King George: What Was His Problem? Apr 06 2022 New York Times bestselling author and Newbery Honor recipient Steve Sheinkin gives young readers an American history lesson they'll never forget in the fun and funny *King George: What Was His Problem?: Everything Your Schoolbooks Didn't Tell You About the American Revolution*, featuring illustrations by Tim Robinson. A Bank Street Best Children's Book of the Year A New York Public Library 100 Titles for Reading and Sharing What do the most famous traitor in history, hundreds of naked soldiers, and a salmon lunch have in common? They're all part of the amazing story of the American Revolution. Entire books have been written about the causes of the American Revolution. This isn't one of them. What it is, instead, is utterly interesting, anecdotes (John Hancock fixates on salmon), from the inside out (at the Battle of Eutaw Springs, hundreds of soldiers plunged into battle "naked as they were born") close-up narratives filled with little-known details, lots of quotes that capture the spirit and voices of the principals ("If need be, I will raise one thousand men, subsist them at my own expense, and march myself at their head for the relief of Boston" --George Washington), and action. It's the story of the birth of our nation, complete with soldiers, spies, salmon sandwiches, and real facts you can't help but want to tell to everyone you know. "For middle-graders who find Joy Hakim's 11-volume *A History of US* just too daunting, historian Sheinkin offers a more digestible version of our country's story...The author expertly combines individual stories with sweeping looks at the larger picture—tucking in extracts from letters, memorable anecdotes, pithy characterizations and famous lines with a liberal hand."—Kirkus Reviews Also by Steve Sheinkin: *Bomb: The Race to Build—and Steal—the World's Most Dangerous Weapon* *The Notorious Benedict Arnold: A True Story of Adventure, Heroism & Treachery* *The Port Chicago 50: Disaster, Mutiny, and the Fight for Civil Rights* *Undeclared: Jim Thorpe and the Carlisle Indian School Football Team* *Most Dangerous: Daniel Ellsberg and the Secret History of the Vietnam War* *Which Way to the Wild West?: Everything Your Schoolbooks Didn't Tell You About Westward Expansion* *Two Miserable Presidents: Everything Your Schoolbooks Didn't Tell You About the Civil War* *Born to Fly: The First Women's Air Race Across America* **The Collected Stories of Richard Yates** Nov 13 2022 A literary event of the highest order, *The Collected Stories of Richard Yates* brings together Yates's peerless short fiction in a single volume for the first time. Richard Yates was acclaimed as one of the most powerful, compassionate, and

technically accomplished writers of America's postwar generation, and his work has inspired such diverse talents as Richard Ford, Ann Beattie, André Dubus, Robert Stone, and Kurt Vonnegut Jr. This collection, as powerful as Yates's beloved *Revolutionary Road*, contains the stories of his classic works *Eleven Kinds of Loneliness* (a book *The New York Times Book Review* hailed as "the New York equivalent of *Dubliners*") and *Liars in Love*; it also features nine new stories, seven of which have never been published. Whether addressing the smothered desire of suburban housewives, the white-collar despair of Manhattan office workers, the grim humor that attends life on a tuberculosis ward, or the moments of terrified peace experienced by American soldiers in World War II, Yates examines every frayed corner of the American dream. His stories, as empathetic as they are unforgiving, are like no others in our nation's literature. Published with a moving introduction by the novelist Richard Russo, this collection will stand as its author's final masterpiece.

The 434 Revolution Feb 14 2023 Eleven talented authors challenged with just one condition-tell ten stories in exactly 434 words each. Flash fiction in a streamlined package. Quick hitting pieces across several different genres designed to highlight the craft and art of modern storytelling. Names you may be familiar with, like R. MonaLeza, Corey Michael Smithson, Paul Grimsley, and Jinxie G, combined with some of the most promising artists-Michael Lawrence, Amy Kay, Ben Umstead, John P. Marentay, Broadie Thornton, Rob CL, and Angel Ashton-makes this an anthology you won't want to miss.

