A woman trying to outrun her past is drawn to a coastal village in Maine—and to a string of unsolved murders—in this novel of romance and psychological suspense from New York Times bestselling author Tess Gerritsen. “Suspenseful, sexy, and soulful.”—J. R. Ward, bestselling author of the Black Dagger Brotherhood series After an unspeakable tragedy in Boston, Ava Collette flees to a remote village in Maine, where she rents an old house named Brodie’s Watch. In that isolated seaside mansion, Ava finally feels at peace . . . until she glimpses the long-dead sea captain who still resides there. Rumor has it that Captain Jeremiah Brodie has haunted the house for more than a century. One night, Ava confronts the apparition, who feels all too real, and who welcomes her into his world—and into his arms. Even as Ava questions her own sanity, she eagerly looks forward to the captain’s ghostly visits. But she soon learns that the house she loves comes with a terrible secret, a secret that those in the village don’t want to reveal: Every woman who has ever lived in Brodie’s Watch has also died there. Is the ghost of Captain Brodie responsible, or is a flesh-and-blood killer at work? A killer who is even now circling closer to Ava? Praise for *The Shape of Night* “Gerritsen is at her atmospheric best in this spine-tingling tale of a lone woman, an old house, and all the secrets everyone tries to hide.”—Lisa Gardner, #1 New York Times bestselling author “With a twisty mix of dangerous passion, obsession, and suspense, Tess Gerritsen reinvents the Gothic novel, giving it a razor-sharp, modern edge.”—Jayne Ann Krentz, New York Times bestselling author of *Untouchable* “Curl up in your favorite reading chair and let Tess Gerritsen whisk you away to a

coastal town reminiscent of Daphne du Maurier's best settings. You are in for a dark and sexy night, and you will be up very late with Tess's twisted, haunting tale."—Iris Johansen, #1 New York Times bestselling author Two books in one.

UNDER THE KNIFE: For attorney David Ransom, it begins as an open-and-shut case: malpractice. Then Dr Kate Chesne storms into his office, daring him to seek out the truth - that she's being framed. When another patient turns up dead, David starts to believe her. Somewhere in the Honolulu hospital, a killer walks freely. And now David finds himself asking the same questions Kate is desperate to have answered. Who is next - and why?

NEVER SAY DIE: Twenty years after her father's plane crashed in the jungles of Southeast Asia, Willy Jane Maitland travels to the other side of the world to track his final moves. She recognises the danger in what she's doing, but her search for the truth about that fateful flight is the only thing that matters. Irreverent former army officer Guy Barnard knows the jungles and the workings of the mystical land so unfamiliar to Willy - and Willy knows she couldn't proceed without him. But in a place where truth has many faces, she suspects even Guy has hidden motives. What she couldn't have prepared for are the shocking secrets and undeniable attraction she must face. In this Rizzoli & Isles short story from New York Times bestselling author Tess Gerritsen, a bizarre death comes with a supernatural twist. Homicide cop Jane Rizzoli and medical examiner Maura Isles have seen their fair share of mortal crimes, but the death of Kimberly Rayner may qualify as inhuman in more ways than one. When corpse of the emaciated seventeen-year-old girl is discovered next to an empty coffin in an abandoned church, mysterious bruises around the throat suggest foul play. Caught fleeing the scene is the victim's closest friend, Lucas Henry, an equally skeletal, pale teenager who claims he's guilty only of having a taste for blood—a craving he shared with Kimberly. But the victim's distraught father doesn't believe in vampires, only vengeance. And now, another life may be at risk unless Rizzoli and Isles can uncover the astonishing truth. Includes an excerpt from Tess Gerritsen's Rizzoli & Isles novel *The Silent Girl* Together for the first time in one box set, four classic spine-tingling tales of suspense, only from New York Times bestselling author Tess Gerritsen.

