just so happened to have a front row seat Welcome to Erithea I hope you brought a change of undergarments things are going to get messy hr Evoking the dry humor of Terry Pratchett and absurdist trope subversions of Monty Python Gibson's story is clever twisty and bursting with sidesplittingly funny one liners Fantasy fans are guaranteed a laugh

Publisher's Weekly if Gibson continues to put out work of this quality and high level of entertainment will be a success story along the lines of Michael R Fletcher M L Spencer or Rob J Hayes Grimdark Magazine I can't praise the story enough If you want something light hearted and fun to read that will zip by quickly but still want to feel like you got the content you hoped for this is definitely the book you should pick up The Inkslinger Book Reviews Mr Sean Gibson would be extremely fun to play Dungeons and Dragons with Verified Reviewer *Red Hood's Revenge* Jim C. Hines,2010-07-06 Wars may end But vengeance is forever Roudette's story was a simple one A red cape A wolf A hunter Her mother told her she would be safe so long as she kept to the path But sometimes the path leads to dark places Roudette is the hunter now an assassin known throughout the world as the Lady of the Red Hood Her mission will take her to the country of Arathea and an ancient fairy threat At the heart of the conflict between humans and fairies stands the woman Roudette has been hired to kill the only human ever to have fought the Lady of the Red Hood and survived the princess known as Sleeping Beauty Travels with My Father Nancy Myer,2013-12-02 In this moving spiritual memoir one of America's most important psychic investigators Nancy Myer recalls her evolution as a person with psychic abilities her struggle to accept the intuitive gifts she was given and her desire to lead a normal life raising three energetic children But when the highest ranking official in the Delaware State Police asks her to use her psychic gifts to help solve murder cases her normal life is turned upside down beginning an unorthodox career in which she is forced to deal with the worst of humanity In her numerous consultations with law enforcement she receives guidance and support from the ghost of her father who had also possessed some intuitive abilities His passing and return visits from the other side are what unlocks her true nature and extraordinary gifts Part love story and part mystery with vivid descriptions of some of her toughest criminal cases she explores some of the most profound questions of the universe What is our purpose here on earth What happens at the end of a lifetime and Where does the soul go As Nancy reveals in the remarkable story of her relationship with her father before his death and after the end isn't really an end at all but merely a transition to new worlds **Terminal Peace** Jim C. Hines,2023-07-04 Now in paperback the third and final book of the Janitors of the Post Apocalypse follows a group of unlikely heroes trying to save the galaxy from a zombie plague Marion Mops Adamopoulos and her team were trained to clean spaceships They were absolutely not trained to fight an interplanetary war with the xenocidal Prodryans or to make first contact with the Jynx a race who might not be as primitive as they seem But if there's one lesson Mops and her crew have learned it's that things like training and being remotely qualified are overrated The war is escalating This might be Mops' fault The survival of humanity those few who weren't turned to feral shambling monsters by an alien plague as well as the fate of all other non Prodryans will depend on what Captain Mops and the crew of the EDF's Pufferfish discover on the ringed planet of Tuxatl But the Jynx on Tuxatl are fighting a war of their own and their world's long buried secrets could be more dangerous than the Prodryans To make matters worse Mops is starting to feel a little feral herself **For The Crown and The Dragon** Stephen Hunt,1994-06-16 It

is the final years of the 18th century but a world which few would recognise The people of Europe shelter in small islands of safety havens from the enchanted wilderness the strange boundless forests people call the Tumble It is across this demon haunted landscape that the low born officer Taliesin must lead his men caught up in the deadliest of intrigues while fighting wars for a noble class which despises him With vicious murderers from the worst gutters in the Realm marching behind him and the forces of the most powerful nations of the mainland arrayed against him the odds are stacked against Taliesin Heavily Yet he will fight on battling armies sorcerers assassins beastmen and cross into the face of hell itself Not for loyalty or grudging respect for his scheming monarch not even for the small mountain of silver the Island Queen has promised him if he succeeds But because fighting is all he and his pressed band of cut throats and thieves have ever known *Codex Born* Jim C. Hines,2020-03-05 They re back And they want revenge Sent to investigate the brutal slaughter of a wendigo in the north Michigan town of Tamarack Isaac Vainio and his companions find they have wandered into something far more dangerous than a simple killing A long established werewolf territory Tamarack is rife with ancient enemies of Libromancy who quest for revenge Isaac has the help of Lena Greenwood his dryad bodyguard born from the pages of a pulp fantasy novel but he is not the only one in need of her unique and formidable powers [The Legend of Jig Dragonslayer](#) Jim C. Hines,2012-07-03 If you think being a big strong brave fantasy hero is hard just try being Jig the Goblin Here together for the first time are the uproarious unforgettable adventures of Jig the Goblin the most unlikely hero you will ever meet In this collected omnibus of Goblin Quest Goblin Hero and Goblin War readers will follow the epic if mostly accidental exploits of Jig a puny clumsy bespectacled runt of a goblin whose intelligence wit and unbelievable luck allow him to survive when fate thrusts him into a world much larger and far more dangerous than any he ever imagined **The Mermaid's Madness** Jim C. Hines,2016-06-20 Cinderella Sleeping Beauty and Snow White face a deadly threat from under the sea The first meeting between Princess Danielle Whiteshore better known as Cinderella and the merfolk who inhabit the seas of Lorindar should have been a diplomatic formality Instead a deranged mermaid named Lirea launches a sudden and brutal attack that leaves Queen Beatrice on the edge of death To stop Lirea and save the queen Danielle Talia Sleeping Beauty and Snow White must ally with a mysterious witch from the sea Only together can they hope to stop the war Lirea has set in motion But every secret they uncover leads deeper into danger Lirea s wrath is tangled in older more sinister plans that could change the fates of humans and merfolk both plans that will test the strength of Danielle s team to the breaking point and beyond