A Young Patriot Sep 23 2023 In the summer of 1776, Joseph Plumb Martin was a fifteen-year-old Connecticut farm boy who considered himself as warm a patriot as the best of them. He enlisted that July and stayed in the revolutionary army until hostilities ended in 1783. Martin fought under Washington, Lafayette, and Steuben. He took part in major battles in New York, Monmouth, and Yorktown. He wintered at Valley Forge and then at Morristown, considered even more severe. He wrote of his war years in a memoir that brings the American Revolution alive with telling details, drama, and a country boy's humor. Jim Murphy lets Joseph Plumb Martin speak for himself throughout the text, weaving in historical background details wherever necessary, giving voice to a teenager who was an eyewitness to the fight that set America free from the British Empire.

Causes of the Revolution Aug 11 2022 Discover what caused the American Revolution in this stimulating nonfiction book. With its easy-to-read text and vivid images, readers are sure to be engaged as they learn about problems colonists faced, including the Stamp Act, the Townshend Act, and Intolerable Acts. The fascinating facts and intriguing sidebars further explore the reasoning behind such documents as the First Continental Congress, Declaration of Rights and Grievances, Thomas Paine's *Common Sense*, and the Declaration of Independence. To aid in better understanding of the content and vocabulary, a useful table of contents and glossary are provided.

Contestatory Cuban Short Story of the Revolution Jan 21 2021 José Alvarez, in *Contestatory Cuban Short Story of the Revolution*, presents a unique analysis of counter-cultural narratives written in Cuba. Because the short story, to a great extent, never ceases to be a marginal production, Alvarez approaches the Cuban short story with the rigor of contemporary cultural studies, which involves the theoretical imperative of examining cultural production as an ideological reading of the sociopolitical context in which it occurs and in which it is distributed, consumed, and interpreted. This book complements other books written about the works of Reinaldo Arenas, Jose Lezama Lima, Virgilio Pinera and others.

Genesis of a Revolution Dec 15 2022

Revolution, Rebellion, Resistance Jul 10 2022 Why do revolutions happen? Decades of social science research have brought us little closer to understanding where, when and amongst whom they occur. In this groundbreaking book, Eric Selbin argues that we need to look beyond the economic, political and social structural conditions to the thoughts and feelings of the people who make revolutions. In particular, he argues, we need to understand the stories people relay and rework of past injustices and struggles as they struggle in the present towards a better future. Ranging from the French Revolution to the Battle for Seattle, via Russia, China, Cuba, Vietnam and Nicaragua, Selbin makes the case that it is myth, memory and mimesis which create, maintain and extend such stories.

Revolution, Rebellion, Resistance identifies four kinds of enduring revolutionary story - Civilizing and Democratizing, The Social Revolution, Freedom and Liberation and The Lost and Forgotten - which do more than report on events, they catalyse changing the world.

[The American Revolution: A Very Short Introduction](#) Feb 02 2022 Here is a brisk, accessible, and vivid introduction to arguably the most important event in the history of the United States--the American Revolution. Between 1760 and 1800, the American people cast off British rule to create a new nation and a radically new form of government based on the idea that people have the right to govern themselves. In this lively account, Robert Allison provides a cohesive synthesis of the military, diplomatic, political, social, and intellectual aspects of the Revolution, paying special attention to the Revolution's causes and consequences. The book recreates the tumultuous events of the 1760s and 1770s that led to revolution, such as the Boston Massacre and the Boston Tea Party, as well as the role the Sons of Liberty played in turning resistance into full-scale revolt. Allison explains how and why Americans changed their ideas of government and society so profoundly in these years and how the War for Independence was fought and won. He highlights the major battles and commanders on both sides--with a particular focus on George Washington and the extraordinary strategies he developed to defeat Britain's superior forces--as well as the impact of French military support on the American cause. In the final chapter, Allison explores the aftermath of the American Revolution: how the newly independent states created governments based on the principles for which they had fought, and how those principles challenged their own institutions, such as slavery, in the new republic. He considers as well the Revolution's legacy, the many ways its essential ideals influenced other struggles against oppressive power or colonial systems in France, Latin America, and Asia. Sharply written and highly readable, *The American Revolution: A Very Short Introduction* offers a concise introduction to this seminal event in American history. About the Series: Oxford's Very Short Introductions series offers concise and original introductions to a wide range of subjects--from Islam to Sociology, Politics to Classics, Literary Theory to History, and Archaeology to the Bible. Not simply a textbook of definitions, each volume in this series provides trenchant and provocative--yet always balanced and complete--discussions of the central issues in a given discipline or field. Every Very Short Introduction gives a readable evolution of the subject in question, demonstrating how the subject has developed and how it has influenced society. Eventually, the series will encompass every major academic discipline, offering all students an accessible and abundant reference library. Whatever the area of study that one deems important or appealing, whatever the topic that fascinates the general reader, the Very Short Introductions series has a handy and affordable guide that will likely prove indispensable.