PRESUMED GUILTY Miranda Woods is the obvious suspect in the murder of her ex-lover, who was discovered stabbed to death in her bed. When a stranger bails her out, Miranda discovers that proving her innocence may be secondary to staying alive... **KEEPER OF THE BRIDE** A bomb detonates in a church...which was thankfully empty since Nina Cormier got left at the altar. But someone wants her dead, and Detective Sam Navarro is in a race to decipher the terrifying truth. **CALL AFTER MIDNIGHT** Sara Fontaine's newlywed husband is reported dead while abroad, but Sara is convinced otherwise. Teaming up with an agent from the State Department, she'll crisscross Europe on a desperate search for the dangerous answers. **UNDER THE KNIFE** Dr. Kate Chesne challenges attorney David Ransom to help her prove that she's been

framed for malpractice. While a killer walks free, the two will have to discover who might be the next victim—and why. From New York Times bestselling author Tess Gerritsen, a terrifying novel of deadly proportions as an ER doctor tries to determine the cause and cure of a fatal and mysterious virus before it becomes an epidemic. The quiet overnight shift at Springer Hospital ER suits Dr. Toby Harper just fine—until she admits a man in critical condition from a possible viral infection of the brain. The delirious man barely responds to treatment—and then disappears without a trace. Before Toby can find him, a second case occurs, revealing a terrifying fact: the virus can only be spread through direct tissue exchange. Following a trail of death that winds from a pregnant sixteen-year-old prostitute to her own home, Toby discovers the unthinkable: the epidemic didn't

just happen—someone let it loose.... When a young woman is found dead, Detective Jane Rizzoli and Forensic Pathologist Maura Isles are called to the scene. The body bears stratling wounds, though the actual cause of death is a mystery. The another body is discovered - a seemingly unrelated crime, but the lack of an obvious cause of death shows they have more in common than it would at first appear. As Rizzoli and Isles race to discover the link between the victims before the killer strikes again, a young woman watches from the sidelines. She has the answers they're looking for. But she has to stay quiet, if she wants to stay alive ...

Rizzoli & Isles • Hit series on TNT NEW YORK TIMES BESTSELLER “One of the most versatile voices in thriller fiction today.”—The Providence Journal For the second time in his short life, fourteen-year-old Teddy Clock has survived a massacre. Orphaned once more when his foster family is murdered, the traumatized teenager has nowhere to turn—until the Boston PD puts Detective Jane Rizzoli on the case. Jane spirits Teddy to the exclusive Evensong boarding school, a sanctuary where young victims of violent crime learn vital skills of survival. But even behind locked gates, Jane fears that Evensong’s benefactors aren’t the only ones watching. And when she learns of two other students whose pasts bear a shocking resemblance to Teddy’s, it becomes chillingly clear that a circling predator has more than one victim in mind. Joining forces with medical examiner Maura Isles, Jane races to stop an obsessed killer’s twisted quest—before an unspeakable secret dooms the children’s fate. Don’t miss Tess Gerritsen’s short story “John Doe,” and a sneak peek of her novel, *Girl Missing*, in the back of the book. “[Tess] Gerritsen has a knack for creating great characters and mysterious plots that seem straightforward but also dazzle with complexity and twists.”—Associated Press

A fan-favorite novel by internationally bestselling author Tess Gerritsen **Miranda Wood** thinks she has seen the last of Richard Tremain, her rich and married ex-lover—until she discovers him stabbed to death in her bed. With her knife. Miranda is the obvious suspect, and she looks even guiltier when her bail is posted by an anonymous donor. Was this an act of kindness designed to buy her time to clear her name? Or is someone trying to manipulate Miranda and draw her into the dark and secret world of a murdered man, where everybody’s presumed guilty? With her world falling around her, Miranda is determined to discover who killed Richard. But proving her innocence may become secondary to staying alive.... In this classic medical thriller filled with harrowing suspense and brilliantly crafted plot twists, Tess Gerritsen—the author of the acclaimed Rizzoli & Isles series that inspired the hit television show—delivers a pulse-pounding tale that “will make your heart skip a beat” (USA TODAY). For Dr. Abby DiMatteo, the long road to Boston’s Bayside Hospital has been anything but easy. Now, immersed in the grinding fatigue of her second year as a surgical resident, she’s elated when the hospital’s elite cardiac transplant team taps her as a potential recruit. But Abby soon makes an anguished, crucial decision that jeopardizes her entire career. A car crash victim’s healthy heart is ready to be harvested; it is immediately cross-matched to a wealthy private patient, Nina Voss. Abby hatches a bold plan to make sure that the transplant goes instead to a dying seventeen-year-old boy who is also a perfect match. The repercussions are powerful and swift and Abby is shaken but unrepentant—until she meets the frail, tormented Nina. Then a new heart for Nina Voss suddenly appears, her transplant is completed, and Abby