[History Smashers: The American Revolution](#) Sep 11 2022 Myths! Lies! Secrets! Uncover the hidden truth behind the Revolutionary War with beloved educator/author Kate Messner. The fun mix of sidebars, illustrations, photos, and graphic panels make this perfect for fans of *I Survived!* and Nathan Hale's *Hazardous Tales*. On April 18, 1775, Paul Revere rode through Lexington and Concord, Massachusetts, shouting, "The British are coming!" to start the American Revolution. RIGHT? WRONG! Paul Revere made it to Lexington, but before he could complete his mission, he was captured! The truth is, dozens of Patriots rode around warning people about the Redcoats' plans that night. It was actually a man named Samuel Prescott who succeeded, alerting townspeople in Lexington and then moving on to Concord. But the Revolutionary War didn't officially start for more than a year after Prescott's ride. No joke. Discover the nonfiction series that smashes everything you thought you knew about history. Don't miss *History Smashers: The Mayflower*, *Women's Right to Vote*, *Pearl Harbor*, and *Titanic*.

Sophia's War May 27 2021 A beloved Newbery Medalist pens a gripping adventure set during the Revolutionary War. After witnessing the execution of Nathan Hale in New York City, newly occupied by the British army, Sophia Calderwood resolves to do all she can to help the American cause, including becoming a spy.

The Last Penny, and Other Stories Feb 22 2021

I Survived the American Revolution, 1776 (I Survived #15) Apr 30 2024 Bestselling author

Lauren Tarshis tackles the American Revolution in this latest installment of the groundbreaking, New York Times bestselling *I Survived* series. Bestselling author Lauren Tarshis tackles the American Revolution in this latest installment of the groundbreaking, New York Times bestselling *I Survived* series. British soldiers were everywhere. There was no escape. Nathaniel Fox never imagined he'd find himself in the middle of a blood-soaked battlefield, fighting for his life. He was only eleven years old! He'd barely paid attention to the troubles between America and England. How could he, while being worked to the bone by his cruel uncle, Uriah Storch? But when his uncle's rage forces him to flee the only home he knows, Nate is suddenly propelled toward a thrilling and dangerous journey into the heart of the Revolutionary War. He finds himself in New York City on the brink of what will be the biggest battle yet.

Young Patriots Jun 01 2024 Major events of the American Revolution are brought to life in this collection of historical fiction that shows young people caught up in the dangers, hardships, and conflicts of America's fight for independence. A young girl proves her courage in Concord on April 19, 1775, and a young boy and his dog catch a Tory spy after they cross the Delaware with Washington's men on Christmas night, 1776. Other stories show life during the siege of Charleston, a journey home in the middle of the battle of Saratoga, a young soldier's decision at Valley Forge, family conflicts in Savannah, an unlikely friendship at the surrender at Yorktown, and finally, a young boy witnessing the inauguration of President Washington. Brief introductions provide historical background for each of the fifteen stories. Sidebars, maps, and illustrations help make history alive and exciting. Also included are a timeline and suggestions for further reading.

A Star Called Henry Jul 22 2023 An historical novel like none before it, *A Star Called Henry* has marked a new chapter in Booker Prize-winner Roddy Doyle's writing. A subversive look behind the legends of Irish republicanism, at its centre a passionate and unforgettable love story, this novel is a triumphant work of fiction. Born in the slums of Dublin in 1902, his father a one-legged whorehouse bouncer and settler of scores, Henry Smart has to grow up fast. By the time he can walk he's out robbing, begging, charming, often cold, always hungry, but a prince of the streets. At fourteen, already six foot two, Henry's in the General Post Office on Easter Monday 1916, a soldier in the Irish Citizen Army, fighting for freedom. A year later he's ready to die for Ireland again, a rebel, a Fenian, and, soon, a killer. With his father's wooden leg as his weapon, Henry becomes a republican legend - one of Michael Collins' boys, a cop killer, an assassin on a stolen bike, a lover.