makes a terrible discovery: Nina's heart has not come through the proper channels. Defying Bayside Hospital's demands for silence, Abby plunges into an investigation that reveals an intricate, and murderous, chain of deceptions. Every move Abby makes spawns a vicious backlash and, in a ship anchored in the stagnant waters of Boston Harbor, a final, grisly discovery lies waiting... An organism harmless on earth where it is subject to gravity terrorizes a research station in space. Scientists die violently and from their insides spill creatures that are part human, part frog and part mouse. A young woman leaves Appalachia for life as a classical musician—or so she thinks. When aspiring violinist Jessica Chiccehitto Hindman lands a job with a professional ensemble in New York City, she imagines she has achieved her lifelong dream. But the ensemble proves to be a sham. When the group “performs,” the microphones are never on. Instead, the music blares from a CD. The mastermind behind this scheme is a peculiar and mysterious figure known as The Composer, who is gaslighting his audiences with music that sounds suspiciously like the Titanic movie soundtrack. On tour with his chaotic ensemble, Hindman spirals into crises of identity and disillusionment as she “plays” for audiences genuinely moved by the performance, unable to differentiate real from fake. Sounds Like Titanic is a surreal, often hilarious coming-of-age story. Hindman writes with precise, candid prose and sharp insight into ambition and gender, especially when it comes to the difficulties young women face in a world that views them as silly, shallow, and stupid. As the story swells to a crescendo, it gives voice to the anxieties and illusions of a generation of women, and reveals the failed promises of a nation that takes comfort in false realities. Dr. Catherine Cordell, recovering from a brutal attack and hiding her fear behind a mask of professionalism, is the only one that can stop a psychotic killer known as "The Surgeon," due to his horrific methods of murder, before he kills again. 100,000 first printing. Whistleblower He emerges from the mist, right in front of Cathy Weaver's car—running from killers who are closing in. Victor Holland's story sounds like the ravings of a man on the brink of madness, but his claim to be a fugitive is confirmed by the haunted look in his eyes—and the bullet hole in his shoulder. As each hour brings his pursuers closer, Cathy has to wonder: Is she giving her trust to a man in danger...or trusting her life to a dangerous man? A tiny American town's plans for radical self-

government overlooked one hairy detail: no one told the bears. Once upon a time, a group of libertarians got together and hatched the Free Town Project, a plan to take over an American town and completely eliminate its government. In 2004, they set their sights on Grafton, NH, a barely populated settlement with one paved road. When they descended on Grafton, public funding for pretty much everything shrank: the fire department, the library, the schoolhouse. State and federal laws became meek suggestions, scarcely heard in the town's thick wilderness. The anything-goes atmosphere soon caught the attention of Grafton's neighbors: the bears. Freedom-loving citizens ignored hunting laws and regulations on food disposal. They built a tent city in an effort to get off the grid. The bears smelled food and opportunity. A Libertarian Walks Into a Bear is the sometimes funny, sometimes terrifying tale of what happens when a government disappears into the woods. Complete with gunplay, adventure, and backstabbing politicians, this is the ultimate story of a quintessential American experiment -- to live free or die, perhaps from a bear. NATIONAL BESTSELLER • Rizzoli & Isles are back! From New York Times bestselling author Tess Gerritsen, this “shocking and fast-paced” (Karin Slaughter) thriller has Jane and Maura investigating a brutal murder with dire implications, and this time, with Jane’s intrepid mother, Angela, looking into a mystery of her own. “An utter pleasure to keep readerly company with.”—The New York Times Mothers know best . . . But who will listen? Boston homicide detective Jane Rizzoli and medical examiner Maura Isles are newly plagued by what seems like a completely senseless murder. Sofia Suarez, a widow and nurse who was universally liked by her neighbors, lies bludgeoned to death in her own home. But anything can happen behind closed doors, and Sofia seemed to have plenty of secrets in her last days, making covert phone calls to traceless burner phones. When Jane finally makes a connection between Sofia and the victim of a hit-and-run from months earlier, the case only grows more blurry. What exactly was Sofia involved in? One thing is clear: The killer will do anything it takes to keep their secret safe. Meanwhile, Angela Rizzoli hasn’t had a decent night’s sleep in all the years since her daughter became a homicide detective. Maybe the apple didn’t fall too far from the tree: Nothing in Angela’s neighborhood gets by her—not the gossip about a runaway teenager down the block and definitely not the strange neighbors who have just moved in across the street. Angela’s sure there’s no such thing as coincidence in her sleepy suburb. If only Jane would listen—instead she writes off Angela’s concerns as the result of an overactive imagination. But Angela’s convinced there’s a real wolf in her vicinity, and her cries might now fall on deaf ears. With so much happening on the Sofia case, Jane and Maura already struggle to see the forest for the trees, but will they lose sight of something sinister happening much closer to home? Locust Lake, the small resort town of Tranquility, Maine, seems like the perfect spot for Dr. Claire Elliot to shelter her adolescent son, Noah, from the distractions of the big city and the lingering memory of his father's death. But with the first snap of winter comes shocking news that puts her practice on the line: a teenage boy under her care has committed an appalling act of violence. And as Claire and all of Tranquility soon discover, it is just the start of a chain of lethal outbursts among the town's teenagers. As the rash of disturbing behavior grows, Claire uncovers a horrifying secret: this is not the first time it has happened. Twice a century, the children of Tranquility lash out with deadly violence. Claire suspects that there is a biological cause for the epidemic, and she fears that the placid Locust Lake may conceal an insidious danger. As she races to save Tranquility—and her son—from harm, Claire discovers an even greater threat: a shocking conspiracy to manipulate nature and cause innocents to slaughter. For the second time in his short life, Teddy Clock has survived a massacre. Two years ago, he barely escaped when his entire family was slaughtered. Now, at 14, in a hideous echo of the past, Teddy is the lone survivor of his foster family's mass murder.

SLAUGHTER THE VICTIMS In Boston, Detective Jane Rizzoli and Forensic Pathologist Maura Isles are investigating a bizarre murder. A man has been found gutted and hanging in his home. When the remains of another victim are found, it is clear that this murderer has been at work for years, and not just in Boston.

THE KILLER Six years ago, a group of travellers set off on an African safari. None of them are seen again - apart from one woman who stumbled out of the bush weeks later, barely alive. The only woman to have seen the killer's face.

THE SURVIVOR Has the 'safari killer' resurfaced in Boston? Jane is sent to Africa to find the one link between the two cases - the only survivor - and convince her to face death once again... Medical examiner Maura Isles and Boston homicide detective Jane Rizzoli investigate when a murderer begins placing his victims in the Crispin Museum and a young archaeologist goes missing. A woman trying to outrun her past is drawn to a coastal village in Maine—and to a string of unsolved murders—in this novel of romance and psychological suspense from New York Times bestselling author Tess Gerritsen. “Suspenseful, sexy, and soulful.”—J. R. Ward, bestselling author of the *Black Dagger Brotherhood* series

After an unspeakable tragedy in Boston, Ava Collette flees to a remote village in Maine, where she rents an old house named Brodie's Watch. In that isolated seaside mansion, Ava finally feels at peace . . . until she glimpses the long-dead sea captain who still resides there. Rumor has it that Captain Jeremiah Brodie has haunted the house for more than a century. One night, Ava confronts the apparition, who feels all too real, and who welcomes her into his world—and into his arms. Even as Ava questions her own sanity, she eagerly looks forward to the captain's ghostly visits.