Daughter of the Revolution, and Other Stories Feb 27 2024

The Day Before the Revolution Jan 28 2024 "Ursula Le Guin is more than just a writer of adult fantasy and science fiction . . . she is a philosopher; an explorer in the landscapes of the mind." - Cincinnati Enquirer The recipient of numerous literary prizes, including the National Book Award, the Kafka Award, and the Pushcart Prize, Ursula K. Le Guin is renowned for her spare, elegant prose, rich characterization, and diverse worlds. "The Day Before the Revolution" is a short story originally published in the collection *The Wind's Twelve Quarters*.

Women Heroes of the American Revolution Oct 13 2022 When you think of the American Revolution, perhaps you envision the Boston Tea Party, Paul Revere's infamous ride, or George Washington crossing the Delaware River. But there are many other, lesser-known stories of the war that engulfed women's lives as it did the lives of their fathers, husbands, and sons. Some women

served as spies, nurses, and water carriers; some helped as fundraisers, writers, and couriers; and still others functioned as resisters, rescuers, and—surprisingly—even soldiers. Most often, their names did not make it into history books. In *Women Heroes of the American Revolution*, these fascinating women step into the spotlight they deserve. You'll learn about such brave rebels as Martha Bratton, who blew up a supply of gunpowder to keep it out of the hands of approaching British troops and boldly claimed, "It was I who did it!"; 16-year-old Sybil Ludington, who rode her horse Star twice as far as the legendary Paul Revere did in order to help her father, Colonel Ludington, muster his scattered troops to fight the British; and Deborah Sampson Gannett, who bound her chest, dressed as a man, enlisted in the Continental Army as Robert Shurtliff, and served undetected for three years alongside her fellow soldiers. These and 17 other inspiring stories of women and girls contributing to our nation's independence are recounted through energetic narrative and revealing letters and documents that allow us to hear the voices of the women themselves and those who knew and admired them.

The Counter-Revolution of 1776 Dec 27 2023 Illuminates how the preservation of slavery was a motivating factor for the Revolutionary War The successful 1776 revolt against British rule in North America has been hailed almost universally as a great step forward for humanity. But the Africans then living in the colonies overwhelmingly sided with the British. In this trailblazing book, Gerald Horne shows that in the prelude to 1776, the abolition of slavery seemed all but inevitable in London, delighting Africans as much as it outraged slaveholders, and sparking the colonial revolt. Prior to 1776, anti-slavery sentiments were deepening throughout Britain and in the Caribbean, rebellious Africans were in revolt. For European colonists in America, the major threat to their security was a foreign invasion combined with an insurrection of the enslaved. It was a real and threatening possibility that London would impose abolition throughout the colonies—a possibility the founding fathers feared would bring slave rebellions to their shores. To forestall it, they went to war. The so-called Revolutionary War, Horne writes, was in part a counter-revolution, a conservative movement that the founding fathers fought in order to preserve their right to enslave others. *The Counter-Revolution of 1776* brings us to a radical new understanding of the traditional heroic creation myth of the United States.

Susanna's Midnight Ride Mar 25 2021 As the former Colonies struggle for freedom, the Revolution depends on teenage Susanna Bolling. Like America in rebellion, she craves independence. While her Patriot brothers fight, she longs to help. When British General Cornwallis invades her plantation, she hears his secret plan. America's fight for liberty hinges on her.

A best-selling series known and trusted for generations, with a fresh new look and up-to-date content. What will you *Eyewitness* next? Travel back in time to when dinosaurs roamed the earth with *Eyewitness Dinosaur*, or come face-to-face with a pharaoh in *Eyewitness Ancient Egypt*. Do you

think you've found your topic of interest? DK has even more history books for kids and adults alike find them all by searching for "DK history books".