But she soon learns that the house she loves comes with a terrible secret, a secret that those in the village don't want to reveal: Every woman who has ever lived in Brodie's Watch has also died there. Is the ghost of Captain Brodie responsible, or is a flesh-and-blood killer at work? A killer who is even now circling closer to Ava? Praise for *The Shape of Night* "Gerritsen is at her atmospheric best in this spine-tingling tale of a lone woman, an old house, and all the secrets everyone tries to hide."—Lisa Gardner, #1 New York Times bestselling author "With a twisty mix of dangerous passion, obsession, and suspense, Tess Gerritsen reinvents the Gothic novel, giving it a razor-sharp, modern edge."—Jayne Ann Krentz, New York Times bestselling author of *Untouchable* "Curl up in your favorite reading chair and let Tess Gerritsen whisk you away to a coastal town reminiscent of Daphne du Maurier's best settings. Not even the icy temperatures of a typical New England winter can match the bone-chilling scene of carnage discovered at the chapel of Our Lady of Divine Light. Within the cloistered convent lie two nuns—one dead, one critically injured—victims of an unspeakably savage attacker. The brutal crime appears to be without motive, but medical examiner Maura Isles's autopsy of the dead woman yields a shocking surprise: Twenty-year-old Sister Camille gave birth before she was murdered. Then another body is found, mutilated beyond recognition. Together, Isles and homicide detective Jane Rizzoli uncover an ancient horror that connects these terrible slaughters. As long-buried secrets come to light, Maura Isles finds herself drawn inexorably toward the heart of an investigation that strikes close to home—and toward a dawning revelation about the killer's identity too shattering to consider. Unknown bones, untold secrets, and unsolved crimes from the distant past cast ominous shadows on the present in the dazzling new thriller from New York Times bestselling author Tess Gerritsen. Present day: Julia Hamill has made a horrifying discovery on the grounds of her new home in rural Massachusetts: a skull buried in the rocky soil—human, female, and, according to the trained eye of Boston medical examiner Maura Isles, scarred with the unmistakable marks of murder. But whoever this nameless woman was, and whatever befell her, is knowledge lost to another time. Boston, 1830: In order to pay for his education, Norris Marshall, a talented but penniless student at Boston Medical College, has joined the ranks of local "resurrectionists"—those who plunder graveyards and harvest the dead for sale on the black market. Yet even this ghoulish commerce pales beside the shocking murder of a nurse found mutilated on the university hospital grounds. And when a distinguished doctor meets the same grisly fate, Norris finds that trafficking in the illicit cadaver trade has made him a prime suspect. To prove his innocence, Norris must track down the only witness to have glimpsed the killer: Rose Connolly, a

beautiful seamstress from the Boston slums who fears she may be the next victim. Joined by a sardonic, keenly intelligent young man named Oliver Wendell Holmes, Norris and Rose comb the city—from its grim cemeteries and autopsy suites to its glittering mansions and centers of Brahmin power—on the trail of a maniacal fiend who lurks where least expected . . . and who waits for his next lethal opportunity. With unflagging suspense and pitch-perfect period detail, *The Bone Garden* deftly interweaves the thrilling narratives of its nineteenth- and twenty-first century protagonists, tracing the dark mystery at its heart across time and place to a finale as ingeniously conceived as it is shocking. Bold, bloody, and brilliant, this is Tess Gerritsen's finest achievement to date. This ebook edition contains a special preview of Tess Gerritsen's *I Know a Secret*.