Tales of the Revolution Aug 23 2023 "There are five stories in this book: Sheviriof; The Blood-Stain; Morning Shadows; Pasha Tumanof; The Doctor. All are stories of men and women who sacrificed themselves or the revolution. It appears a hopeless cause, in which a few helpless individuals hurl themselves in futile rebellion against an invincible power, but the stories, dark as they are, will be read with a different feeling now, when it is known that the sacrifice was not in vain." -Book Review Digest, Volume 13 [1918] "Characterized for the most part by grim realism." -The Athenaeum [1918] "This writer never lays himself open to criticism on the ground of inconsistency or of producing horror merely for horror's sake. The emotions that he describes are justified by the situations which produce them, and then in turn by his characters, who are undoubtedly real to his experience.... Personally we read him with mingled feelings - a deep admiration for his power and feeling of the futility of expenditure." -Boston Transcript [1918] "Artzibashef was a very young man when he wrote some of the stories in Tales of the Revolution, but they show little sign of immaturity.... We may not like the Russia he shows us, we may even profess to disbelieve in its existence, yet he himself is the best proof that it does exist. It is a Russia that we must take into account in the present crisis, and in spite of Artzibashef's black pessimism, by no means as a factor altogether evil. For it is an honest and straightforward and unsentimental Russia, and even in its hopelessness it keeps striving." -N.Y. Times [1918]

Inheritors Jul 30 2021 Winner of the PEN/Open Book Award Winner of The Story Prize Spotlight Award A kaleidoscopic portrait of five generations scattered across Asia and the United States, *Inheritors* is a heartbreakingly beautiful and brutal exploration of a Japanese family fragmented by the Pacific side of World War II. A retired doctor is forced to confront the moral consequences of his wartime actions. His brother's wife, compelled to speak of a fifty-year-old murder, reveals the shattering realities of life in Occupied Japan. Half a century later, her estranged American granddaughter winds her way back East, pursuing her absent father's secrets. Decades into the future, two siblings face the consequences of their great-grandparents' war as the world shimmers on the brink of an even more pervasive violence. Grappling with the legacies of loss, imperialism, and war, *Inheritors* offers an intricate tapestry of stories illuminating the complex ways in which we live, interpret, and pass on our tangled histories.

[Henry and the Cannons](#) Jun 08 2022 Before Washington crossed the Delaware, Henry Knox crossed Massachusetts in winter—with 59 cannons in tow. In 1775 in the dead of winter, a bookseller named Henry Knox dragged 59 cannons from Fort Ticonderoga to Boston—225 miles of lakes, forest, mountains, and few roads. It was a feat of remarkable ingenuity and determination and one of the most remarkable stories of the revolutionary war. In *Henry and the Cannons* the perils and adventure of his journey come to life through Don Brown's vivid and evocative artwork.

Story of the American Revolution Coloring Book Mar 30 2024 Excitement, drama of a fateful era captured in 40 finely drawn scenes: Boston Massacre, Paul Revere's ride, battle of Lexington, execution of Nathan Hale, George Washington at the Delaware, signing of the Treaty of Paris, more. Royalty-free illustrations, fact-filled introduction, captions.

To Begin the World Over Again Jun 28 2021 The first exploration of the profound and often catastrophic impact the American Revolution had on the rest of the world. While the American Revolution led to domestic peace and liberty, it ultimately had a catastrophic global impact—it strengthened the British Empire and led to widespread persecution and duress. From the opium wars in China to anti-imperial rebellions in Peru to the colonization of Australia—the inspirational impact the American success had on fringe uprisings was outweighed by the influence it had on the tightening fists of oppressive world powers. Here Matthew Lockwood presents, in vivid detail, the neglected story of this unintended revolution. It sowed the seeds of collapse for the preeminent empires of the early modern era, setting the stage for the global domination of Britain, Russia, and the United States. Lockwood illuminates the forgotten stories and experiences of the communities and individuals who adapted to this new world in which the global balance of power had been

drastically altered.--Adapted from jacket.

Voices of the American Revolution Jan 16 2023 Presents engaging, personal war stories from a variety of armed services and ranks. Includes information on weapons, battle sights and sounds, daily life, and living conditions.

Journal of the American Revolution Jan 04 2022 The fourth annual compilation of selected articles from the online Journal of the American Revolution.

Resistance, Revolution and Other Love Stories Apr 18 2023 Is love the most revolutionary of all acts? In this wide-ranging collection of twelve short stories, a startling array of characters explore their perspectives on love. The stories sweep from sharp realism to heady allegory, haunting fables to sci-fi thrillers, starring teens and drifting husbands, futuristic automatons and talking dogs, gardeners and gatekeepers, a blind girl, a young father, and many more. In "Calamity Jane," see love through the eyes of teenage boys obsessed with the calamitous girl of the title; revisit the famous Greek love story in "Orpheus and Eurydice"; Dan's mechanical automaton seems to be his truest friend in the harshly conformist world of "Automatonatopoeia"; a Crimean revolutionary gets waylaid at a mysterious gate in "The Invitation"; on a construction site in Yugoslavia, a young man tries to come to grips with unconventional fatherhood in "Vikings"; and in "The Conversation", a blind woman manages her relationship with a hectoring mother while finding other types of love. These are just a few of the tales in *Resistance, Revolution and Other Love Stories*. Anyone interested in the struggle against stifling societal powers and the potency of love will see some of themselves in these pages. By turns exciting, meditative, and funny, these enjoyable, thought-provoking stories will linger long after the book is closed. Let the revolution begin!

The Revolution Where You Live Dec 03 2021 Discover the Real Revolution Unfolding across America America faces huge challenges—climate change, social injustice, racist violence, economic insecurity. Journalist Sarah van Gelder suspected that there were solutions, and she went looking for them, not in the centers of power, where people are richly rewarded for their allegiance to the status quo, but off the beaten track, in rural communities, small towns, and neglected urban neighborhoods. She bought a used pickup truck and camper and set off on a 12,000-mile journey through eighteen states, dozens of cities and towns, and five Indian reservations. From the ranches of Montana to the coalfields of Kentucky to the urban cores of Chicago and Detroit, van Gelder discovered people and communities who are remaking America from the ground up. Join her as she meets the quirky and the committed, the local heroes and the healers who, under the mass media's radar, are getting stuff done. The common thread running through their work was best summed up by a phrase she saw on a mural in Newark: "We the People LOVE This Place." That connection we each have to our physical and ecological place, and to our human community, is where we find our power and our best hopes for a new America.

Revolution, Rebellion, Resistance Mar 18 2023 Why do revolutions happen? Decades of social science research have brought us little closer to understanding where, when and amongst whom they occur. In this groundbreaking book, Eric Selbin argues that we need to look beyond the economic, political and social structural conditions to the thoughts and feelings of the people who make revolutions. In particular, he argues, we need to understand the stories people relay and rework of past injustices and struggles as they struggle in the present towards a better future. Ranging from the French Revolution to the Battle for Seattle, via Russia, China, Cuba, Vietnam and Nicaragua, Selbin makes the case that it is myth, memory and mimesis which create, maintain and extend such stories. *Revolution, Rebellion, Resistance* identifies four kinds of enduring revolutionary story - Civilizing and Democratizing, The Social Revolution, Freedom and Liberation and The Lost and Forgotten - which do more than report on events, they catalyze changing the world.

Stories by Iranian Women Since the Revolution May 20 2023 Soraya Sullivan has gathered 13 stories written by contemporary female writers of Iran. The stories focus generally around the theme of the 1979 Iranian Revolution and its impact on women. Ms. Sullivan has also included biographies of each of the women writers. The collection of stories sheds light on the Islamic regime's attitude toward literature and toward women, as Iran is examined by writers of diverse and often

unconventional viewpoints. Rich with the ambiguities of characters caught up in the dramatic and traumatic upheavals of the period, the stories present a series of moving portraits of women and the lives they lead.

Revolution Song: The Story of America's Founding in Six Remarkable Lives Nov 01 2021 "An engaging piece of historical detective work and narrative craft." —Chicago Tribune At a time when America's founding principles are being debated as never before, Russell Shorto looks back to the era in which those principles were forged. In *Revolution Song*, Shorto weaves the lives of six people into a seamless narrative that casts fresh light on the range of experience in colonial America on the cusp of revolution. The result is a brilliant defense of American values with a compelling message: the American Revolution is still being fought today, and its ideals are worth defending.

The Shoemaker and the Tea Party Mar 06 2022 George Robert Twelves Hewes, a Boston shoemaker who participated in such key events of the American Revolution as the Boston Massacre and the Tea Party, might have been lost to history if not for his longevity and the historical mood of the 1830's. When the Tea Party became a leading symbol of the Revolutionary war fifty years after the actual event, this 'common man' in his nineties was 'discovered' and celebrated in Boston as a national hero. Young pieces together this extraordinary tale, adding new insights about the role that individual and collective memory play in shaping our understanding of history.

Victory Or Death! Jun 20 2023 Readers are transported to the years of the American Revolution through the actions of real people--some famous and others not yet known--which provide an inspiring glimpse into the lives of those who took part in the fight for independence. Illustrations.

Revolution Nov 25 2023 Revolution is a collection of eleven short stories that act as a vital bridge between the novels *Exile* and *Liberty*. But it is also so much more than that. Ejersbo had a remarkable and unaffected talent for getting inside the heads of his characters: Moses, a worker in a Tanzanite mine who lives in hope of striking it rich; Sofie, a Greenlander who joins a French conman on his trip around the world; Rachel, who tries to make a life for herself in a city where everyone sees her as a whore in waiting. You feel that Ejersbo could have written from the heart of every person living in Tanzania; and that you could go on reading them forever.

Revolution and Other Essays (Annotated) Aug 30 2021 Differentiated book- It has a historical context with research of the time-Revolution, and Other Essays by Jack London.--Revolution - The somnambulists - The dignity of dollars - Goliath - The golden poppy - The shrinkage of the planet - The house beautiful - The gold hunters of the North - Fomá Gordyéeff - These bones shall rise again - The others animals - The yellow peril - What life means to me .--Although best known for his adult fiction, Jack London wrote in almost every available corner, from verses to first-person research on the plight of the poor, from biographies to essays. A self-proclaimed socialist, London was very consistent in his views unlike many of his fellow writers. This is one of his less well received writing collections and perhaps one of the best. Jack London, (born John Griffith Chaney; January 12, 1876 - November 22, 1916) John Griffith London, was an American novelist, journalist, and social activist. A pioneer in the world of magazine trade fiction, he was one of the first writers to become a world celebrity and earn a fortune by writing. He was also an innovator in the genre that would later become known as science fiction. His most famous works include *The Call of the Wild* and *White Fang*, both set in the Klondike Gold Rush, as well as the short stories "To Build a Fire", "An Odyssey of the North" and "Love of Life". He also wrote about the South Pacific in stories like "The Pearls of Parlay" and "The Heathen".

For Love and Liberty Oct 25 2023 In *BE NOT AFRAID* by Alyssa Cole, a black Patriot captured by the British falls in love with a headstrong runaway determined to leave the colonies...while a wounded British soldier discovers the healing power of love in the arms of a gentle native woman in *A SWEET SURRENDER* by Lena Hart...in *REBELS AT HEART* by Kate McMurray, two men must make hard choices if they are to stay together when war arrives on the shores of their home in New York City...at last, in *HOME* by Stacey Agdern, a young Jewish couple must decide what can hold them together before war and geography tear them apart.

Liberty's Exiles Apr 26 2021 NATIONAL BOOK CRITICS CIRCLE AWARD WINNER This

groundbreaking book offers the first global history of the loyalist exodus to Canada, the Caribbean, Sierra Leone, India, and beyond. At the end of the American Revolution, sixty thousand Americans loyal to the British cause fled the United States and became refugees throughout the British Empire. Liberty's Exiles tells their story. This surprising new account of the founding of the United States and the shaping of the post-revolutionary world traces extraordinary journeys like the one of Elizabeth Johnston, a young mother from Georgia, who led her growing family to Britain, Jamaica, and Canada, questing for a home; black loyalists such as David George, who escaped from slavery in Virginia and went on to found Baptist congregations in Nova Scotia and Sierra Leone; and Mohawk Indian leader Joseph Brant, who tried to find autonomy for his people in Ontario. Ambitious, original, and personality-filled, this book is at once an intimate narrative history and a provocative analysis that changes how we see the revolution's "losers" and their legacies.
